MAJORS
and Areas of Emphasis
Associate Degree, Certificate of Achievement, and Department Certificate Programs

All programs offered at Santa Monica College leading to an Associate degree (AA, AS, AA-T, or AS-T), a Certificate of Achievement, or a Department Certificate are designed to provide students with the necessary skills to compete successfully in related job markets. Certificate of Achievement programs offered by Santa Monica College meet the needs of people in business and industry. The teaching faculty in these programs is well trained, with both academic and industry experience. Each career program has an advisory board composed of industry representatives to insure that the curricula are current and that they meet industry needs and standards.

Major requirement sheets for the Associate degree, Certificate of Achievement, and Department Certificate programs are available in the Transfer/Counseling Center and online (go to www.smc.edu/articulation). Completion of Associate degree major coursework, a Certificate of Achievement, or a Department Certificate usually will not adequately satisfy transfer major requirements. Students are encouraged to meet with a counselor to develop an academic program best suited for their transfer institution and intended major.

CATALOG RIGHTS

Catalog rights dictate that a student may satisfy the requirements of a degree or certificate by completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

ASSOCIATE DEGREES FOR TRANSFER TO THE CSU SYSTEM

The Associate in Arts for Transfer (AA-T) or the Associate of Science for Transfer (AS-T) is granted upon successful completion of a program of study with a minimum of 60 semester units with an overall average grade of C or higher. The following is required for all AA-T or AS-T degrees for transfer to the California State University system:

1. Completion of a minimum of 60 CSU-transferable semester units.

2. Maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. Note that while a minimum GPA of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.

3. Completion of a minimum of 18 semester units in an AA-T or AS-T major as detailed in this Majors and Areas of Emphasis section of the catalog. All courses in the major must be completed with a grade of C or better, or a P (Pass) if the course is taken on a “Pass/No Pass” basis (Title 5 §55063). At the time of this catalog’s publication, a student may earn an Associate in Science for Transfer (AS-T) in Mathematics at Santa Monica College. Additional majors are being developed. Please see a counselor or visit www.smc.edu/articulation for more information.

4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth) OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.

ASSOCIATE DEGREES

The Associate degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including the semester units required in each area of emphasis and fulfillment of all Santa Monica College general education (GE) requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

60 Units Unless Otherwise Noted

- Academy of Entertainment & Technology

**CERTIFICATES OF ACHIEVEMENT**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

**At least 50% of the units required for Certificates of Achievement must be completed at Santa Monica College.**

(Constraint: For IGETC/CSUGE Certificates, 50% of the units required for Certificates of Achievement must be completed at any, or any combination of, California Community College/s.)

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

(Constraint: For CSUGE Certificate, a minimum grade of D- [0.7 on a 4.0 scale] is required for each course applied to the CSUGE Certificate of Achievement. The minimum overall GPA on the CSUGE pattern must be a C [2.0 on a 4.0 scale].)

**Accounting**

General accountants examine financial records of municipal, county, state, and federal agencies for compliance with laws. They record transactions, such as receivable, payable, payroll, property into a general ledger. Corporate accountants set up and design accounting-bookkeeping systems and procedures, risk management programs, tax law and finance methods, record financial transactions, and analyze and evaluate financial records for businesses. Their duties include interpreting financial information and preparing reports for business executives and government regulatory agencies. Advancement includes senior accountant, controller, treasurer, and chief financial officer positions.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

Students planning to transfer to a four-year college/university should refer to the Business Administration major requirements.

**ASSOCIATE DEGREE – 60 UNITS**

The Associate degree in Accounting involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 28 semester units in the Accounting area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

These programs are not designed for transfer students.

**Accounting**

**Program Learning Outcomes:** Upon completion of the Accounting program, students will effectively comprehend, record, post, and summarize financial accounting information from an original business transaction through the preparation of financial statements and the closing entries at the end of an accounting cycle. Students will demonstrate the ability to prepare calculations and use financial information for business management and decision making.

Total major units required: 28 units.

General Education units required: 18 units.

Additional recommended courses/electives: 14 units.

Total units required: 60 units.

The major consists of 28 units as follows:

- **Required Core Courses:** (12 units)
  - Business 1, Introduction to Business (3)
  - Business 31, Business English (3) or English 1, Reading & Composition (3)
  - Business 32, Business Communication (3)
  - CIS 1, Introduction to Computers with Applications (3) or CIS 4, Introduction to Computer, Business Applications (3)

- **Required Concentration Courses:** (16 units)
  - Accounting 1, Principles of Accounting 1 (5) and
  - Accounting 2, Principles of Accounting 2 (5)
  - Accounting 31A, Excel for Accounting (3) or CIS 30, Microsoft EXCEL (3) or CIS 31, Accounting Spreadsheet Sheets (3)
  - Accounting 35, QuickBooks (3) or CIS 35, QuickBooks (3)

- **Recommended Courses:**
  - Accounting 10A, Intermediate Accounting A (3) and
  - Accounting 10B, Intermediate Accounting B (3) and
  - Accounting 10C, Intermediate Accounting C (4) or
  - Accounting 6, Accounting Consolidations (3) and
  - Accounting 7, Accounting Special Topics (3)
  - Accounting 11, Cost Accounting (3)
  - Accounting 12, Auditing (3)
  - Accounting 15, Personal Income Tax (3)
  - Accounting 16, Corporate Income Tax (3)
  - Accounting 31B, Advanced Excel for Accounting (3)
  - Business 5, Business Law (3)

Additional general education and graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

**CERTIFICATES OF ACHIEVEMENT**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

**Accounting**

**Option 1:** (28 units)

Completion of required core courses and required concentration courses listed above in the Associate degree program.

**Option 2:** (23 units)

**Required Courses:** (20 units)

- Accounting 1, Principles of Accounting 1 (5) and
- Accounting 2, Principles of Accounting 2 (5)
- Accounting 10A, Intermediate Accounting A (3) and
- Accounting 10B, Intermediate Accounting B (3) and
- Accounting 10C, Intermediate Accounting C (4)

Select one additional course from the following:

- Accounting 31A, Excel for Accounting (3)
Accounting 31B, Advanced EXCEL for Accounting (3)
Accounting 35, QuickBooks (3) or CIS 35, QuickBooks (3)
CIS 30, Microsoft EXCEL (3)
CIS 31, Accounting Spread Sheets (3)

Option 3: (22-26 units)
Required Courses: (13 units)
Accounting 1, Principles of Accounting 1 (5)
Accounting 2, Principles of Accounting 2 (5)
Accounting 15, Personal Income Tax (3)
Select one additional course from the following:
Accounting 31A, EXCEL for Accounting (3)
Accounting 35, QuickBooks (3)
Select two additional courses from the following:
Accounting 10A, Intermediate Accounting 2 (5)
Accounting 10B, Intermediate Accounting B (3)
Accounting 10C, Intermediate Accounting C (4)
Accounting 11, Cost Accounting (3)
Accounting 12, Auditing (3)
Accounting 16, Corporate Income Tax (3)
Business 1, Introduction to Business (3)
Business 5, Business Law (3)
Business 32, Business Communication (3)
Business 45, Personal Finance (3) (same as Accounting 45)

Professional Accountant (41 units)

The Professional Accounting curriculum prepares holders of a Bachelor’s degree to take the Certified Public Accountant (CPA) Board Exam. For information on the CPA exam, please see the California Board of Accountancy website (www.dca.ca.gov/cba/).

Program Learning Outcomes: Students completing this certificate will use intermediate and advanced financial accounting principles to record transactions and analyze financial statements based on published Standards and Interpretations and the Conceptual Framework promulgated by the Financial Accounting Standards Board. Students will also demonstrate the ability to use specialized and advanced disciplines such as cost accounting, auditing, and taxation, and perform research using a wide array of resources related to Generally Accepted Accounting Principles (GAAP).

Required Core Courses:
Accounting 1, Principles of Accounting 1 (5) and Accounting 2, Principles of Accounting 2 (5)
Accounting 6, Accounting Consolidations (3)
Accounting 7, Accounting Special Topics (3)
Accounting 10A, Intermediate Accounting A (3) and Accounting 10B, Intermediate Accounting B (3) and Accounting 10C, Intermediate Accounting C (4)
Accounting 11, Cost Accounting (3)
Accounting 12, Auditing (3)
Accounting 15, Personal Income Tax (3)
Accounting 16, Taxation of Corporations, Partnerships, Estates and Trusts (3)
Business 5, Business Law (3)

Recommended Courses:
Accounting 26, Advanced Business Law (3) (same as Business 6)
Accounting 31A, EXCEL for Accounting (3)
Accounting 31B, Advanced EXCEL for Accounting (3)
Accounting 35, QuickBooks (3) or CIS 35, QuickBooks (3)

Accounting 45, Individual Financial Planning (3) (same as Business 45)
CIS 4, Introduction to Computers with Business Applications (3)

DEPARTMENT CERTIFICATE

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

Computer Accounting (14 units)

Program Learning Outcomes: Students will demonstrate basic knowledge of computerized accounting application software, such as word processing, spreadsheet, and basic general ledger applications.

Required Courses:
Accounting 1, Principles of Accounting (5)
Accounting 31A, Excel for Accounting (3)
Accounting 35, QuickBooks (3) or CIS 35, QuickBooks (3)
CIS 4, Introduction to Computers with Business Applications (3)

Recommended Courses:
Accounting 31B, Advanced Excel for Accounting (3)

Anthropology

Anthropologist is a general term for those who study human societies, both present and past. A Socio-cultural Anthropologist may work in a field such as development, community organizing, policy analysis, and social research. Linguistic Anthropologists may work in the areas of inter-cultural communication, language revitalization, and literacy programs. An emphasis in Archaeology lends itself to work in one of many Federal and State agencies and private cultural resource management firms. Biological and Medical Anthropologists work in the growing sector of health related occupations and research. Consultants are employed in historical and ethnographic research, forensic work, archaeological survey and excavation, museums and teaching.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on SMC’s main campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions.
Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Berkeley**
  B.A. Anthropology

- **University of California, Davis**
  A.B. Anthropology
  B.S. Anthropology

- **University of California, Irvine**

- **University of California, Los Angeles**
  B.A. Anthropology
  B.S. Anthropology

- **University of California, San Diego**
  B.A. Anthropology
  B.A. Anthropology, Concentration in Archaeology
  B.A. Anthropology, Concentration in Biological Anthropology

- **University of California, Santa Barbara**
  B.A. Anthropology Cultural emphasis
  B.A. Anthropology Physical emphasis

- **University of California, Santa Cruz**
  B.A. Anthropology

- **California State University, Dominguez Hills**
  B.A. Anthropology

- **California State University, Fullerton**
  B.A. Anthropology

- **California State University, Los Angeles**
  B.A. Anthropology

- **California State University, Northridge**
  B.A. Anthropology

- **California State University, San Bernardino**
  B.A. Anthropology

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **Mills College**
  B.A. Anthropology and Sociology

General education requirements for the University of California, California State University, and other local universities are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

**Art**

Artists express their thoughts and feelings by creating fine art works that are primarily intended for aesthetic enjoyment. Related career titles include advertising artist or designer, art administrator, furniture designer, illustrator, courtroom sketcher, medical illustrator, animator and toy designer. Some organizations that typically employ art majors include: studios, museums, auction houses, art councils, educational institutions, hospitals, interior design departments, advertising agencies, and film and media production companies.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Irvine**
  B.A. Arts and Humanities
  B.A. Studio Arts

- **University of California, Los Angeles**

  B.A. Design/Media Arts

- **UCLA School of Art and Architecture, Department of Design**
  B.A. Art

- **University of California, Riverside**
  Art B.A.

- **University of California, Santa Barbara**
  B.A. Art

- **California State Polytechnic University, Pomona**
  B.F.A. Fine Arts

- **California State University, Long Beach**
  B.A. Art
  Studio Art option
  NOTE: B.F.A. option requires a portfolio review
  Graphic Design option (portfolio review required)
  Other options: Drawing and 3-D Media; Art Education; Art History; Art Photography; Ceramics; Illustration; Printmaking; Sculpture

- **California State University, Los Angeles**
  B.A. Art
  Animation option
  Art Education option
  Art History option
  Fashion and Textiles option (specialization in Fashion Design or Fashion Merchandising)
  Graphic Design/Visual Communication
  Studio Arts option

- **California State University, Northridge**
  B.A. Art

- **California State University, San Bernardino**
  B.A. Plan I (Art Education)
  B.A. Plan II (Specializations)
  B.A. Plan III (Art History)
Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **Academy of Art University, San Francisco**
  B.F.A. Fine Arts and Art Studies

- **Art Center College of Design**
  B.F.A. Advertising
  B.S. Environmental Design
  B.F.A. Film
  B.F.A. Fine Arts
  B.F.A. Graphic Design
  B.F.A. Illustration
  B.F.A. Photography
  B.F.A. Product Design
  B.S. Transportation Design:

- **California College of The Arts**
  Ceramics, Community Arts, Glass, Illustration, Jewelry/Metal Arts, Painting/Drawing, Printmaking, Sculpture

- **Loyola Marymount University**
  B.A. History
  Other concentrations offered:
  Fine Arts, Ceramics
  Fine Arts, Drawing/Painting
  Fine Arts, Photography
  Fine Arts, Printmaking
  Graphic Arts
  Multimedia Arts, Image
  Multimedia Arts, Motion
  Multimedia Arts, Sound
  Multimedia Arts, Text

Additional general education requirements are listed on a separate sheet available in the Transfer/Counseling Center, as well as online (go to www.smc.edu/articulation).

**ASSOCIATE DEGREE – 60 UNITS**

The Associate degree in Art involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 24 semester units in the Art area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Art (24 units)**

Program Learning Outcomes: Upon completion of the program in Art, students will demonstrate an appreciation and understanding of Art and Art History in order to develop creative and critical thinking solutions to various Art and Art History issues. Students will look at an artistic situation, whether in implementation or analysis, in order to develop and create a strategy for its solution.

**Required Core Courses: (6 units)**
Art 10A, Design I (3)
Art 20A, Drawing I (3)

**Select two core courses from the following: (6 units)**
AHIS 1, Western Art History I (3)
AHIS 2, Western Art History II (3)
AHIS 3, Western Art History III (formerly Art 8)
AHIS 15, Mexican Art History (3) (formerly Art 9)
AHIS 17, Arts of Asia (formerly Art 5)
AHIS 18, Introduction to African Art History (3)
AHIS 72, American Art History (3) (formerly Art 72)

**FOUNDATION COURSES – (12 units); (it is strongly recommended that the foundation courses be taken after completion of core courses):**

**Required Core Courses: (9 units)**
Art 10B, Design II (3)
Art 20B, Drawing II (3)
Art 21A, Drawing III (3)

**Select one foundation course from the following: (3 units)**
Art 13, 3-D Design (3)
Art 40A, Sculpture I (3)
Art 52A, Ceramics I (3)

The above recommendations are the minimum requirements for an Associate degree only.

In addition to meeting academic requirements, most universities and art schools require prospective students to submit a portfolio for admission to be presented to the Art Department of each institution that they apply to for admission.

It is possible to be admitted to a university based on academics, but not into their Art Major Program, unless a student submits a portfolio with evidence of individual style and concepts.

It is highly recommended that students follow the “Recommended Course of Study for Transfer Consideration and Portfolio Development” with Elective Areas of Specialization prepared by the Art Department, which is available in the Transfer/Counseling Center, the Art Department, and at www.smc.edu/articulation. This will help students to develop a successful portfolio for transfer.

In addition, students should make an appointment with the institution of their choice to inform themselves of specific courses and portfolio projects needed for transfer.

**COURSE OF STUDY FOR TRANSFER CONSIDERATION AND PORTFOLIO DEVELOPMENT**

**Core Courses: (12 units required)**
Art 10A, Design I (3)
Art 20A, Drawing I (3)

**Select two additional courses from the following:**
AHIS 1, Western Art History I (3)
AHIS 2, Western Art History II (3)
AHIS 3, Western Art History III (formerly Art 8)
AHIS 15, Mexican Art History (3) (formerly Art 9)
AHIS 17, Arts of Asia (formerly Art 5)
Majors and Areas of Emphasis

Select one additional course from the following:

- Art 10B, Design II (3)
- Art 20B, Drawing II (3)
- Art 21A, Drawing III (3)

Select one foundation course from the following:

- Art 60B, Introduction to Digital Printing (3)
- Art 61A, Etching (3)
- Art 61B, Advanced Etching (3)
- Art 62, Serigraphy (silkscreen) (3)

FOUNDATION COURSES – (12 units required); (it is strongly recommended that the foundation courses be taken after completion of core courses):

- Art 30A, Beginning Watercolor Painting I (3)
- Art 30B, Watercolor Painting II (3)
- Art 30C, Acrylic Painting Techniques (3)
- Art 32, Intermediate Painting (3)
- Art 33, Advanced Painting (3)
- Art 35, Airbrush Techniques (3)
- Art 60, Introduction to Printmaking (3)
- Art 61A, Etching (3)
- Art 61B, Advanced Etching (3)
- Art 62, Serigraphy (silkscreen) (3)
- Art 63, Lithography (3)

ELECTIVE AREAS OF SPECIALIZATION

Painting/Drawing/Printmaking Emphasis:

- Art 21B, Drawing IV, (3)
- Art 30A, Beginning Watercolor Painting I (3)
- Art 30B, Watercolor Painting II (3)
- Art 30C, Acrylic Painting Techniques (3)
- Art 32, Intermediate Painting (3)
- Art 33, Advanced Painting (3)
- Art 35, Airbrush Techniques (3)
- Art 60, Introduction to Printmaking (3)
- Art 61A, Etching (3)
- Art 61B, Advanced Etching (3)
- Art 62, Serigraphy (silkscreen) (3)
- Art 63, Lithography (3)

Contemporary Art Practice & Theory Emphasis:

- Art 34B, Contemporary Art Theory & Practice II (3)

Fine Arts Emphasis:

- Art 13, 3-D Design (3)
- Art 32, Intermediate Painting (3)
- Art 33, Advanced Painting (3)
- Art 40A, Sculpture I (3)

New Technologies Emphasis:

- Art 20C, Digital Drawing (3)
- Photography 1, Introduction to Photography (3)
- Photography 2, Basic Photo Lab Techniques (3)

Printmaking Emphasis:

- Art 60B, Introduction to Digital Printing (3)
- Art 62, Serigraphy (Silkscreen) (3)

Select one additional course from the following:

- AHIS 3, Western Art History III (3) (formerly Art 8)
- AHIS 52, History of Photography (3) (formerly Art 73)
- AHIS 72, American Art History (3) (formerly Art 72)

Design with a Digital Technologies Emphasis:

- Art 15, Lettering (3)
- Art 20C, Digital Drawing (3)
- Art 21B, Drawing IV (3)

Art History

Art history is the study of art created in the past by individuals from various cultures and parts of the world. It is the study of the historical development of art as social and intellectual phenomenon, the analysis of works of art and art conservation. Students study specific periods, cultures, styles and themes. The art historian seeks to interpret and understand works of art of many types, ranging from the monumental to small scale, by learning about artists’ lives and their societies. Students are prepared for a wide range of professional careers – in museums, galleries, auction houses or publishing including antique dealer, art appraiser, art dealer, art restorer and museum curator.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Irvine**
  - B.A. Art History

- **University of California, Los Angeles**
  - B.A. Art History

- **University of California, Riverside**
  - B.A. Art History

- **University of California, Santa Barbara**
  - B.A. Art History/B.A. Art History Non-Western emphasis Architecture and Environment emphasis

- **California State Polytechnic University, Pomona**
  - B.A. Art History

- **California State University, Los Angeles**
  - Art History option
• **California State University, San Bernardino**  
  B.A. Plan III (Art History)

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

• **Academy of Art University, San Francisco**  
  B.F.A. Fine Arts and Art Studies

• **John Cabot University, Rome, ITALY**  
  Art History  
  This university is US regionally accredited. See www.smc.edu/articulation for general education admission requirements.

• **Loyola Marymount University**  
  B.A. Art History  
  General education requirements are listed on a separate sheet available in the Transfer/Counseling Center, as well as online (go to www.smc.edu/articulation).

### ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Art History involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 18 semester units in the Art History area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Art History (18 units)**

- REQUIRED CORE COURSES: (15 UNITS)  
  - AHIS 1, Western Art History I (3)  
  - AHIS 2, Western Art History II (3)  
  - AHIS 3, Western Art History III (formerly Art 8)  
  - Art 10A, Design I (3)  
  - Art 20A, Drawing I (3)

- REQUIRED FOUNDATION COURSES: Select one course from the following: (it is strongly recommended you take these courses after completion of core courses)  
  - AHIS 11, Art Appreciation: Introduction to Global Visual Culture (3) (formerly Art 79)  
  - AHIS 15, Mexican Art (3) (formerly Art 9)  
  - AHIS 17, Art of Asia-Prefixology to 1900 (3) (formerly Art 5)  
  - AHIS 18, Introduction to African Art History (3)  
  - AHIS 21, Architectural History: Ancient to 1850 (3) (formerly Art 6)  
  - AHIS 22, Architecture History and Theory-1850 to Present (formerly Art 7)

- AHIS 52, History of Photography (3) (formerly Art 73)  
  (same as Photography 52)  
- AHIS 72, American Art History (3) (formerly Art 72)  
- Art 21A, Drawing III (3)  
- Art 40A, Sculpture (3)  
- Art 52A, Ceramics (3)

### Astronomy

Astronomers study the solar system, stars, galaxies, and space using principles of physics and mathematics. Their work adds to the basic scientific knowledge about the nature of the universe and also provides a basis for improvement in such areas as aircraft navigation and satellite communication. They study planets, stars, novas, and colliding gases between stars in an attempt to find out how they were formed, what they are made of, and how they change. They measure light, radio and x-ray emissions from space sources. Astronomers can advance to director of an observatory or science center.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

### TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Berkeley**  
  - B.S. Astrophysics  

### Automotive

**See Business**

### Biological Sciences

This major can lead to many biological science careers. Medical laboratory technicians work in a clinical laboratory and perform routine tests to obtain data used by physicians and other medical staff in the prevention, diagnosis, and treatment of illness. Bioscience technicians conduct tests and analyze data for use in research and production. Some additional careers include genetic counselors, environmental health specialists,
medical illustrators, microbiologists, toxicologists, wild life biologists, and teachers.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

PLEASE NOTE: Due to the competitive nature of Biology, students are advised to complete as many lower division courses as possible prior to transfer. Please see a counselor for more information.

**Broadcasting**

This program teaches students the methods and techniques by which radio and television news programs are produced and delivered and prepares students to be professional broadcasters. Included is instruction in the principles of broadcast technology; program design and production; broadcast editing; and on- and off-camera procedures and techniques. Careers in the field include broadcast technician, disc jockey, movie-TV camera operator, radio producer, TV-radio station manager, and video jockey.

This major may also lead to many other careers. For additional possibilities, explore the computerized career information systems and other valuable career resources at the Career Services Center on SMC’s main campus.

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer college.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution.
Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **California State University, Los Angeles**
  - B.A. Radio and Television Broadcasting
    - Broadcast Journalism option
    - Animation option
- **California State University, Northridge**
  - B.A. Cinema and Television Arts
    - Radio Production option

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **University of Southern California (USC)**
  The Annenberg School of Journalism offers Bachelor of Arts degrees in Print Journalism, Broadcast Journalism, and Public Relations.

**ASSOCIATE DEGREE – 60 UNITS**

The Associate degree in Broadcasting involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 20 semester units in the Broadcasting Programming and Production area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

**At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.**

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Option 1: Broadcast Programming and Production (20 units)**

**Required Courses:** (15 units)

- Broadcasting 1, Introduction to Broadcasting (3)
- Broadcasting 2, Broadcast Programming and Management (3)
- Broadcasting 3A, Broadcast Announcing & Production (3)
- Broadcasting 4A, Newswriting and Newscasting (3)
- Communication 1, Survey of Mass Media Communications (3)

**The following courses are highly recommended; students must select at least five units from the following list:**

- Broadcasting 4B, Advanced Broadcast Newswriting and Newscasting (3,3)
- Broadcasting 5A, Sportscasting Fall Sports (3)
- Broadcasting 5B, Sportscasting Spring Sports (3,3)
- Broadcasting 5C, Sportscasting Summer Sports (3,3)
- Broadcasting 8, Broadcast Advertising (3)

**Broadcasting 9, Broadcast Workshop (3,3)**

- Broadcasting 20, Introduction to Writing & Producing Short-form Media (3)
- Broadcasting 21, Short-form Visual Media Production (3)
- Broadcasting 46, Television Production (3)
- Broadcasting 48, Television Workshop (3)
- Broadcasting 90A, Internship (1)
- Broadcasting 90B, Internship (2)
- Broadcasting 90C, Internship (3)
- Communication 2, Reading Media: Acquiring Media Literacy Skills (3)

Additional general education requirements are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

**Option 2: Broadcast Sales and Management (21 units)**

**Required Courses:** (18 units)

- Broadcasting 1, Introduction to Broadcasting (3)
- Broadcasting 2, Broadcast Programming & Management (3)
- Broadcasting 3A, Broadcast Announcing & Production (3)
- Broadcasting 8, Broadcast Advertising (3)
- Business 23, Principles of Selling (3)
- Communication 1, Survey of Mass Media Communications (3)

**The following courses are highly recommended; students must select at least three units from the following list:**

- Broadcasting 20, Introduction to Writing & Producing Short-form Media (3)
- Broadcasting 21, Short-form Visual Media Production (3)
- Broadcasting 90A, Internship (formerly BRDCST 105) (1)
- Broadcasting 90B, Internship (formerly BRDCST 10) (2,2,2)
- Business 1, Introduction to Business (3)
- Business 24, Creative Selling (3)
- Business 27, Introduction to E-Commerce (3)
- Business 63, Principles of Entrepreneurship (3)
- Communication 2, Reading Media: Acquiring Media Literacy Skills (3)

Students completing the Associate degree major requirements in either Option 1 or 2 must select additional units from this recommended list to acquire total required units.

- Broadcasting 46, Television Production (3)
- Broadcasting 48, Television Workshop (3)
- Communication 2, Reading Media: Acquiring Media Literacy Skills (3)
- Humanities 88, Independent Study and Projects (1-2)
- Journalism 1, The News (3)
- Journalism 2, Newswriting and Reporting (3)
- Journalism 43, Public Relations and Publicity (3)
- Speech 2, Persuasion (3)
- Theatre Arts 24, Stage Sound (1,1)
- Theatre Arts 41, Acting I (3,3,3)
- Theatre Arts 42, Acting II (3,3,3)

Additional general education requirements are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).
CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Option 1: Broadcast Programming and Production (20 units)

A Certificate of Achievement is granted upon completion of the 20 required units listed under the Broadcast Programming and Production Associate degree.

Option 2: Broadcast Sales and Management (21 units)

A Certificate of Achievement is granted upon completion of the 21 required units listed under the Broadcast Sales and Management Associate degree.

Business

Business Managers coordinate business activities in both private industry and public agencies. They are responsible for operations, maintenance, purchasing, planning, organizing, budgeting, and directing the work of the employees. Business executives are the higher-level management staff, directing the activities of the firm. They develop and administer policies to maximize profits. They also direct financial programs and develop policies aimed at maintaining good relations with the public, stockholders, employees, and customers.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Business involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 25 semester units in either the Business Administration, or 31 semester units in the Insurance Professional, or 24 semester units in the Logistics/Supply Chain Management, or 27 semester units in the Management/Leadership, or 24 semester units in the Merchandising area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

General education and graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Business Administration (25 units minimum)

Program Learning Outcomes: Upon completion of a degree in Business Administration, students will demonstrate coherent and comprehensive analyses of business issues, and identify and resolve ethical dilemmas in the domestic and global business environment.

Required Core Courses:

Accounting 1, Principles of Accounting (5) and  
Accounting 2, Principles of Accounting 2 (5)
Business 1, Introduction to Business (3)
Business 5, Business Law (3)
Economics 1, Principles of Microeconomics (3)
Economics 2, Principles of Macroeconomics (3)
Math 2, Precalculus (5) or Math 28, Calculus 1 for Business and Social Science (5) or Math 7, Calculus 1 (5) or [Math 52, Elementary Statistics (3)] or Math 54, Elementary Statistics (4)

Recommended Courses:
Business 20, Principles of Marketing (3)
Business 32, Business Communications (3)
Business 45, Individual Financial Planning (3) (same as Accounting 45)
Business 62, Human Relationships and Ethical Issues in Business (3)
Business 65, Management Principles (3)
CS 3, Introduction to Computer Systems (3)
CIS 1, Computer Concepts with Applications (3) or CIS 4, Introduction to Computers, Business Applications (3)

[ ] Course in brackets no longer offered.

General education and graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog.

Insurance Professional (31 units)

Required Courses:
Accounting 1, Principles of Accounting (5)
Business 1, Introduction to Business (3)
Business 5, Business Law (3)
Business 15, Introduction to Insurance with Code & Ethics (2)
Business 16, Personal Insurance (3)
Business 17, Property & Liability Insurance (3)
Business 18, Commercial Insurance (3)
Business 32, Business Communications (3)
CIS 4, Introduction to Computers, Business Applications (3)
CIS 30, Microsoft Excel (3) or Accounting 31A, Excel for Accounting (3)

Recommended Courses:
Accounting 31B, Advanced Excel for Accounting (3)
Business 20, Principles of Marketing (3)
Business 23, Principles of Selling (3)
Business 24, Creative Selling (3)
Business 90, Insurance Internship (1)

Logistics/Supply Chain Management (24 units)

Required Core Courses: (9 units)
Business 1, Introduction to Business (3)
Business 32, Business Communications (3)
Business 80, Principles of Logistics (3)

Concentration Courses: (9 units)
Business 81, Transportation Management (3)
Business 82, Supply Chain Management (3)
Business 83, Operations Management (3)

Select two additional courses from the following: (6 units)
Accounting 1, Principles of Accounting (5) or Accounting 21, Business Bookkeeping (3)

Business 5, Business Law (3)
Business 45, Individual Financial Planning (3) (same as Accounting 45)
Business 50, Introduction to International Business (3)
Business 51, Intercultural Communication (3) or Speech 7, Intercultural Communication (3)
Business 52, International Marketing (3)
Business 53, Importing and Exporting (3)
CIS 1, Computer Concepts with Applications (3) or CIS 4, Introduction to Computers, Business Applications (3) [The CIS course is strongly recommended for students with few or no computer skills.]

Management/Leadership (27 units)

Program Learning Outcomes: Upon completion of the program in Business Management/Leadership, students will demonstrate coherent and comprehensive analyses of business issues, identify and resolve ethical dilemmas in the domestic and global business environment, and apply managerial skills in planning, organizing, directing, and controlling business enterprises in the domestic and global environments.

Required Core Courses: (12 units)
Business 1, Introduction to Business (3)
Business 5, Business Law (3)
Business 32, Business Communications (3)
Business 65, Management Principles (3)

Concentration Courses: (12-14 units)
Accounting 1, Principles of Accounting (5) or Accounting 21, Business Bookkeeping (3)
Business 20, Principles of Marketing (3)
Business 51, Intercultural Communication (3) or Speech 7, Intercultural Communication (3)
Business 62, Human Relationships & Ethical Issues in Business (3)

Select one additional course from the following: (3 units)
Business 45, Individual Financial Planning (3) (same as Accounting 45)
Business 50, Introduction to International Business (3)
Business 80, Principles of Logistics (3)
Business 83, Operations Management (3)
CIS 1, Computer Concepts with Applications (3) or CIS 4, Introduction to Computers, Business Applications (3) [The CIS course is strongly recommended for students with few or no computer skills.]

Merchandising (24 units)

Program Learning Outcomes: Upon completion of the program in Merchandising, students will demonstrate coherent and comprehensive analyses of business issues, identify and resolve ethical dilemmas in the domestic and global business environment, and develop a merchandising plan that incorporates color theory, design principles and consumer focal points integrated with advertising and sales techniques.

Required Core Courses: (12 units)
Business 1, Introduction to Business (3)
Business 20, Principles of Marketing (3)
Business 21, Merchandising Principles (3)
Business 32, Business Communications (3)

Concentration Courses: (9 units)
Business 22, Introduction to Advertising (3)
Business 23, Principles of Selling (3)
Business 25, Advertising Display (3)

Select one additional course from the following: (3 units)
Business 5, Business Law (3)
Business 26, Marketing Research and Consumer Behavior (3)
Business 27, Introduction to E-Commerce (3)
Business 28, Marketing Promotion (3)
Business 45, Individual Financial Planning (3) *(same as Accounting 45)*
Business 62, Human Relations & Ethical Issues in Business (3)
CIS 1, Computer Concepts with Applications (3) *or* CIS 4, Introduction to Computers, Business Applications (3) *(The CIS course is strongly recommended for students with few or no computer skills.)*

**CERTIFICATES OF ACHIEVEMENT**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Except for Insurance Specialist, each Certificate of Achievement requires two types of courses: Core and Concentration.

Except for Insurance Specialist, there are three or four Core courses in all Business Certificate of Achievement Programs. These courses are required for all students, and should be completed before taking Concentration courses. In the Core sequence, Business 1 should be taken and completed before enrolling in other Core courses.

**Entrepreneurship (24 units)**

Program Learning Outcomes: Upon completion of the program in Entrepreneurship, students will demonstrate coherent and comprehensive analyses of business issues, identify and resolve ethical dilemmas in the domestic and global business environment, and produce a thorough written business plan.

Required Core Courses: (12-14 units)
Accounting 1, Principles of Accounting (5) *or* Accounting 21, Business Bookkeeping (3)
Business 1, Introduction to Business (3)
Business 32, Business Communications (3)
Business 63, Principles of Entrepreneurship (3)

Concentration Courses: (9 units)
Business 5, Business Law (3)
Business 20, Principles of Marketing (3)
Business 65, Management Principles (3)

Select one additional course from the following: (3 units)
Business 23, Principles of Selling (3)

**Business (24 units)**

Program Learning Outcomes: Upon completion of the program in International Business, students will demonstrate coherent and comprehensive analyses of business issues, identify and resolve ethical dilemmas in the domestic and global business environment, and apply business principles to international trade issues in the context of global citizenship.

Required Core Courses: (9 units)
Business 1, Introduction to Business (3)
Business 32, Business Communications (3)
Business 50, International Trade (3)

Concentration Courses: (9 units)
Business 51, Intercultural Communication (3) *or* Speech 7, Intercultural Communication (3)
Business 52, International Marketing (3)
Business 53, Importing and Exporting (3)

Select two additional courses from the following:
Accounting 1, Principles of Accounting (3) *or* Accounting 21, Business Bookkeeping (3)
Business 5, Business Law (3)
Business 11, Introduction to the Hospitality Industry (3)
Business 27, Introduction to E-Commerce (3)
Business 45, Individual Financial Planning (3) *(same as Accounting 45)*
Business 62, Human Relations & Ethical Issues in Business (3)
Business 80, Principles of Logistics (3)

Select one additional course from the following: (3 units)
Business 23, Principles of Selling (3)
CIS 1, Computer Concepts with Applications (3) or CIS 4, Introduction to Computers, Business Applications (3) [The CIS course is strongly recommended for students with few or no computer skills.]

**Logistics/Supply Chain Management (24 units)**

A Certificate of Achievement in Logistics/Supply Chain Management is granted upon completion of 24 required units listed under the Logistics/Supply Chain Management Associate degree.

**Management/Leadership (27 units)**

A Certificate of Achievement in Management/Leadership is granted upon completion of 27 required units listed under the Management/Leadership Associate degree.

**Marketing (24 units)**

*Required Core Courses: (9 units)*

- Business 1, Introduction to Business (3)
- Business 20, Principles of Marketing (3)
- Business 32, Business Communications (3)

*Concentration Courses: (9 units)*

- Business 26, Marketing Research and Consumer Behavior (3)
- Business 28, Marketing Promotion (3)
- Business 52, International Marketing (3)

*Select two additional courses from the following: (6 units)*

- Accounting 1, Principles of Accounting (5) or Accounting 21, Business Bookkeeping (3)
- Business 5, Business Law (3)
- Business 22, Introduction to Advertising (3)
- Business 23, Principles of Selling (3)
- Business 25, Advertising Display (3)
- Business 27, Introduction to E-Commerce (3)
- Business 28, Marketing Promotion (3)
- Business 45, Individual Financial Planning (3) (same as Accounting 45)
- Business 62, Human Relations and Ethical Issues in Business (3)
- CIS 1, Computer Concepts with Applications (3) or CIS 4, Introduction to Computers, Business Applications (3) [The CIS course is strongly recommended for students with few or no computer skills.]

**Merchandising (24 units)**

A Certificate of Achievement in Merchandising is granted upon completion of 24 required units listed under the Merchandising Associate degree.

**DEPARTMENT CERTIFICATES**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

**Automotive Technician – Introductory (9 units)**

Santa Monica College offers a 9-unit program to quickly prepare students for careers in the automotive maintenance field. Students who complete this certificate may seek immediate employment in the automotive industry, or they may elect to transfer their courses directly into NATEF-certified programs at other colleges, such as Cerritos College or Rio Hondo College.

Students must petition the Business department to obtain a Department Certificate in Introductory Automotive Technician.

*Required Courses: (9 units)*

- AUTO 40, Automotive Maintenance and Operations (3)
- AUTO 45, Automotive Braking Systems (3)
- AUTO 46, Automotive Electrical Systems (3)

*Recommended Course:*

- AUTO 50, Emerging and Alternative Automotive Technology (3)

**Business Entrepreneurship (12 units)**

*Required Courses:*

- Accounting 1, Principles of Accounting (5) or Accounting 21, Business Bookkeeping (3)
- Business 5, Business Law (3) or Business 32, Business Communications (3)
- Business 63, Principles of Entrepreneurship (3) and

*Select one additional course from the following:*

- Accounting 35, QuickBooks (3) *(same as CIS 35)*
- Business 27, Introduction to E-Commerce (3)
- Business 50, Introduction to International Business (3)
- Business 65, Management Principles (3)
- Business 80, Principles of Logistics (3)

**Business International (12 units)**

*Required Courses:*

- Business 50, Introduction to International Business (3)
- Business 52, International Marketing (3)
- Business 53, Importing and Exporting (3) and

*Select one additional course from the following:*

- Business 1, Introduction to Business (3)
- Business 32, Business Communications (3)
- Business 54, International Management (3)
- Business 80, Principles of Logistics (3)

**Business Logistics (12 units)**

*Required Courses:*

- Business 80, Principles of Logistics (3)
- Business 81, Transportation Management (3)
- Business 82, Supply Chain Management (3)
- Business 83, Operations Management (3)

*Recommended Courses:*

- Business 1, Introduction to Business (3)
- Business 51, Interultural Communication (3)
- Business 52, International Marketing (3)
- Business 53, Importing and Exporting (3)
Business Management (12 units)

Required Courses:
Business 1, Introduction to Business (3)
Business 20, Principles of Marketing (3)
Business 32, Business Communications (3)
Business 65, Management Principles (3)

Recommended Courses:
Accounting 1, Principles of Accounting (5)
Business 5, Business Law (3)
Business 51, Intercultural Communication* (3)
Business 54, International Management (3)
Business 62, Human Relations & Ethical Issues in Business (3)
Business 76, Human Resource Management (3)

Business Marketing (12 units)

Required Courses:
Business 1, Introduction to Business (3)
Business 20, Principles of Marketing (3)
Business 26, Marketing Research and Consumer Behavior (3)

Select one additional course from the following:
Business 22, Introduction to Advertising (3)
Business 23, Principles of Selling (3)
Business 28, Marketing Promotion (3)
Business 52, International Marketing (3)

Business Merchandising (12 units)

Required Courses:
Business 20, Principles of Marketing (3)
Business 21, Merchandising Principles (3)
Business 25, Advertising Display (3)

Select one additional course from the following:
Business 1, Introduction to Business (3)
Business 22, Introduction to Advertising (3)
Business 23, Principles of Selling (3)

Salon Business (11 units)

Required Courses:
Accounting 21, Business Bookkeeping (3)
Business 1, Introduction to Business (3) or Business 20, Principles of Marketing (3) or Business 65, Management Principles (3)
CIS 4, Introduction to Computers, Business Applications (3)
Cosmetology 64, Salon Management (2)

Chemistry

Chemists study the properties of matter and make qualitative and quantitative analysis of many substances. They conduct a variety of experiments and tests in laboratories to develop new knowledge or maintain control over the quality of existing products and procedures. Chemists may work in research and development, or production and quality control in the chemical manufacturing industry, and in education or government institutions.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

• University of California, Berkeley
  B.A./B.S. Chemistry
  B.S. Chemistry

• University of California, Davis
  A.B. Chemistry
  B.S. Chemistry

• University of California, Irvine
  B.S. Chemistry

• University of California, Los Angeles
  B.S. Chemistry

• University of California, Riverside
  B.A. Chemistry
  B.S. Chemistry
  B.S. Biochemistry

• University of California, San Diego
  B.S. Chemistry

• University of California, Santa Barbara
  B.S. Biochemistry
  B.A. Chemistry
  B.S. Chemistry

• California State University, Northridge
  B.A. Chemistry
  B.S. Biochemistry
  B.S. Chemistry

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

• Loyola Marymount University
  B.S. Chemistry
  B.S. Biochemistry

Cinema

See Film Studies
Communication

Communication majors will learn the dynamics of communication between individuals, groups and cultures and their application to the media. Communication integrates courses in interpersonal, intercultural, organizational and mass communication and public relations. There is a wide range of employment possibilities for students trained in the theory of communication in business, sales, public and personnel relations, and advertising. Students can prepare for careers in media news writing and editing, announcing, programming, publicity, community relations, directing and public relations.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions. Computer Information Systems

Computer Information Systems managers oversee a variety of administrative, clerical, and accounting functions necessary to efficiently run and maintain computerized business systems. Office workers use a variety of software to produce correspondence, maintain databases, manage projects, organize meetings, manage financial records, and create presentations. Students focusing on Web applications attain the skills to professionally design, develop, and manage websites.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Transfer requirements for CIS can be found on the Business major sheet available in the Transfer/Counseling Center or online at www.smc.edu/articulation.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Computer Information Systems (CIS) involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 27 semester units in the Computer Business Applications area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Computer Business Applications (27 units)

The Computer Business Applications certificate is a sequence of courses designed to prepare students for a variety of positions in today's automated office. Using the Microsoft Office Suite students learn to create, edit, format, and publish documents, spreadsheets, presentations, and databases. Students also develop skills necessary to handle basic accounting and bookkeeping procedures for small businesses.

Program Learning Outcomes: Upon completion of the program in Computer Business Applications, students will be able to analyze different type of business information, use the Internet to support findings, and use software applications to

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements. For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
produce various business reports and presentations used in industry.

**Required courses:**
- ACCTG 1, Accounting 1 (5) or ACCTG 21, Business Bookkeeping (3)
- BUS 1, Introduction to Business (3)
- CIS 1, Computer Concepts with Applications (3)
- CIS 4, Introduction to Computers with Business Applications (3)
- CIS 32, Microsoft Access (3)
- CIS 35, QuickBooks (3)

Select 6 units from the following courses:
- CIS 9A, Technology Project Management I (3)
- CIS 34, Advanced Excel with Visual Basic for Applications (3)
- CIS 37A, Microsoft Word I (3)
- CIS 39, Microsoft Outlook–Comprehensive Course (3)
- CIS 50, Internet, HTML, and Web Design (3)
- OFTECH 1, Keyboarding 1 (3) or OFTECH 10, Skill Building on the Keyboard (3)
- OFTECH 5, English Skills for the Office (3)

**Website Software Specialist (37 units)**

A Website Software Specialist designs, develops, and manages websites with the skills needed to be successful in today’s job market. A Website Software Specialist needs to be knowledgeable in variety of Internet technologies (HTML, CSS, JavaScript, and server-side scripting such as ASP or Perl), as well as Web authoring applications such as Dreamweaver, Fireworks, Flash, and Photoshop. They are primarily responsible for developing user friendly and interactive Web pages, integrating and optimizing different multimedia components, and implementing hosting, publishing, and development workflow strategies.

**Program Learning Outcomes:** Students who complete this program will learn a variety of Internet technologies and web-authoring tools for website development and maintenance. Students will gain the necessary knowledge and skills for designing, developing, and managing websites.

**Required Core Courses: (18 units)**
- CIS 1, Computer Concepts with Applications (3)
- CIS 50, Internet, HTML, and Web Design (3)
- CIS 51, XHTML CSS and Accessibility (3)
- CIS 54, Web Page Development and Scripting (3)
- CIS 59A, Dreamweaver I (3)
- CIS 60A, Photoshop I (3)

**Required Concentration Courses: (13 units)**
- CIS 56, Web Media Production (3)
- CIS 57, Website Planning and Production (3)
- CIS 59B, Dreamweaver II (3)
- CIS 62A, Flash I (3)
- CIS 88A, Independent Study (1)

Select two of the following courses to total 37 units: (6 units)
- CIS 55, Advanced Web Page Development & Scripting (3)
- CIS 62B, Flash II (3)
- CIS 66, Flex (3)

**CERTIFICATES OF ACHIEVEMENT**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

**At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.**

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

PLEASE NOTE: These Certificates of Achievement may be expanded into Associate degrees by completing a total of 60 units that include the general education requirements and recommended courses from the certificate areas.

**Computer Business Applications (27 units)**

A Certificate of Achievement is granted in Computer Business Applications upon completion of the 27 required units listed under Computer Business Application Associate degree.

**Web Software Specialist (37 units required)**

A Certificate of Achievement is granted in Website Software Specialist upon completion of the 37 required units listed under Website Software Specialist Associate degree.

**DEPARTMENT CERTIFICATES**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

**At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.**

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

**Desktop Publishing (17 units)**

Using computer software, such as Adobe Photoshop, Adobe InDesign, and Microsoft Word, desktop publishing specialists format and combine text, numerical data, photographs, charts, drawings, and other visual graphic elements to produce publication-ready material. Depending on the nature of the project, desktop publishing specialists may also write and edit text, create graphics to accompany text, convert photographs and drawings into digital graphics, manipulate the converted images, and design page layouts.

**Required Courses: (16 units)**
- CIS 36P, Microsoft PowerPoint (1)
- CIS 37A, Microsoft Word I (3)
- CIS 40, InDesign (3)
- CIS 60A, Photoshop I (3)
- CIS 64, Illustrator (3)
- OFTECH 5, English Skills for the Office (3) and OFTECH 5C, Proofreading (1)
Website Creator (15 units)
This certificate provides students with the basic skills needed to create websites. Students will use Web authoring programs for Web page creation and site management. They will extend their skills in the development of websites through the use of XHTML, cascading style sheets, and client and server-side scripting. Focus will be on the creation of effective user interfaces and website design principles using various state-of-the-art technologies for the Web. Upon completing this certificate, students will be ready to plan, build, promote, and maintain professional websites.

Required Courses: (15 units)
CIS 50, Internet, HTML, and Web Design (3)
CIS 51, XHTML CSS and Accessibility (3)
CIS 54, Web Page Development and Scripting (3)
CIS 59A, Dreamweaver I (3)
CIS 60A, Photoshop I (3)

Website Development Management (16 units)
A certificate in Website Development Management aims to provide Computer Information Systems students with the knowledge needed to develop website projects in a real-world setting. Students learn how to develop websites while applying the skills needed to plan and budget resources in development projects from conceptual design to deployment.

Required Courses: (16 units)
CIS 9A/CS 9A, Technology Project Management I (3)
CIS 9B/CS 9B, Technology Project Management II (3)
CIS 56, Web Media Production (3)
CIS 57, Website Planning and Production (3)
CIS 62A, Flash I (3)
CIS 88A, Independent Study (1)

Word Processing (15 units)
This certificate prepares students for both entry-level and advanced word processing positions in a variety of office settings. It also serves as a foundation for specialization in fields such as legal transcription and desktop publishing. The Word Processing Certificate includes courses in rapid and accurate keyboarding, document editing and formatting, advanced word processing techniques. English skills for the office, and an overview of the Microsoft Office Suite.

Required courses: (12 units)
CIS 4, Introduction to Computers with Business Applications (3)
CIS 37A, Microsoft Word I (3)
CIS 37B, Microsoft Word II (3)
OFTECH 5, English Skills for the Office (3)
Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding I (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skill Building on the Keyboard (3)

Computer Science

The field of computer science leads to a variety of careers that all require core computer science skills. These skills include theory courses such as Computer Hardware, Data Structures, and Networks, as well as programming in different computer languages. Thereafter, within the field, areas of specialty lead into careers including software development, project management, system analysis, and maintenance among other areas. With the Internet being an integral part of everyday life, Web page authoring and Web application development have been other areas of high demand in the job market.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER
Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Computer Science involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 34 semester units in the Computer Science, or 27-29 units in the Computer Programming, or 33 units in the Database Applications Developer, or 30 units in the Web Programmer area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Computer Science (34 units)

Computer Science majors cover a broad spectrum of courses ranging from core computer science to a variety of branch fields of computer science. This major provides the student with the basic skills required of core computer science. Courses include programming in low-level and essential languages, Database Theory, Operating Systems Fundamentals, Computer Hardware and Data Structures. Students finishing this major are well equipped to work in the field of computer science as well as transfer to a four-year degree program in this area.

Program Learning Outcomes: Upon completion of this course of study in Computer Science, students will manage projects, analyze systems, develop software, and program in a variety of computer languages; author Web pages and develop Web applications; utilize networks and computer hardware; and create and manipulate data structures and databases.

Required Core Courses: (28 units)
CS 3, Introduction to Computer Systems (3)
CS 17, Assembly Language Programming (3)
CS 40, Operating Systems (3)
CS 42, Computer Architecture (3)
CS 50, C Programming (3)
CS 60, Database Concepts and Applications (3)
Math 7, Calculus 1 (5)
Math 8, Calculus 2 (5)

Required Concentration Courses; select one of the following groups:
GROUP 1: CS 52, C++ Programming (3) and CS 20A, Data Structures with C++ (3)
GROUP 2: CS 55, Java Programming (3) and CS 20B, Data Structure with Java (3)

Computer Programming (27-29 units)

A computer programmer is a professional who is skilled in writing medium to large-scale computer applications. This requires the knowledge and practice of a multitude of areas in Computer Science. This certificate focuses on learning and using advanced programming techniques to build software applications. In addition, it covers core computer science concepts such as Operating Systems and Database Theory.

Program Learning Outcomes: Upon completion of this course of study in Computer Programming, students will design, code, test, and debug computer programs. They will understand and use the Internet and World Wide Web, application software, the components of the system unit, input, output, storage, operating systems and utility programs, communications and networks, database management, information systems development, and project management. They will also explain the social implications of technological development, and understand the capabilities of current day computers and the possibilities for the future.

Required Core Courses: (17 units)
CS 3, Introduction to Computer Systems (3)
CS 40, Operating Systems (3) or CS 80, Internet Programming (3)
CS 50, C Programming (3)
CS 60, Database Concepts and Applications (3)
Math 20, Intermediate Algebra (5) (or higher level courses)

Required concentration courses; select two of the following groups:
GROUP 1: CS 15, Visual Basic Programming (3) and CS 19, Advanced Visual Basic Programming (3)
GROUP 2: CS 81, JavaScript and Dynamic HTML (3) and CS 82, ASP.NET Programming in C# (3) or CS 83, Server-Side Java Web Programming (3) or
Majors and Areas of Emphasis

programming which makes Web pages interactive or allows management. They are chiefly responsible for providing the Microsoft .Net platform), networking, and database technologies (HTML, CSS, XML, JavaScript, Perl/CGI, Java, JSP, PHP, and the Microsoft .Net platform), networking, and database management. They are chiefly responsible for providing the programming which makes Web pages interactive or allows users to interact with back-end applications and databases. Web programmers are instrumental in making electronic commerce on the Internet possible.

Program Learning Outcomes: Upon completion of this course of study in Web Programmer, students will design and develop applications and scripts for the World Wide Web, and provide the programming which makes Web pages interactive or allows users to interact with back-end applications and databases.

Required Courses: (18 units)
- CS 3, Introduction to Computer Systems (3)
- CS 60, Database Concepts and Applications (3)
- CS 70, Networking Theory and Essentials (3)
- CS 80, Internet Programming (3)
- CS 81, JavaScript and Dynamic HTML (3)
- CS 84, Programming with XML (3) or CS 86, Android Development (3)

Select one of the following two groups: (6 units)
- CS 15, Visual Basic Programming (3) and CS 19, Advanced Visual Basic Programming (3) or
- CS 55, Java Programming (3) and CS 56, Advanced Java Programming (3)

Select one of the following courses: (3 units)
- CS 32, Database Programming in VB.NET (3)
- CS 61, Microsoft SQL Server Database (3) or
- CS 65, Oracle Programming (3)

Select one of the following courses: (3 units)
- CS 37, Web Programming in VB.NET (3) or CS 82, ASP.NET Programming in C# (3) or
- CS 83, Server Side Java Web Programming (3) or CS 85, PHP Programming (3)

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Computer Science (34 units)

A Certificate of Achievement is granted in Computer Science for transfer upon completion of the 34 required units listed under Computer Science Associate degree.

Computer Programming (27-29 units)

A Certificate of Achievement is granted in Computer Programming upon completion of the 27-29 required units listed under the Computer Programming Associate degree.

Database Applications Developer (33 units)

A Certificate of Achievement is granted in Database Applications Developer upon completion of the 33 required units listed under the Database Applications Developer Associate degree.
DEPARTMENT CERTIFICATES

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

Computer Programming (12 units)

This certificate provides the student with the basic skills needed to enter the world of programming. It covers a range of programming language courses that expose the student to the spectrum of different languages that are popular today.

Required Courses: (12 units)
- CS 3, Introduction to computer applications (3)
- CS 15, Visual Basic (3)
- CS 17, Assembly Language Programming (3)
- CS 52, C++ Programming (3)

Information Systems Management (13 units)

A certificate in IS Management aims to provide Computer Science students with the knowledge needed to develop Information Systems in a real-world setting. Students learn how to develop medium to large scale applications while applying the skills needed to plan and budget resources in development projects from conceptual design to deployment.

Required Courses: (10 units)
- CS 9A/CIS 9A, Technology Project Management I (3)
- CS 9B/CIS 9B, Technology Project Management II (3)
- CS 15, Visual Basic Programming (3)
- CS 88A, Independent Study (1)

Selected one course from the following:
- CS 19, Advanced Visual Basic Programming (3) or
- CS 22, Introduction to Mobile Robots (3)
- CS 23, Expert Systems and Chatbots (3)
- CS 25, Embedded Systems (3)
- CS 42, Computer Architecture (3)
- CS 88A, Independent Study (1)

Networking (17 units)

The IT world is integrated by networks. Success in IT disciplines like database, website, or e-commerce development demands a supporting grasp of the network environment. Major technologies are the networks themselves, their fit within the operating platforms they connect to, specific network applications, and measures to achieve networks security.

Network engineers and other qualified IT specialists must understand the various protocols, programs’ interfaces to them, how networks are presented and managed on Unix and Windows platforms, specific server programs and their clients, and what the inherent risks are.

Required Courses: (17 units)
- CS 9A, Technology Project Management I (3)
- CS 9B, Technology Project Management II (3)
- CS 15, Visual Basic Programming (3)
- CS 17, Assembly Language Programming (3)
- CS 52, C++ Programming (3)
- CS 9A/CIS 9A, Technology Project Management I (3)
- CS 9B/CIS 9B, Technology Project Management II (3)
- CS 15, Visual Basic Programming (3)
- CS 88A, Independent Study (1)

Cosmetology

The world around us is an exciting place of color, shape and beauty. In the Cosmetology Department at Santa Monica College, we bring this beauty to reality. We welcome you to join our program where you can obtain the education to succeed in the cosmetology, skin care, and nail care industries. These well-established programs will prepare you for a professional career, a career change or advancement in your existing career.

We offer a variety of courses to help you obtain that goal you have been dreaming about. The cosmetology program is an exciting one and may lead you to a career as a platform artist, educator, stylist, colorist, salon owner, sales representative, and makeup artist, as well as offer you the opportunity to work in the television and movie industries, on cruise ships, and in many other wonderful professions.

Our program prepares you to take the state board examination for a cosmetology license after completing 1600 hours, a skin care license after completing 600 hours, or a nail care license after completing 400 hours. Santa Monica College also offers an Associate degree in cosmetology.

High school students in the 11th and 12th grades may begin this program concurrently with the high school program when approved by the high school principal.

Information regarding the cosmetology program is available in the Cosmetology Department, (310) 434-4292, and through the SMC website (www.smc.edu).
ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Cosmetology involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 37 semester units in the Cosmetology area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each of the following courses in the area of emphasis (major) must be completed with a grade of C or higher, to total 1600 hours and a minimum of 37 units:

**Cosmetology (37 units)**

Required Courses:
- Cosmetology 10, 20, 30, 40, 50A, 50B, 50C, Related Science courses
- Cosmetology 11A, 21A, 31A, 42, Haircutting courses
- Cosmetology 11B, 21B, 31B, Hairstyling courses
- Cosmetology 11C, 21C, 31C, Hair Coloring courses
- Cosmetology 11D, 21D, Permanent Wave courses
- Cosmetology 14, 24, Curly Hair Techniques courses
- Cosmetology 16, 26, 36, Nail Care courses
- Cosmetology 18, 28A, 28B, 38, 48, 48B, Skin Care courses
- Cosmetology 64, Salon Management

In order to fulfill required hours, operations, and/or units, select one or more of the following salon courses:
- COSM 29, 39, 49, 59, 69, Salon courses

Additional graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

**Cosmetology (37 units)**

A Certificate of Achievement in Cosmetology is awarded to students who have completed 37 required units listed under Cosmetology Associate degree.

**DEPARTMENT CERTIFICATES**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

**Skin Care (16 units)**

A Department Certificate in Skin Care will be awarded to students who complete 600 hours of skin care courses.

Required Courses:
- Cosmetology 10, Introduction to Cosmetology and Related Science (2 units)
- Cosmetology 18, Skin Care 1 (.5)
- Cosmetology 20, 30, Related Science courses (3)
- Cosmetology 28A, 28B, 38, Skin Care courses (1.5)
- Cosmetology 48, 48B, Skin Care courses (1)

In order to fulfill required hours, operations, and/or units, select one or more of the following salon courses:
- COSM 29, 39, 49, 59, 69, Salon courses

**Nail Care (14 units)**

A Department Certificate in Nail Care will be awarded to students who complete 400 hours of nail care courses.

Required Courses:
- Cosmetology 10, Introduction to Cosmetology and Related Science (2)
- Cosmetology 16, 26, 36, Nail Care courses (1)
- Cosmetology 20, 60, Related Science courses (2)

In order to fulfill required hours, operations, and/or units, select one or more of the following salon courses:
- COSM 29, 39, 49, 59, 69, Salon Classes

**Salon Business (11 units)**

This Certificate in Salon Business will aid cosmetologists, estheticians, and manicurists in establishing and running their own business and salon.

Required Courses:
- Accounting 21, Business Bookkeeping (3)
- CIS 4, Business Applications (3)
- Cosmetology 64, Salon Business (2)
- Business 1, Introduction to Business (3) or Business 20, Principles of Marketing (3) or Business 65, Management Principles (3)

**Teacher Training (16 units)**

This certificate is designed to prepare the licensed cosmetologist for a teacher career in the public and private sectors of cosmetology. It is recommended that the student have a Cosmetology license and at least one year experience working in a salon as a professional cosmetologist. The certificate will be
awarded to students who complete 600 hours of the following courses.

Required Courses: To fulfill required hours, operations, and/or units, select one or more of the following salon courses:
Cosmetology 71, Cosmetology Instructional Methods (1,1)
Cosmetology 72, Applied Instructional Techniques (1)
Cosmetology 73, Cosmetology Instructional Materials (1)
Cosmetology 74, Techniques of Assessment (1)
Cosmetology 75A,B,C,D Instructional Techniques in Salon (1-4)

Dance

Dancers use their bodies in dance movements to create an art form that can interpret an idea or a story, or it may be purely physical expressions of rhythm and sound. Dancers often combine performing with teaching or turn to teaching after their career as professional dancers are over. Choreographers create and design original dance steps and moves for dancers. They may work in a variety of types of dance such as motion picture, television, stage performances, musical shows, and in the ballet. Dancers may also combine their interests in social service to become dance or movement therapists.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Irvine
  B.A. Dance
  B.F.A. Choreography Specialization
  B.F.A. Choreography and Performance Specification
- University of California, Riverside
  B.A. Dance
- University of California, Santa Barbara
  B.A. Dance
  B.F.A. Dance

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Cornish College of the Arts (Seattle, WA)
  B.F.A. Dance
- Loyola Marymount University
  B.A. Dance, Performance Track
  B.A. Dance, Generalist Track

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Dance involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 22 semester units in the Dance area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Dance (22 units)

Program Learning Outcomes: Students develop an appreciation of the aesthetics inherent in dance and learn to respect dance in all cultures. Students acquire the historical knowledge, necessary technical skills, and knowledge in a particular style of dance, as well as observation/analysis of dance presented on the stage or in media. Students implement critical thinking skills and kinesthetic awareness through creative experience in class, learning to communicate through the power of movement, and discovering self-motivation.

Required courses:
Dance 5, Dance History (3)
Dance 7, Music for Dance (3)
Dance 33, 34, 35, 36, Ballet* (2,2,2,2)
Dance 43, 44, 45, 46, Modern Dance* (2,2,2,2)

*If necessary, certification of exemption from Dance courses must be approved by Dance Department and filed with the petition for graduation.

SMC DANCE DEPARTMENT RECOMMENDED COURSES FOR TRANSFER

Students should check www.smc.edu/articulation or www.assist.org for individual campus requirements.

Dance 9, Dance Production
Dance 20, Ethnic Dance
Dance 37, Pointe
Dance 55A, Dance Performance-Modern (3,3,3,3) and

Dance 55B, Dance Repertory-Modern (1,1,1,1) and

Modern Dance Staging (1,1,1,1)
Dance 57A, World Dance Performance (3,3,3,3) and

57B, Repertory Ethnic Dance (1,1,1,1)
Dance 59A, Dance Performance-Ballet (3,3,3,3)
Dance 60, Fundamentals of Choreography 1 (2,2)
Dance 61, Fundamentals of Choreography 2 (2,2)
Dance 62, Fundamentals of Choreography 3 (2,2) and

Dance 63, Fundamentals of Choreography 4 (2)

Recommended Electives:
Dance 14, Beginning Modern Jazz Dance (1,1,1,1)
Dance 15, Intermediate Modern Jazz (1,1,1,1)
Dance 16, Advanced Modern Jazz (1,1,1,1)

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.
For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Majors and Areas of Emphasis

possibilities may include serving as an early childhood educator with a specialization in working with children with special needs, special education assistant for children birth to eight years of age, a one-to-one aide for a child (e.g., “inclusion facilitator”), classroom aide with expertise in special needs, or as an assistant to the early intervention team for infants birth to three years of age.

Program Learning Outcomes: Students completing a degree or certificate in Early Childhood Education will know the essential concepts, inquiry tools, and structure of the content areas in children’s learning, and will identify appropriate resources. Students prepared in the education training programs will design developmentally effective approaches and design experiences that promote learning for children while integrating their understanding of relationships with children and families.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- California Polytechnic State University, San Luis Obispo
  B.S. Child Development

- California State University, Dominguez Hills
  B.S. Child Development

- California State University, Long Beach
  B.A. Family and Consumer Sciences with option in Child Development and Family Studies

- California State University, Los Angeles
  B.A. Child Development General option

- California State University, Northridge
  B.A. Child Development

- San Francisco State University
  B.A. Child and Adolescent Development

- Kaplan University
  B.S. Psychology/Child Development

- Mount Saint Mary’s College
  B.A. Child Development

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Early Childhood Education involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 30 semester units in the Early Childhood Education, or 27 semester units in the Early Childhood Intervention Assistant, or 41 semester units in the Early Childhood Intervention Teacher area of emphasis (articulated below), fulfillment of the Global

Early Childhood Education

Formerly Child Development

Early Childhood Education majors will be trained to supervise and provide care and learning experiences for infants through eight-year-old children in a variety of early childhood settings. Early Childhood Education professionals adhere to the guidelines as well as the Professional Code of Ethics of the National Association for the Education of Young Children (NAEYC) providing developmentally appropriate learning opportunities for the enhancement of the physical, intellectual, social, emotional and creative domains of young children.

The Early Childhood Education major focuses on educational practices that emphasize interpersonal relationships, cultural diversity, child-centered curriculum and the inclusion of children with special needs in all educational opportunities.

The Early Childhood Education Program major follows a natural progression that allows students to move from short to long-term educational goals: preparation for the state Children’s Center Permit, fulfillment of post-certificate Professional Development, completion of advanced California Career Ladder courses (including paired specialization courses as well as the California State Mentor course), completion of an Associate degree in Early Childhood Education, Associate degree in Early Childhood Intervention assistant, Associate degree in Early Childhood Intervention Teacher, and transfer to a four-year institution.

Possible Early Childhood Education career goals include Early Childhood Education Teacher, Early Education Director, Early Childhood Intervention Assistant, Early Childhood Intervention Teacher, Family Home Child Care Provider, Private ECE Center Owner/Director, Early Childhood Special Education Teacher, K through 12 teacher, K through 12 Special Education Teacher, Parent Educator, Early Childhood Education Instructor, Marriage Family and Child Counselor.

The Early Childhood Intervention programs will prepare students for career placements in public and/or private early intervention and educational settings that serve typically and atypically developing young children. Specific jobs and responsibilities may include serving as an early childhood educator with a specialization in working with children with special needs, special education assistant for children birth to eight years of age, a one-to-one aide for a child (e.g., “inclusion facilitator”), classroom aide with expertise in special needs, or as an assistant to the early intervention team for infants birth to three years of age.

Program Learning Outcomes: Students completing a degree or certificate in Early Childhood Education will know the essential concepts, inquiry tools, and structure of the content areas in children’s learning, and will identify appropriate resources. Students prepared in the education training programs will design developmentally effective approaches and design experiences that promote learning for children while integrating their understanding of relationships with children and families.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Early Childhood Education (30 units)**

*Required Core Courses: (24 units)*
- Early Childhood Education 2, Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Early Childhood Education 21, Observation and Assessment (4)
- Early Childhood Education 22, Early Childhood Education Field Experience (5)
- Early Childhood Education 45, Children with Special Needs (3)
- Early Childhood Education 64, Health, Safety and Nutrition for Young Children (3)
- Psychology 11, Child Growth and Development (3)

*Required Curriculum Courses; select two courses from the following: (6 units)*
- Early Childhood Education 4, Language and Literature for the Young Child (3)
- Early Childhood Education 5, Math and Science for the Young Child (3)
- Early Childhood Education 8, Creative Experience – Art, Music and Movement (3)
- Early Childhood Education 17, Introduction to Curriculum (3)

*Recommended Courses:*
- Bilingual 1, Introduction to Bilingual Studies (3)
- Early Childhood Education 9, Introduction to School-Age Child Care (3)
- Early Childhood Education 10, Developing Literacy (3)
- Early Childhood Education 18, Childhood: Culture and Personality (also Psychology 18) (3)
- Early Childhood Education 20, High Scope Curriculum (3)
- Early Childhood Education 23, Practicum in Early Intervention (5)
- Early Childhood Education 30, Children with Challenging Behaviors (3)
- Early Childhood Education 31, Communication with Families (2)
- Early Childhood Education 35, Foundations of Early Literacy (3)
- Early Childhood Education 43, Supervision and Administration 2 (3)
- Early Childhood Education 44, Introduction to Family Day Care (1)

Early Childhood Education 45, Children with Special Needs (3)
Early Childhood Education 46, Infant Through Toddler Studies (3)
Early Childhood Education 47, Developing Family Childcare (3)
Early Childhood Education 48, Adult Supervision and Mentoring, ECE/CD (2)
Early Childhood Education 49, Early Intervention Strategies (3)
Early Childhood Education 50A, Parenting Skills Development (1)
Early Childhood Education 51, The Reggio Approach (3)
Early Childhood Education 52, Documentation: Making Learning Visible (1)
Early Childhood Education 53, Environment as the Third Teacher (1)
Early Childhood Education 60, Observation and Assessment (3)
Early Childhood Education 75, Dance for Children: Creative Dance in Pre-K & Elementary Classroom (3)
Early Childhood Education 84, Early Childhood Educator's Seminar (1)
Early Childhood Education 89 A, B, C, or D, Cooperative Work Experience (1, 2, 3 or 4)
Education 1, Career Choices in Education (3)
Education 2, The Early Childhood Through 12th Grade Teaching Experience (3)
Education 20, Exceptional Children in School (3)
Education 24, Paraeducator Fieldwork Experience (5)
Psychology 1, General Psychology (3)

**Early Childhood Intervention Assistant (27 units)**

*Required Courses:*
- Early Childhood Education 2, Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Early Childhood Education 21, Observation and Assessment (4)
- Early Childhood Education 23, Practicum in Early Intervention (5)
- Early Childhood Education 45, Children with Special Needs (3)
- Early Childhood Education 46, Infant Through Toddler Studies (3)
- Early Childhood Education 49, Early Intervention Strategies (3)
- Psychology 11, Child, Growth & Development (3)
- First Aid/CPR Training

**Early Childhood Intervention Teacher (41 units)**

*Required Courses: (21 units)*
- Early Childhood Education 2, Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Early Childhood Education 45, Children with Special Needs (3)
- Early Childhood Education 46, Infant Through Toddler Studies (3)
Early Childhood Education 49, Early Intervention Strategies (3)
Early Childhood Education 64, Health, Safety and Nutrition for Young Children (3)
Psychology 11, Child Growth and Development (3)

Required Curriculum Courses; select two courses from the following: (6 units)
Early Childhood Education 4, Language and Literature for the Young Child (3)
Early Childhood Education 5, Math and Science for the Young Child (3)
Early Childhood Education 8, A Creative Experience: Art, Music and Movement (3)
Early Childhood Education 61, Teacher/Child Interactions (3)

Required Practicum Courses: (14 units)
Early Childhood Education 21, Observation and Assessment (4)
Early Childhood Education 22, Early Childhood Education Field Experience (5)
Early Childhood Education 23, Practicum in Early Intervention (5)

Early Childhood Master Teacher (35 units)

Upon successful completion of the Early Childhood Master Teacher certificate or degree, the student demonstrates knowledge, training, and skills to be a master teacher in a privately or publicly funded child care center in accordance with the Child Development Permit Matrix issued by the California Commission of Teacher Credentialing. Skills demonstrated and practiced by the student include the ability to provide instruction to young children utilizing knowledge of a specialized area of early childhood education, supervise adults in the classroom, and coordinate curriculum and staff development.

PLEASE NOTE: The State of California also requires 350 days of experience working in a child care program to apply for a Master Teacher Permit.

Santa Monica College Early Childhood Education (ECE) courses are expected to adhere to the guidelines and the Professional Code of Ethics of the National Association for the Education of Young Children (NAEYC) with regard to providing developmentally appropriate learning opportunities that enhance the physical, intellectual, socioemotional, and creative domains of young children. It also focuses on evidence-based educational practices that emphasize interpersonal relationships, cultural diversity, child-centered curriculum, and the inclusion of children with special needs in all educational opportunities.

The ECE Master Teacher certificate and degree follow a natural progression that allows students to move from short-to long-term educational goals: preparation for the Child Development Permit, fulfillment of post-certificate professional development, completion of advanced California Career Ladder courses, and transfer to a baccalaureate institution.

Possible ECE career positions include ECE Teacher/Director; Licensed Family Child Care Provider; Private ECE Director/Owner; Parent Educator, After School Program staff, or Instructional Aide in an elementary school setting; Owner/Operator of a Child Care Center; and Program/Center Director.

Required Courses: (29 units)
Early Childhood Education 2, Principles and Practices of Teaching Young Children (3)
Early Childhood Education 11, Child, Family and Community (3)
Early Childhood Education 17, Introduction to Curriculum (3)
Early Childhood Education 19, Teaching in a Diverse Society (3)
Early Childhood Education 21, Observation and Assessment (4)
Early Childhood Education 22, Early Childhood Education Field Experience (5)
Early Childhood Education 48, Adult Supervision and Mentoring, ECE/CD (2)
Early Childhood Education 64, Health, Safety and Nutrition for Young Children (3)
Psychology 11, Child Growth and Development (3)

Required Specialization (Curriculum) Courses; select two courses from the following: (6 units)
Early Childhood Education 4, Language and Literature for the Young Child (3)
Early Childhood Education 5, Math and Science for the Young Child (3)
Early Childhood Education 8, A Creative Experience: Art, Music and Movement (3)

Required Specialization (Early Intervention) Courses; must take both courses: (6 units)
Early Childhood Education 45, Children with Special Needs (3)
Early Childhood Education 49, Early Intervention Strategies (3)

Required Specialization (Reggio Emilia Approach) Courses; must take all courses: (6 units)
Early Childhood Education 51, The Reggio Approach (3)
Early Childhood Education 52, Documentation: Making Learning Visible (1)
Early Childhood Education 53, Environment as the Third Teacher (1)
Early Childhood Education 88 A, Independent Study in Early Childhood Education (1)

Required Specialization (ECE Administration) Courses; must take both courses: (6 units)
Early Childhood Education 41, Supervision and Administration of Early Childhood Programs (3)
Early Childhood Education 43, Supervision and Administration 2 (3)

NOTE: Students must complete an additional 16 general education units In addition to the above courses in order to obtain their Child Development Master Teacher Permit.

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment.
Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Early Childhood Education (30 units)

Required Core Courses: (24 units)
- Early Childhood Education 2 Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Early Childhood Education 21, Observation and Assessment (4)
- Early Childhood Education 22, Early Childhood Education Field Experience (5)
- Early Childhood Education 45, Children with Special Needs (3)
- Early Childhood Education 64, Health, Safety and Nutrition for Young Children (3)
- Psychology 11, Child Growth and Development (3)

Required Curriculum Courses; select two courses from the following: (6 units)
- Early Childhood Education 4 Language and Literature for the Young Child (3)
- Early Childhood Education 5, Math and Science for the Young Child (3)
- Early Childhood Education 8, A Creative Experience: Art, Music and Movement (3)
- Early Childhood Education 17, Introduction to Curriculum (3)

Early Childhood Intervention Assistant (27 units)

Required Courses:
- Early Childhood Education 2 Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Early Childhood Education 21, Observation and Assessment (4)
- Early Childhood Education 22, Early Childhood Education Field Experience (5)
- Early Childhood Education 45, Children with Special Needs (3)
- Early Childhood Education 64, Health, Safety and Nutrition for Young Children (3)
- Psychology 11, Child Growth and Development (3)
- First Aid/ CPR Training

Early Childhood Intervention Teacher (41 units)

A Certificate of Achievement is granted upon completion of 30 required units listed under Early Childhood Intervention Teacher Associate degree.

Early Childhood Intervention Teacher (41 units)

A Certificate of Achievement is granted upon completion of 30 required units listed under Early Childhood Master Teacher Associate degree.

DEPARTMENT CERTIFICATES

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

Early Childhood Education Core (12 units)

This Department Certificate mirrors the courses required to obtain the Associate Teacher Permit according to the Child Development Permit Matrix issued by the California Commission of Teaching Credentialing. The 12 core units are the minimum required for employment in a California Community Care Licensed program.

Students who desire to work in an early childhood setting are required to complete—at a minimum—these core courses.

Required Courses: (9 units)
- Early Childhood Education 2 Principles and Practices of Teaching Young Children (3)
- Early Childhood Education 11, Child, Family and Community (3)
- Psychology 11, Child Growth and Development (3)

Select one additional course from the list below: (3 units)
- Early Childhood Education 4 Language and Literature for the Young Child (3)
- Early Childhood Education 5, Math and Science for the Young Child (3)
- Early Childhood Education 8, A Creative Experience: Art, Music and Movement (3)
- Early Childhood Education 17, Introduction to Curriculum (3)

School-Age Intervention Assistant (14 units)

This Department Certificate is designed for students who wish to work as a paraprofessional in the K-12 school system. The Department Certificate also provides students interested in the field of education—particularly the field of special education—with an opportunity to obtain supervised fieldwork experience working with children with special needs.

There is a nationwide shortage of special education teachers. This certificate provides training and career development opportunities for students who wish to obtain a special education teaching credential. Students who plan to enter a special education teaching credential program at a 4-year college or university are required to have supervised fieldwork experience with children with special needs. These courses and certificate provide the required experience.

Required Courses: (14 units)
- Early Childhood Education 45, Children with Special Needs (3)
- Education 20, Exceptional Children in School (3)
- Education 24, Paraeducator Fieldwork Experience (5)
- Psychology 11, Child Growth and Development (3)
To Teach in a Licensed Early Childhood Center

Each course must be completed with a grade of C or higher.

Required Core Courses: (12 units)
Early Childhood Education 2, Principles and Practices of Teaching Young Children (3)
Early Childhood Education 11, Child, Family and Community (3)
Early Childhood Education 5, Math and Science for the Young Child (3) or Early Childhood Education 8, A Creative Experience: Art, Music and Movement (3) or Early Childhood Education 4, Language and Literature for the Young Child (3)
Psychology 11, Child Growth and Development (3)

The State Department of Social Services requires certain educational standards as part of the licensing of child development programs under their jurisdiction. Please refer to the matrix below for state requirements. (Please consult with Department for further details).

EARLY CHILDHOOD EDUCATION/CHILD DEVELOPMENT PERMIT MATRIX

Please call the California Commission on Teacher Credentialing at (888) 921-2682 or go to www.ctc.ca.gov/credentials/leaflets.html for more information.

Assistant (optional)

Education Requirement: 6 units of Early Childhood Education (ECE) or Child Development (CD)
Experience Requirement: None
Alternative Qualifications: Accredited HERO Program (including ROP); or CTC-approved training.
Authorization: Assist in the instruction of children under supervision of Associate Teacher or above.
Five Year Renewal: 105 hrs. of professional growth

Associate Teacher

Education Requirement: 12 units of ECE/CD including core courses**
Experience Requirement: 50 days of 3+ hours per day within 2 years
Alternative Qualifications: Child Development Associate (CDA) Credential; or CTC-approved training
Authorization: May provide instruction and supervises Assistant.
Five Year Renewal: Must meet teacher requirements within 10 years.

Teacher

Education Requirement: 24 units ECE/CD including core courses** + 16 GE units*
Experience Requirement: 175 days of 3+ hours per day within 4 years
Alternative Qualifications: AA or higher in ECE or related field w/ 3 semester units of supervised field exp. in ECE setting; or CTC-approved training
Authorization: May provide instruction and supervise all above (Include. Aide).
Five Year Renewal: 105 hrs. of professional growth

Master Teacher

Education Requirement: 24 units ECE/CD including core courses** +16 GE units* +6 specialization units; +2 adult supervision units
Experience Requirement: 350 days of 3+ hours per day within 4 years, including at least 100 days of supervising adults
Alternative Qualifications: B.A. or higher w/ 12 units of ECE, +3 semester units of supervised field exp. in ECE setting; or CTC-approved training
Authorization: May provide instruction and supervise all above (Include. Aide). May also serve as coordinator of curriculum and staff development
Five Year Renewal: 105 hrs. of professional growth

Site Supervisor

Education Requirement: Associate degree (or 60 units) with 24 ECE/CD units (including core**); +6 units administration; +2 units adult supervision
Experience Requirement: 350 days of 3+ hours per day within 4 years, including at least 100 days of supervising adults
Alternative Qualifications: B.A. or higher with 12 units of ECE, +3 semester units of supervised field exp. in ECE setting. Teaching or Admin. Credential*** with 12 units of ECE, +3 units supervised field exp. in ECE setting, or CTC-approved training
Authorization: May supervise single site program, provide instruction; and serve as coordinator of curriculum and staff development
Five Year Renewal: 105 hours of professional growth

Program Director

Education Requirement: B.A. with 24 ECE/CD units (Including core**) +6 units administration; +2 units adult supervision
Experience Requirement: Site supervisor status and one program year of site supervisor experience
Alternative Qualifications: Teacher or Admin. Credential*** with 12 units of ECE +3 units supervised field exp. in ECE setting; or CTC-approved training
Authorization: May supervise multiple site program; provide instruction; and serve as coordinator of curriculum and staff development
Five Year Renewal: 105 hours of professional growth

*One course in each of the following general education categories required: English, math and/or science, social science, humanities and/or fine arts.
**Core courses = Child Growth and Development, Child/Family/Community, and Programs/Curriculum.
***Holder of the Administrative Services Credential may serve as a site supervisor or Program Director.

Economics

Economists study how society can best use scarce resources such as land, raw materials, capital, and labor. They analyze the relationships between the supply of goods and services and the demand for them, as well as how these goods and services are produced, distributed, and consumed. Some economists...
work on public issues such as the control of inflation, business cycles, unemployment, wage, tax, and tariff policies. Economics is widely recognized as a solid background for a career in business, government, law, teaching and research.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at [www.assist.org](http://www.assist.org). Articulation agreements with private institutions can be found online at [www.smc.edu/articulation](http://www.smc.edu/articulation).

- **University of California, Berkeley**
  - B.A. Economics
- **University of California, Davis**
  - B.A. Economics
- **University of California, Irvine**
  - B.A. Business Economics
  - B.A. Economics
- **University of California, Los Angeles**
  - B.A. Economics
  - B.A. Economics/Business
- **University of California, San Diego**
  - B.A. Economics
- **University of California, Santa Barbara**
  - B.A. Economics
  - B.A. Business Economics
  - B.A. Economics Accounting
- **California Polytechnic State University, San Luis Obispo**
  - B.S. Economics
- **California State University, Los Angeles**
  - B.A. Economics
- **California State University, Northridge**
  - B.A. Economics

Santa Monica College has articulation agreements for this major (see [www.smc.edu/articulation](http://www.smc.edu/articulation) for exact requirements) with the following private and out-of-state institutions:

- **John Cabot University, Rome, ITALY**
  - Economics and Finance (validated by University of Wales in Business Administration)
  - This university is US regionally accredited. See [www.smc.edu/articulation](http://www.smc.edu/articulation) for general education admission requirements.
- **Loyola Marymount University**
  - B.A./B.S. Economics
- **Mills College**
  - B.A. Political, Legal and Economic Analysis

General education requirements for the University of California and California State University and other local universities are available online at [www.smc.edu/articulation](http://www.smc.edu/articulation) and listed in the Academics section of this catalog.

### Engineering

Engineers apply the theories and principles of science and mathematics to research and develop economical solutions to practical technical problems. Their work is the link between scientific discoveries and commercial applications. Engineers design products, the machinery to build those products, the factories in which those products are made, and the systems that ensure the quality of the product and efficiency of the workforce and manufacturing process. There are a variety of engineering fields: electrical, mechanical, civil, industrial, aeronautical, chemical, materials, nuclear, petroleum and mining engineering.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at [www.assist.org](http://www.assist.org). Articulation agreements with private institutions can be found online at [www.smc.edu/articulation](http://www.smc.edu/articulation).

English

English majors develop written and spoken mastery of the English language, creativity of thought, and an appreciation of the language’s literature. The English major can lead to a career in teaching at all levels. Additional careers include advertising copywriter, editor, foreign correspondent, literary agent, media planner, reporter, fundraiser, paralegal, public administrator, speechwriter, information abstractor/information indexer, interpreter & translator.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Entertainment Technology

The mission of the Entertainment Technology program is to provide students with a comprehensive and well-rounded education in rapidly evolving media fields. The Entertainment Technology curriculum is designed to meet the changing needs of the entertainment industry. Entertainment Technology courses are comprehensive and rigorous, covering areas such as Animation, Game Development, Post-Production, and Visual Effects. Students will develop professional portfolios, work in teams, and may participate in internships with industry partners when available.

While the Entertainment Technology certificate programs are designed as full-time programs, students may also attend part-time. Courses are available during the day and evenings Monday through Friday and during the day on Saturday. For additional information, please refer to www.academy.smc.edu.

The Entertainment Technology program currently offers comprehensive Certificates of Achievement in Animation and Digital Media.

ASSOCIATE IN ARTS DEGREE – 60 UNITS

The Associate degree in Animation involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 49 semester units in the Animation area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Animation (49 units)
The Animation Associate degree is a comprehensive study of 2D and 3D animation techniques, taking four semesters of full-time study to complete.

Required Core Courses: (34 units)
Entertainment Technology 2, Storytelling (3)
Entertainment Technology 3, Principles of Project Management (3)
Entertainment Technology 18, Storyboarding (3)
Entertainment Technology 20, Visual Development (3)
Entertainment Technology 24, 3D Fundamentals I (4)
Entertainment Technology 31A, Digital Video Fundamentals (3)
Entertainment Technology 37, Digital Imaging (3)
Entertainment Technology 40, Digital Audio Fundamentals (3)
Entertainment Technology 61, History of Animation (3)
Entertainment Technology 72, Career Exploration (2)
Entertainment Technology 91, Perspective Drawing (2)
Entertainment Technology 94, Color Theory (2)

Required Concentration; select one of the following areas: (total of 15 or 16 units as specified)
GROUP A: 2D Animation Concentration: 16 units
Entertainment Technology 19A, Beginning 2D Animation (3)
Entertainment Technology 19B, Advanced 2D Animation (3)
Entertainment Technology 30, Animation Project (4)
Entertainment Technology 34, Web Animation I (3)
Entertainment Technology 75, Digital Production for 2D Animation (3)

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Majors and Areas of Emphasis

Majors

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.

Required Courses for Digital Media, Level 1:
- Entertainment Technology 19A, Beginning 2D Animation (3)
- Entertainment Technology 19B, Advanced 2D Animation (3)
- Entertainment Technology 24B, 3D Character Animation (3)
- Entertainment Technology 24C, Advanced 3D Character Animation (3)
- Entertainment Technology 30, Animation Project (4)

or

GROUP B: 3D Animation Concentration: 16 units
- Entertainment Technology 19A, Beginning 2D Animation (3)
- Entertainment Technology 19B, Advanced 2D Animation (3)
- Entertainment Technology 24B, 3D Character Animation (3)
- Entertainment Technology 24C, Advanced 3D Character Animation (3)
- Entertainment Technology 30, Animation Project (4)

or

GROUP C: 3D Modeling Concentration: 16 units
- Entertainment Technology 25, 3D Modeling and Rigging (3)
- Entertainment Technology 25B, 3D Character Creation (3)
- Entertainment Technology 25C, 3D Character Rigging (3)

or

GROUP D: 3D Rendering Concentration: 16 units
- Entertainment Technology 25, 3D Modeling and Rigging (3)
- Entertainment Technology 26, 3D Rendering (3)
- Entertainment Technology 30, Animation Project (4)
- Entertainment Technology 38, Digital Imaging II (3)

or

GROUP E: Digital Effects Concentration: 15 units
- Entertainment Technology 32, Digital Compositing (3)
- Entertainment Technology 63, Digital Tracking & Integration (3)
- Entertainment Technology 64, Digital Effects I (3)
- Entertainment Technology 65, Digital Effects II (3)
- Entertainment Technology 80, Digital Effects Project (3)

or

GROUP F: 3D Game Design Concentration: 16 units
- Entertainment Technology 15, Beginning 3D Level Design (3)
- Entertainment Technology 17, Advanced 3D Level Design (3)
- Entertainment Technology 42, Principles of Game Development (3)
- Entertainment Technology 44, Game Design/Play Mechanics (3)
- Entertainment Technology 49, Game Development Project (4)

Digital Media, Level 2 (43 units)
Focusing on the design and implementation of digital media for the entertainment industry, the Digital Media, Level 2 Associate degree covers a range of audio and video production and post-production techniques.

This Associate degree requires that students first complete all of the Digital Media, Level 1 coursework in addition to the required courses for Digital Media, Level 2: (for Level 1 requirements, see Certificates of Achievement, below).

Required Courses for Digital Media, Level 1:
- Entertainment Technology 2, Storytelling (3)
- Entertainment Technology 3, Principles of Project Management (3)
- Entertainment Technology 4, Beginning 3D Level Design (3)
- Entertainment Technology 7, Principles of Game Development (3)
- Entertainment Technology 10, Game Design/Play Mechanics (3)
- Entertainment Technology 14, Game Design/Play Mechanics (3)
- Entertainment Technology 15, Advanced 3D Level Design (3)
- Entertainment Technology 22, Digital Audio Fundamentals (3)
- Entertainment Technology 24, Advanced 3D Character Animation (3)
- Entertainment Technology 26, 3D Rendering (3)
- Entertainment Technology 28, Digital Video Fundamentals (3)
- Entertainment Technology 30, Animation Project (4)
- Entertainment Technology 32, Digital Compositing (3)
- Entertainment Technology 36, Animation Project (4)
- Entertainment Technology 37, Digital Imaging I (3)
- Entertainment Technology 40, Digital Audio Fundamentals (3)
- Entertainment Technology 42, Principles of Game Development (3)
- Entertainment Technology 44, Game Design/Play Mechanics (3)
- Entertainment Technology 49, Game Development Project (4)

Required Courses for Digital Media, Level 2:
- Entertainment Technology 18, Storyboarding (2)
- Entertainment Technology 31A, Digital Video Fundamentals (3)
- Entertainment Technology 37, Digital Imaging I (3)
- Entertainment Technology 40, Digital Audio Fundamentals (3)
- Entertainment Technology 94, Color Theory (2)
- Film Studies 1, Introduction to Cinema (3)

Digital Media, Level 1 (22 units)
The purpose of the Digital Media, Level 1 Certificate of Achievement is to provide students with a comprehensive foundation in digital media tools. The certificate also focuses on traditional techniques of storytelling and visual communication.

This certificate is granted upon completion of 22 required units listed in the Digital Media, Level 1 Associate degree.

Required Courses for Digital Media, Level 1:
- Entertainment Technology 2, Storytelling (3)
- Entertainment Technology 3, Principles of Project Management (3)
- Entertainment Technology 18, Storyboarding (2)
- Entertainment Technology 31A, Digital Video Fundamentals (3)
- Entertainment Technology 37, Digital Imaging I (3)
- Entertainment Technology 40, Digital Audio Fundamentals (3)
- Entertainment Technology 94, Color Theory (2)
- Film Studies 1, Introduction to Cinema (3)

Digital Media, Level 2 (43 units)
Focusing on the design and implementation of digital media for the entertainment industry, the Digital Media, Level 2...
Entertainment Technology 65, Digital Effects II (3)
Entertainment Technology 80, Digital Effects Project (3)

**Game Design (16 units)**
Entertainment Technology 15, Beginning 3D Level Design (3)
Entertainment Technology 17, Advanced 3D Level Design (3)
Entertainment Technology 42, Principles of Game Development (3)
Entertainment Technology 44, Game Design/Play Mechanics (3)
Entertainment Technology 49, Game Development Project (4)

**SUGGESTED ANIMATION CERTIFICATE OF ACHIEVEMENT SEQUENCE (49-50 UNITS)**

**SEMESTER 1**

ET 2, Storytelling (3)
ET 18, Digital Storyboarding (3)
ET 24, Digital Effects I (3)
ET 91, Perspective Drawing (2)
ET 94, Color Theory (2)

**INTERSESSION 1**

ET 61, History of Animation (3)

**SEMESTER 2**

ET 31A, Digital Video Fundamentals (3)
ET 37, Digital Imaging for Design (3)
And one of the following concentrations:

GROUP A CONCENTRATION:
ET 19A, Beginning 2D Animation (3)
ET 34, Digital Effects I (3)

GROUP B CONCENTRATION:
ET 19B, Advanced 2D Animation (3)
ET 24B, Digital Effects II (3)

GROUP C CONCENTRATION:
ET 42, Principles of Game Development Project (3)

**INTERSESSION 2**

ET 3, Project Management (3)

**SEMESTER 3**

ET 20, Visual Development (3)
ET 40, Digital Audio Fundamentals (3)
And one of the following concentrations:

GROUP A CONCENTRATION:
ET 19B, Advanced 2D Animation (3)
ET 75, Digital Production for 2D Animation (3)

**DEPARTMENT CERTIFICATES**

The Design Technology department offers a Digital Foundation Certificate of Completion upon completion of the required courses listed below.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

**2D Animation (16 units)**
Entertainment Technology 19, Beginning 2D Animation (3)
Entertainment Technology 19B, Advanced 2D Animation (3)
Entertainment Technology 30, Animation Project (4)
Entertainment Technology 34, Web Animation I (3)
Entertainment Technology 75, Digital Production for 2D Animation (3)

**3D Animation (16 units)**
Entertainment Technology 19, Beginning 2D Animation (3)
Entertainment Technology 19B, Advanced 2D Animation (3)
Entertainment Technology 24B, 3D Character Animation (3)
Entertainment Technology 24C, Advanced 3D Character Animation (3)
Entertainment Technology 30, Animation Project (4)

**3D Modeling (16 units)**
Entertainment Technology 25, 3D Modeling and Rigging (3)
Entertainment Technology 25B, 3D Character Creation (3)
Entertainment Technology 25C, 3D Character Rigging (3)
Entertainment Technology 26, 3D Rendering (3)
Entertainment Technology 30, Animation Project (4)

**3D Rendering (16 units)**
Entertainment Technology 25, 3D Modeling and Rigging (3)
Entertainment Technology 26, 3D Rendering (3)
Entertainment Technology 30, Animation Project (4)
Entertainment Technology 32, Digital Compositing (3)
Entertainment Technology 38, Digital Imaging II (3)

**Digital Effects (15 units)**
Entertainment Technology 32, Digital Compositing (3)
Entertainment Technology 63, Digital Tracking and Integration (3)
Entertainment Technology 64, Digital Effects I (3)

2 Certificate of Achievement covers a range of audio and video production and post-production techniques. This Certificate of Achievement is granted upon completion of the 43 required units listed in the Digital Media, Level 2 Associate degree.
The Environmental Science Program is an interdisciplinary and multidisciplinary course of study that presents an overview of ecological issues from a scientific perspective. With a broad foundation across the natural sciences, the coursework examines the interrelated nature of environmental and social systems. This program is designed to equip students with the skills and tools to successfully use the scientific method while studying and solving environmental problems.

The Environmental Science Associate degree correlates with some of the lower-division courses required to transfer into Environmental Science or Environmental Studies Programs at several four-year institutions as well as a broad education for transfer in related disciplines. The Environmental Science Certificate of Achievement demonstrates completion of all required coursework in the Environmental Science area of emphasis.

These majors may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Berkeley**
  - B.A. Environmental Economics and Policy
  - B.S. Environmental Economics and Policy
  - B.S. Environmental Engineering Science
  - Environmental Science, Policy, and Management (ESPM)
  - B.A./B.S. Environmental Sciences. Students select an emphasis in one of three disciplinary fields: Biological Sciences, Physical Sciences or Social Sciences.

- **University of California, Davis**
  - B.S. Environmental Science and Management
  - B.S. Environmental Horticulture and Urban Forestry
  - B.S. Environmental Policy Analysis & Planning
  - B.S. Environmental Toxicology

- **University of California, Irvine**
  - Environmental Analysis and Design
  - Environmental Engineering

- **University of California, Los Angeles**
  - B.A. Earth and Environmental Studies
  - B.S. Earth & Environmental Science
  - Environmental Engineering

- **University of California, Santa Barbara**
  - B.A. Environmental Studies
  - B.S. Environmental Studies

- **University of California, Santa Cruz**
  - B.A. Environmental Studies

- **California State University, Long Beach**
  - B.A. Environmental Science and Policy
  - B.S. Environmental Science and Policy

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Environmental Science involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 39 semester units in the Environmental Science area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Environmental Science (39 units)

Program Learning Outcomes: After completing the program in Environmental Science, students will demonstrate through oral and written work a familiarity with both governmental and non-governmental efforts focused on environmental issues and be prepared to pursue further study in an Environmental Science program (or related field of study) at the baccalaureate level. In addition, students will be proficient in the research, analytical, and communication skills necessary to present a critical analysis of the interplay between natural and social systems, the attitudes and behaviors that impact and affect the environment, and proposed solutions to the myriad environmental challenges facing the world today.

Required Core Courses: (6 units)

Biology 9, Environmental Biology (3)

Environmental Studies 7, Introduction to Environmental Studies (3) (same as Geography 7)

Field Studies/Applied: (3 units minimum)

Biology 45A-Z, Field Studies in Natural History (0.5-3)

Biology 46A-Z, Field Studies in Natural History (0.5-3)

Botany 3, Field Botany (4)

Environmental Studies 88A-C, Independent Studies in Environmental Studies (1-3)

Geography 20, Introduction to Geographic Information Systems (3) (same as Geographic Information Systems 20)

Geography 35F, Field Study: California (1)

Geography 35S, Geography Field Studies (1)

Geology 35, Field Studies: California (1-3)

Zoology 20, Vertebrate Field Studies (3)

Ecology/Physical Science/Natural Science: (4 units)

Biology 3, Fundamentals of Biology (4)

Biology 15, Marine Biology with Laboratory (4)

Biology 21, Cell Biology and Evolution (4)

Botany 1, General Botany (4)

Zoology 5, Introductory Zoology (4)

Physical Science: Chemistry (5 units)

Chemistry 10, Introductory General Chemistry (5)

Chemistry 11, General Chemistry I (5)

Physical Science: Physics (4 units)

Physics 6, General Physics (4)

Physics 7, General Physics (4)

Physics 8, General Physics with Calculus (4)

Physics 14, Introductory Physics with Laboratory (4)

Earth Science: (3 units)

Geography 1, Introduction to Natural Environmental (3)

Geography 3, Weather and Climate (3)

Geography 5, Physical Geography with Laboratory (4)

Geology 1, Introduction to Physical Geology (No Laboratory) (3)

Geology 4, Physical Geology with Laboratory (4)

Geology 31, Introduction to Physical Oceanography (3)

Mathematics: (8 units required, as specified)

Math 28, Calculus 1 for Business and Social Science (5) and Math 29, Calculus 2 for Business and Social Science (3)

Math 7, Calculus 1 (5) and Math 8, Calculus 2 (5)

Social Science: (6 units required, as specified)

GROUP A: Select one course from the following:

Economics 1, Principles of Microeconomics (3)

Economics 2, Principles of Macroeconomics (3)

Political Science 1, National and California Government (3)

GROUP B: Select one course from the following:

Anthropology 2, Cultural Anthropology (3)

Environmental Science 20, Environmental Ethics (3)

Environmental Science 40, Environmental Psychology (3)

Geography 2, Introduction to Human Geography (3)

Geography 8, Introduction to Urban Studies (3)

Geography 11, World Geography (3)

Geography 14, Geography of California (3)

Political Science 22, Environmental Politics and Policies (3)

Psychology 1, General Psychology (3)

Sociology 1, Introduction to Sociology (3) or Sociology 1 S, Introduction to Sociology-Service Learning (3)
Sociology 2, Social Problems (3) or Sociology 2 S, Social Problems-Service Learning (3)

Environmental Studies (24 units)

Program Learning Outcomes: After completing the program in Environmental Studies, students will demonstrate through oral and written work a familiarity with both governmental and non-governmental efforts focused on environmental issues and be prepared to pursue further study in an Environmental Studies program (or related field of study) at the baccalaureate level. In addition, students will be proficient in the research, analytical, and communication skills necessary to present a critical analysis of the interplay between natural and social systems, the attitudes and behaviors that impact and affect the environment, and proposed solutions to the myriad environmental challenges facing the world today.

Required Core Courses: (6 units)
Biology 9, Environmental Biology (3)
Environmental Studies 7, Introduction to Environmental Studies (3) (same as Geography 7)

Select one course from the following:
Environmental Science 20, Environmental Ethics (3) (same as Philosophy 20)
Environmental Science 40, Environmental Psychology (3) (same as Psychology 40)
Political Science 22, Environmental Politics and Policies (3)

Field Studies/Applied: (3 units)
Biology 45A-Z, Field Studies in Natural History (0.5-3)
Biology 46A-Z, Field Studies in Natural History (0.5-3)
Botany 3, Field Botany (4)
Environmental Studies 88A-C, Independent Studies in Environmental Studies (1-3)
Geography 20, Introduction to Geographic Information Systems (3) (same as Geographic Information Systems 20)
Geography 35F, Field Study: California (1)
Geography 35S, Geography Field Studies (1)
Geology 35, Field Studies: California (1-3)
Zoology 20, Vertebrate Field Studies (3)

Ecology/Physical Science/Natural Science: (3 units)
Biology 3, Fundamentals of Biology (4)
Biology 15, Marine Biology with Laboratory (4)
Biology 15N, Marine Biology (No-Laboratory) (3)
Biology 21, Cell Biology and Evolution (4)
Botany 1, General Botany (4)
Chemistry 9, Everyday Chemistry (5)
Chemistry 10, Introductory General Chemistry (5)
Physics 6, General Physics (4)
Physics 8, General Physics with Calculus (4)
Physics 14, Introductory Physics with Laboratory (4)
Zoology 5, Introductory Zoology (4)

Earth Science: (3 units)
Geography 1, Introduction to Natural Environmental (3)
Geography 3, Weather and Climate (3)
Geography 5, Physical Geography with Laboratory (4)
Geology 1, Introduction to Physical Geology (No Laboratory) (3)
Geology 4, Physical Geology with Laboratory (4)

Geology 31, Introduction to Physical Oceanography (3)

Social Science: (6 units required, as specified)
GROUP A:
Select one course from the following:
Economics 1, Principles of Microeconomics (3)
Economics 2, Principles of Macroeconomics (3)
Political Science 1, National and California Government (3)

GROUP B:
Select one course from the following:
Anthropology 2, Cultural Anthropology (3)
Environmental Science 20, Environmental Ethics (3) (same as Philosophy 20)
Environmental Science 40, Environmental Psychology (3) (same as Psychology 40)
Geography 2, Introduction to Human Geography (3)
Geography 8, Introduction to Urban Studies (3) (same as Urban Studies 8)
Geography 11, World Geography (3)
Geography 14, Geography of California (3)
Political Science 22, Environmental Politics and Policies (3)
Psychology 1, General Psychology (3)
Sociology 1, Introduction to Sociology (3) or Sociology 1 S, Introduction to Sociology-Service Learning (3)

Sociology 2, Social Problems (3) or Sociology 2 S, Social Problems-Service Learning (3)

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Environmental Science (39 units)

A Certificate of Achievement in Environmental Science is granted upon completion of 39 required units listed on the Environmental Science Associate degree.

Environmental Studies (24 units)

A Certificate of Achievement in Environmental Studies is granted upon completion of 39 required units listed on the Environmental Studies Associate degree.

Ethnic Studies

Programs in Ethnic Studies are designed to help students study different cultures and societies of the world. These programs include the study of the history, politics, religion, languages, and culture of different areas. The aim of Ethnic Studies programs is to broaden the awareness and understanding of one or more ethnic groups and their contribution to American culture. Ethnic Studies programs are usually interdisciplinary: The historical, cultural, social, political, economic, psychologi-
The, and literary patterns and contributions of ethnic groups are studied.
This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus for access to computerized career information systems and other valuable career resources.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Ethnic Studies involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 24 semester units in the Ethnic Studies area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Please note: For the Ethnic Studies area of emphasis, it is HIGHLY RECOMMENDED (though not required) that students complete two years of one foreign language in high school or at least the first semester at Santa Monica College of a foreign language selected from the following courses: Arabic 1, Chinese 1; Hebrew 1; Japanese 1; Korean 1; Persian 1; Spanish 1 or 11.

Ethnic Studies (24 units)

Program Learning Outcomes: After completing the program in Ethnic Studies, students will demonstrate through oral and written work a familiarity with the social experiences and the contributions of various racial and ethnic groups to US society, and be prepared to pursue further study in an Ethnic Studies program (or related field of study) at the baccalaureate level. In addition, students will be proficient in the research, analytical, and communication skills necessary to present critical analysis regarding racial and ethnic group relations in the US.

Required Core Courses: (12 units)
English 10, Ethnic Literature of the US (3)
History 10, Ethnicity and American Culture (3)
Political Science 21, Race, Ethnicity, and the Politics of Difference (3)
Sociology 34, Racial and Ethnic Relations in American Society (3)

Arts: (3 units)
Art 72, American Art History (3)
Dance 2, Dance in American Culture (3)

Music 33, Jazz in American Culture (3)
Music 37, Music in American Culture (3)

Inter-Ethnic Studies: (3 units)
Anthropology 2, Cultural Anthropology (3)

Communication 10, Journalism, Gender, and Race (3)
Early Childhood Education 18, Childhood: Culture and Personality (3) (same as Psychology 18)
Film Studies 7, American Cinema: Crossing Cultures (3)
Geography 2, Introduction to Human Geography (3)

At least 50% of the required units for a Certificate of Achievement from one discipline

Art:
Art 71, African American Art History (3)

English:
English 34, African-American Literature (3)
English 41, Asian American Literature (3)

Sociology:
Sociology 30, African Americans in Contemporary Society (3)

History:
History 16, African American History (3)
History 41, Native American History (3)

History 42, The Latina(o) Experience in the United States (3)

History 43, Mexican-American History (3)

History 62, Asian American History (3)

Sociology:
Sociology 31, Latinas/os in Contemporary Society (3)

Sociology 32, Asian Americans in Contemporary Society (3)

CERTIFICATE OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Ethnic Studies (24 units)

A Certificate of Achievement in Ethnic Studies is granted upon completion of 24 required units listed in the Ethnic Studies Associate degree.
Fashion Design and Merchandising

Fashion merchandisers select, purchase, promote, and sell clothing and accessories. They study fashion trends and visit manufacturers and merchandise markets. They work as part of a team and consult with managers and buyers, advise the advertising and display departments, and organize and coordinate promotional activities such as fashion shows. They may advance to become buyers and purchasing agents, sales representatives, and managers. Clothes designers create new apparel and accessory designs. They may sketch the garment, cut the pattern, select the fabric and materials, and in some cases construct the sample garment. They may arrange for the showing of a line at sales meetings or fashion shows.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.smc.edu/articulation. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Davis**
  B.S. Textile Clothing (Marketing)
  B.S. Textile Clothing (Textile Science)

- **California State Polytechnic University, Pomona**
  Apparel Merchandising and Management/Apparel Production
  Fashion Design Management track
  International Apparel Management track

- **California State University, Long Beach**
  B.A. in Family and Consumer Sciences with Option in Fashion Merchandising
  B.A. in Family and Consumer Sciences with Option in Textiles and Clothing

- **California State University, Los Angeles**
  B.A. Art
  Fashion and Textiles option

- **California State University, Northridge**
  B.S. Family and Consumer Sciences
  Apparel Design and Merchandising option

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **Academy of Art University, San Francisco**
  B.F.A. Fashion Design and Illustration

- **California College of the Arts**
  Fashion Design

- **Mount Ida College**
  B.S. Fashion Design
  B.S. Fashion Merchandising – Merchandising and Marketing

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Fashion Design & Merchandising involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 40 semester units in the Fashion Design area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Fashion Design (40 units)**

- **REQUIRED BASIC CORE COURSES:** (9 units)
  Fashion 1, Trends and Design (3)
  Fashion 3, Apparel Construction (3)
  Fashion 9A, Fashion Illustration & Merchandising (3)

- **SECOND LEVEL COURSES:** (11-12 units)
  Fashion 2, Color Analysis (3)
  Fashion 5, Fashion Buying (3)
  Fashion 10, Advanced Design & Construction (3)
  Fashion 13, Draping I (3) or Fashion 6A, Pattern Analysis & Design (2)

- **THIRD LEVEL COURSES**
  Fashion 6B, Pattern Drafting and Design (Intermediate) (3)
  Fashion 11, Tailoring (2)
  Fashion 14, Draping II (3)
  Elective

- **FOURTH LEVEL COURSES**
  Fashion 7, Fabrics for Fashion Design and Merchandising (3)
  Fashion 8, History of Fashion Design (3)
  Fashion 12, Fashion Show Production (3)
  Elective

Select additional elective courses to bring the total to 40 units from the following:

- Art 10A, Design I (3,3)
- Art 20B, Drawing II (3,3)
- Business 63, Principles of entrepreneurship (3)
- Fashion 9B, Advanced Fashion Illustration and Advertising (2)
- Fashion 15, Ethnic Fashion (3)
Fashion 16, Pattern Grading (2)
Fashion 17, Apparel Production manufacturing Techniques (3)
Fashion 18, Computer Assisted Fashion Illustrator and Design (2)
Fashion 19, Fashion Marketing (3)
Fashion 20, Window Display for Fashion (3)

Fashion Merchandising (40 units)

A Certificate of Achievement in Fashion Merchandising is granted upon completion of 40 units from the courses in the major below.

REQUIRED BASIC CORE COURSES: (9 units)
Fashion 1, Fashion Trends and Design (3)
Fashion 3, Apparel Construction (3)
Fashion 9A, Fashion Illustration & Merchandising (3, 3)

SECOND LEVEL COURSES:
Fashion 2, Color Analysis (3)
Fashion 5, Fashion Buying (3)
Fashion 6A, Pattern Analysis and Design (2,2)

THIRD LEVEL COURSES:
Fashion 7, Fabrics for Fashion Design and Merchandising (3)
Fashion 12, Fashion Show Production (3)
Fashion 19, Fashion Marketing (3)

FOURTH LEVEL COURSES:
Fashion 8, History of Fashion Design (3)
Fashion 12, Fashion Show Production (3)
Fashion 19, Fashion Marketing (3)

Select additional elective courses to bring the total to 40 units from the following:

Art 10A, Design I (3,3)
Art 20B, Drawing II (3,3)
Business 31, Business English Fundamentals (3)
Business 63, Principles of entrepreneurship (3)
CIS 1, Computer Concepts with Applications (3)
Fashion 6B, Pattern Drafting and Design (Intermediate) (3)
Fashion 11, Tailoring (2)
Fashion 14, Draping II (3)
Fashion 15, Ethnic Fashion (3)
Fashion 16, Pattern Grading (2)
Fashion 17, Apparel Production Manufacturing Techniques (3)
Fashion 18, Computer Assisted Fashion Illustrator and Design (2)
Fashion 20, Window Display for Fashion (3)

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Fashion Design (40 units)

A Certificate of Achievement in Fashion Design is granted upon completion of 40 units from the courses in the major above.

Fashion Merchandising (40 units)

A Certificate of Achievement in Fashion Merchandising is granted upon completion of 40 units from the courses in the major above.

Film Studies

Formerly Cinema

The objectives of this program are to prepare students for upper division study at a four-year college and/or to earn an Associate degree.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

• University of California, Los Angeles
  B.A. Film and Television

• University of California, Riverside
  B.A. Film and Visual Culture

• University of California, Santa Barbara
  B.A. Media & Cultural Studies (formerly B.A. Film and Visual Culture)

• University of California, Santa Cruz
  B.A. Film and Digital Media
  Production concentration

• California State University, Long Beach
  B.A. Film and Electronic Arts

• California State University, Northridge
  Cinema and Television Arts
  Film Production option
  Multimedia Production option
  Media Theory and Criticism option
  Radio Production option
  Screenwriting option
  Television Production option

• San Diego State University
  B.S. Television, Film and New Media Production

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:
Please note: Film

Required Courses: (9-12 units)

Film Studies (21 units)
must be completed at Santa Monica College.

Fall and Spring semesters until program completion.

Continuous enrollment is defined as enrollment in consecutive general education and major/area of emphasis requirements in effect at any time during the student's continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Film Studies (21 units)

Required Courses: (9-12 units)

Film Studies 1, Film Appreciation: Introduction to Film (3) (formerly Cinema 9)
Film Studies 2, History of the Motion Pictures (3) (formerly Cinema 1)
Film Studies 5, Film and Society (3,3) (formerly Cinema 5)

Please note: Film Studies 1 (formerly Cinema 9) is intended as a beginning course to introduce students to film studies.

Additional courses to total 21 units must be selected from:

- Entertainment Technology 61, History of Animation (3)
- Film Studies 6, Women in Film (3) (formerly Cinema 8)
- Film Studies 7, American Cinema: Crossing Cultures (3) (formerly Cinema 7)
- Film Studies 8, The Popular Film Genres (3,3) (formerly Cinema 2)
- Film Studies 9, The Great Film-Makers (3,3) (formerly Cinema 4)
- Film Studies 10, Film Criticism and Interpretation (3) (formerly Cinema 10)
- Film Studies 11, Literature to Film (3) (same as English 11)
- Film Studies 20, Introduction to Scriptwriting (3) (formerly Cinema 11A)
- Film Studies 21, Advanced Scriptwriting (3) (formerly Cinema 11B)
- Film Studies 30, Production Planning for Film and Video (3) (formerly Cinema 3)
- Film Studies 31, Introduction to Digital Film Making (3)
- Film Studies 32, Advanced Digital Filmmaking (4)
- Film Studies 33, Directing the Short Film (3)

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Film Studies involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 21 semester units in the General Science area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

General Science

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in General Science involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 20 semester units in the General Science area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

General Science (20 units)

Program Learning Outcomes: Students completing a degree in General Science will demonstrate through oral, written, and laboratory-based academic work knowledge of the physical and life sciences, and be prepared to pursue further study in a science major at the baccalaureate level. Students will be proficient in the scientific method, research, analytical, and communication skills necessary to present a critical analysis of scientific phenomena and devise solutions.

Select 20 units from the following three groups:

GROUP A – MATHEMATICS (MINIMUM OF 3 UNITS)

At least one course required:

- Group B – SCIENCE (MINIMUM OF 9 UNITS)
- Group C – HUMANITIES/COMMUNICATION (MINIMUM OF 8 UNITS)
Math – 2, (3), 7, 8, 10, 11, 13, 15, 18, 20, 21, (22), (23), (24), 26, 28, 29, 32 (if completed Fall 2006 or later), 41, 52, 54

GROUP B – PHYSICAL SCIENCE (MINIMUM OF 3 UNITS)
At least one course required:
Astronomy – all courses
Chemistry – all courses
Geography – 1, 3, 5
Geology – all courses
Physics – all courses

GROUP C – LIFE SCIENCES (MINIMUM OF 3 UNITS)
At least one course required: (3 units minimum)
Anatomy – all courses
Anthropology 1, 5, 8, 9
Biology – all courses
Botany – all courses
Microbiology – all courses
Nutrition 1, 4
Physiology – all courses
Psychology 2
Zoology 5, 17

( ) Courses in parentheses are no longer offered.

Geography

Geographers study the distribution of people in relation to land and other natural resources. They examine the distribution of land forms, study climate, soils, or vegetation, analyze resources such as water and minerals, or they may study political organizations, transportation systems, marketing systems, patterns of industrial development, housing, or public health. Additional careers include cartographer, demographer, geographic information specialist, hazardous waste planner, hydrologist, urban planner and environmental impact analyst.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.smc.edu/articulation. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- California State University, Northridge
  B.A. Geography
  Other Specializations available: Cartography and GIS, Environmental Studies, Regional and International Studies, Urban Geography

- California State University, San Bernardino
  B.A. Geography

- California Polytechnic State University, San Luis Obispo
  B.S. Geography

General education requirements for the University of California, California State University, and other local universities are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

Geology

Geologists study the origin, history, composition, and structure of the earth, both for scientific knowledge and for practical purposes such as locating oil, minerals, and other raw materials; and for compiling architectural safety reports, maps, and diagrams. They use knowledge of chemistry, physics, math, and biology, to analyze the data and specimens. Some possible career choices are found in the environmental consulting industry, pollution remediation, public policy and environmental law. Career titles include meteorologist, oceanographer, seismologist, soil scientist, structural geologist and teacher.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  B.A. Earth and Planetary Science

- University of California, Davis
  A.B. Geology
  B.S. Geology

- University of California, Riverside
  B.A. Geology
  General Geology option
  Global Climate Change option
  Geobiology option
  Geophysics option

- University of California, Santa Barbara
  B.A. Geological Sciences
  B.S. Geological Sciences

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements. For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
• California State University, Northridge
  B.S. Geological Sciences
  Environmental Geology option
  Geology option
  Geophysics option
  Secondary Teaching option

• California Polytechnic State University, San Luis Obispo
  B.S. Geology

• San Francisco State University
  B.A. Earth Science
  B.S. Geology

General education requirements for the University of California, California State University, and other local universities are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

Graphic Design

Graphic designers design and produce artwork for a variety of printed material, including logotypes, stationery, brochures, advertising, packaging, book covers and many other types of projects. This field also includes computer-related imagery for print and web.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

• University of California, Los Angeles – School of the Arts and Architecture
  Art and Design/Media Arts

• California State University, Long Beach
  B.A. Art
  Graphic Design option (portfolio review required)

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation) for exact requirements with the following private and out-of-state institutions:

• Academy of Art University, San Francisco
  B.F.A. Graphic Design

• The Art Institute of California, Los Angeles, San Diego, San Francisco, Orange County; The California Design College (AI)

• California College of the Arts
  Graphic Design

• Mount Ida College (Massachusetts)
  B.A. Graphic Design

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Graphic Design involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 40 semester units in the Graphic Design area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Graphic Design (40 units) (NOTE: GRAPHIC DESIGN 31 is the first course students should take)

Required Courses: (29 units)
  Graphic Design 18, Introduction to Graphic Design Applications (3)
  Graphic Design 31, Graphic Design Studio 1 (2)
  Graphic Design 33, Typography Design 1 (2)
  Graphic Design 34, Publication and Page Design I (3)
  Graphic Design 38, Digital Illustration I (4)
  Graphic Design 41, Graphic Design Studio 2 (2)
  Graphic Design 51, Graphic Design Studio 3 (2)
  Graphic Design 64, Digital Imaging for Design (3) (same as Entertainment Technology 37)
  Graphic Design 66, Web Design 2 (3) (formerly Entertainment Technology 14) (prerequisite: Graphic Design 64 or Entertainment Technology 37)
  Photography 1, Introduction to Photography (3)

Select additional courses to total 40 units from the following:
  Entertainment Technology 34, Web Animation I (3)
  Graphic Design 21, Electronic Prepress and Publishing (3)
  Graphic Design 35, Drawing for Graphic Design (2)
  Graphic Design 43, Typography Design 2 (2)
  Graphic Design 44, Publication and Design 2 (3)
  Graphic Design 50, Graphic Design Portfolio Preparation (2)
  Graphic Design 54, Digital Illustration II (3)
  Graphic Design 65, Web Design 1 (2)
  Graphic Design 67, Web Design 3 (3)
  Graphic Design 71, Motion Graphics (3)
  Graphic Design 90 A, B, C, Internship (1,2,3)

CERTIFICATE OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in...
effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Graphical Design (40 units) (NOTE: GRAPHIC DESIGN 31 is the first course students should take)

A Certificate of Achievement in Graphic Design is granted upon completion of 40 units.

DEPARTMENT CERTIFICATE

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

Web Design (17 units)

The Web Design Department Certificate provides a thorough study of the design and implementation of interactive media for the World Wide Web. Students will learn how to develop and design content for online publishing and craft professional portfolios of interactive work. Students will acquire technical and creative web design skills using industry standard software, such as Dreamweaver, Photoshop and Flash.

A Department Certificate in Web Design will prepare the students for entry-level positions such as Web Designer, Web Artist, Web Animator, Web Developer and Interface Designer.

Required Courses:

- CIS 54, Web Page Development and Scripting 1 (3)
- Entertainment Technology 34, Web Animation 1 (3)
- Graphic Design 64, Digital Imaging for Design (3)
- Graphic Design 65, Web Design 1 (2)
- Graphic Design 66, Web Design 2 (3)
- Graphic Design 67, Web Design 3 (3)

History

Historians study, assess, and interpret the past to determine what happened and why. They examine court documents, diaries, letters, and newspaper accounts; they conduct research, write, teach, evaluate and make recommendations. Schools, universities, libraries, museums, government offices, and private enterprise are some of the job settings for history majors. Some related career titles include archivist, biographer, congressional aide, Foreign Service officer, FBI/CIA agent, lobbyist, and genealogist agent.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  B.A. History
- University of California, Davis
  B.A. History
- University of California, Irvine
  B.A. History
- University of California, Los Angeles
  B.A. History
- University of California, San Diego
  B.A. History
- University of California, Santa Barbara
  B.A. History
- University of California, Santa Cruz
  B.A. History
- California State University, Northridge
  B.A. History

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Loyola Marymount University
  B.A. History

Interior Architectural Design

Interior Architectural Design is a Santa Monica College award-winning program in the Design Technology Department, located at SMC’s Academy of Entertainment and Technology, 1660 Stewart St., Santa Monica. Students focus on (1) professional career development, (2) academic transfer, (3) an Associate degree, and/or (4) personal and professional skills useful in the local and international Architecture and Design Industry. The program applies artistic and functional principles and techniques to the professional planning, designing, and furnishing of residential and commercial interior spaces. The program also includes the processes and techniques of designing living, working, and leisure indoor environments as integral components of a building system. The program includes instruction in design, drafting, careers, color coordination, surface materials and textiles, sketching, computer-aided design, historical and contemporary furniture and housing.
interior lighting, business principles, interior codes, digital rendering, model building, green design, universal design, on-site internships with local trade businesses, and applications to office, hotel, restaurant, and housing design. There are also specialized courses for Set Design and Advanced CAD. Designer careers include homes, kitchens/baths, offices and other retail uses, space planning, remodeling, specifying, sketching, management, staging for real estate sales, consulting, lighting, retail sales, preservation, health care, green design, and accessible, universal design.

For additional career possibilities, visit the Career Services Center on the main campus to utilize computerized career information systems and other valuable career resources.

See the Interior Architectural Design Program Website (www.academy.smc.edu/intarc) for additional information.

COUNSELING INFORMATION

International students should contact Carolyn Holmes in the International Counseling Center by calling (310) 434-4218. All other students should contact Cliff Dobbs at SMC’s Academy of Entertainment and Technology campus, located at 1660 Stewart St., Santa Monica, or call (310) 434-3783.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- California State University, Long Beach
  B.F.A. Art
  Interior Design option
- California State University, Northridge
  B.S. Family and Consumer Science
  Interior Design option
- San Francisco State University
  B.S. Interior Design
  Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:
  - Academy of Art University, San Francisco
    B.F.A. Interior Design
  - The Art Institute of California, Los Angeles, San Diego, San Francisco, Orange County, The California Design School (AI)
    Interior Design, B.S.
  - California College of the Arts
    Interior Design
  - Mount Ida College
    B.S. Interior Design
  - Woodbury University
    Interior Architecture, B.F.A.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Interior Architectural Design involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 24 semester units under the Level I area of emphasis and at least 18 units under the Level II area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

There are two levels to the Interior Architectural Design Program:

LEVEL I – Interior Architectural Design I: This program leads to multiple careers opportunities in retail and wholesale design. The focus is on design fundamentals, beginning drafting, design careers, perspective sketching, color, beginning computer-aided design, and materials and products. A Certificate of Achievement is granted upon completion of the 24 required units under Level I.

LEVEL II – Interior Architectural Design II – LEVEL II: This program leads to employment skills in the selection and specification of contact and residential surface materials and furniture. Expertise is developed in advanced perspective sketching and visualization, architecture and furniture styles, advanced computer-aided design together with a choice of significant academic and professional career-focused electives: business skills in the wholesale Trade, green design, model building, lighting, digital rendering, interior codes, universal design, custom residential design, technical CAD courses in space planning, working drawings, commercial design, 3D CAD molding, and interior 3D computer rendering/animation, plus practical internship positions in the industry. A Certificate of Achievement is granted upon completion of the 18 required units listed under the Level II Associate degree. In addition, a student may also be eligible for the Associate degree upon completion of Level II, fulfillment of the Global Citizenship requirement, and fulfillment of the Santa Monica College general education requirements, CSU GE, or IGETC. See www.smc.edu/articulation for the Associate degree general education requirements.

Students are encouraged to take as many recommended electives as possible, to learn specific and necessary skills for the development of their professional portfolios, and to bring employment value in their future design industry career position.

There are also two Department Certificates under Interior Architectural Design:

1. CAD Production & Design
2. Set Design & Art Direction for Film & TV
Level I
Course No./Course name (Prerequisites) Units
INTARC 28, Interior Illustration (formerly INTARC 43) (3)
INTARC 30, Fundamentals of Interior Architectural Design: Theory (3)
INTARC 31, Fundamentals of Interior Architectural Design: Lab (3)
INTARC 32, Beginning Drafting for Interior Architectural Design (Manual Drafting) (3)
INTARC 33, Interior Architectural Design Careers (3)
INTARC 34, Applied Color and Design Theory (3)
INTARC 35, Computer Aided Design/Drafting (Prerequisite: INTARC 32 or Equivalent) (3)
INTARC 36, Interior Materials and Products (3)
TOTAL LEVEL I UNITS 24
• If a student has previous skills, a waiver for the equivalent course is possible.
• Students can cross levels and take any class or Recommended Elective at any time in the two Levels if no prerequisite is required.
• Students must achieve a grade of C or higher in each Interior Architectural Design Program Course to receive a certificate.
• At least 50% of the units required for Certificates of Achievement must be completed at Santa Monica College.

Level II
Course No./Course name (Prerequisites) Units
INTARC 38, Advanced Computer Aided Design/Drafting (Prerequisite: INTARC 32, 35, or Equivalent) (3)
INTARC 41, History of Interior Architecture and Furniture I or INTARC 60, Contemporary Furniture or INTARC 66, Visual History of American Housing (3)
INTARC 42, History of Interior Architecture and Furnishings II or INTARC 60, Contemporary Furniture or INTARC 66, Visual History of American Housing (3)
INTARC 51, Rapid Visualization (Prerequisite: INTARC 28 or Equivalent) (3)
INTARC, Recommended INTARC elective (3)
INTARC, Recommended INTARC elective (3)
Recommended Electives for Professional Skills
Course No./Course name (Prerequisites) Units
INTARC 37, Set Design and Art Direction for Film and TV (3)
INTARC 39, Green Design for Interiors (3)
INTARC 40, CAD Space Planning (Prerequisite: INTARC 32, 35, and 38 or Equivalent) (3)
INTARC 44, Fundamentals of Lighting (Prerequisite: INTARC 30 and 32 or Equivalent) (3)
INTARC 45, CAD Commercial Design (Prerequisite: INTARC 32, 35, and 38 or Equivalent) (3)
INTARC 46, CAD Working Drawings (Prerequisite: INTARC 32, 35, and 38, or Equivalent) (3)
INTARC 47, Business and Professional Practice (Prerequisite: INTARC 33 or Equivalent) (3)
INTARC 49, Trade Resources for Film and TV (3)
INTARC 50, Code and Specifications (3)
INTARC 52, Production Design for Film and TV (Prerequisite: INTARC 28 and 32 or Equivalent) (3)
INTARC 54, Universal Design for Interiors (3) (Prerequisite: INTARC 32 or Equivalent) (3)
INTARC 57, Interior 3D CAD Modeling (Prerequisite: INTARC 32, 35, and 38 or Equivalent) (3)
INTARC 62, Model Building (Prerequisite: INTARC 32 or Equivalent) (3)
INTARC 65, Digital Rendering for Interiors (3)
INTARC 69, Custom Residential Design (Prerequisite: INTARC 28, 32, 35, 40, and 51 or Equivalent) (3)
INTARC 70, Interior 3D Computer Rendering/Animation (Prerequisite: INTARC 28, 32, and 35 or Equivalent) (3)
INTARC 90A, Internship (Prerequisite: Approve internship with instructor prior to enrollment) (1)
INTARC 90B, Internship (Prerequisite: Approve internship with instructor prior to enrollment) (2)
INTARC 90C, Internship (Prerequisite: Approve internship with instructor prior to enrollment) (3)
INTARC 90D, Internship (Prerequisite: Instructor’s approval of internship prior to enrollment) (4)
• If a student has previous skills, a waiver for the equivalent course is possible.
• Students can cross levels and take any class or recommended elective at any time in the two levels if no prerequisite is required.
• Students must achieve a grade of C or higher in each Interior Architectural Design Program Course to receive a certificate.
• General Education courses must be completed for an Associate degree.
• At least 50% of the units required for Certificates of Achievement must be completed at Santa Monica College.

CERTIFICATE OF ACHIEVEMENT PROGRAMS
Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Interior Architectural Design Level I
A Certificate of Achievement is granted upon completion of the 24 required units listed under the Level I requirements listed above.

Interior Architectural Design Level II
A Certificate of Achievement is granted upon completion of the 20 required units listed under the Level II Associate degree.

DEPARTMENT CERTIFICATE PROGRAMS
Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.
Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

### INTARC 90B, Internship (Prerequisite: Approve internship with instructor prior to enrollment) (2)

**NOTE:** If you have previous skills (for example; Beginning Drafting), a waiver for the equivalent course is possible.

- Students must achieve a grade of C or higher in each Interior Architectural Design Program Course to receive an Associate degree or Certificate of Achievement in CAD Production and Design.
- At least 50% of the units required for Certificate of Achievement must be completed at Santa Monica College.

### Journalism

The Journalism program teaches students the methods and techniques for gathering, processing and delivering news, and prepares students to be professional print and multimedia journalists. Included is instruction in news writing and editing, reporting and multimedia story production, professional standards and ethics, and journalism history and research. Careers in this field include book editor, copywriter, film critic, foreign correspondent, freelance writing, online editor, multimedia story producer, journalist, magazine editor, news anchor, newspaper editor, publicist, sportswriter, and technical writer.

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer college.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

### TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **California State University, Fullerton**
  - B.A. Communications/emphasis Print and Broadcast Journalism
  - Visual Journalism emphasis
- **California State University, Long Beach**
  - B.A. Journalism
- **California State University, Northridge**
  - B.A. Journalism
- **San Diego State University**
  - B.A. Journalism
- **San Jose State University**
  - B.A. Journalism

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **University of Southern California (USC)**
  - B.A. Print Journalism
  - B.A. Broadcast Journalism
  - B.A. Public Relations

**ASSOCIATE DEGREE – 60 UNITS**

The Associate degree in Journalism involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 19 semester units in the Journalism area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSUGE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Journalism (19 units)**

*Required Courses: (10 units minimum)*
- Journalism 1, The News (3)
- Journalism 15, Introduction to Multimedia Storytelling (3)
- Journalism 16, Producing the Campus Newspaper (4.4)

*Select at least one course from each group:*

**GROUP A**
- Broadcasting 4A, Newscasting and Newswriting (3)
- Journalism 3, Editing (3)
- Journalism 8, Writing to Sell (3,3)
- Journalism 17, Editing the Campus Newspaper (2,2)
- Journalism 18, Opinion Writing (3)
- Journalism 19, Online Newspaper (3,3)
- Journalism 20, Producing Magazines for the Web (3,3)
- Journalism 43, Public Relations and Publicity (3)
- Journalism 90, Internship (2,2,2)

**GROUP B**
- CIS 50, Internet, HTML, and Web Design (3)
- CIS 56, Web Media Production (3)
- CIS 59A, Dreamweaver I (3)
- CIS 60A, Photoshop I (3)
- Entertainment Technology 31A, Digital Video Fundamentals (3)
- Journalism 21, News Photography (3,3)
- Photography 29, Video Production for Still Photographers (3)

**GROUP C**
- Communication 1, Survey of Mass Media (3)
- Communication 2, Reading Media: Acquiring Media Literacy Skills (3)
- Communication 10, Journalism, Gender and Race (3)

---

**Kinesiology Physical Education**

Physical Education prepares people to teach or coach sports for all age levels. Kinesiology or Physiological Science can lead to careers in physical therapy, athletic training, exercise physiology and sports medicine.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- **University of California, Davis**
  - A.B. Exercise Science
  - B.S. Exercise Science

- **California State University, Dominguez Hills**
  - B.A. Physical Education
  - Fitness Director option
  - Pre-Physical Therapy option
  - Teaching option

- **California State University, Long Beach**
  - B.S. Athletic Training
  - B.S. Kinesiology
  - Exercise Science option
  - Fitness option
  - Kinesiotherapy option
  - Physical Education option
  - Sport Psychology and Coaching option

- **California State University, Los Angeles**
  - B.S. Exercise Science
  - Exercise and Nutrition option
  - B.S. Kinesiology
  - Dance concentration

- **California State University, Northridge**
  - B.S. Athletic Training
  - Applied Fitness and Active Lifestyle Development option
ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Kinesiology Physical Education involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 28 semester units in the Kinesiology Physical Education area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Kinesiology Physical Education (28 units)
Required Courses: (23 units)
- Anatomy 1, Human Anatomy (4)
- Physiology 3, Human Physiology (4)
- PRO CR 10, Introduction to Kinesiology (3)
- PRO CR 11, Introduction to Sports Injuries (3)
- Math 22, College Algebra (3) or Math 52, Elementary Statistics (3)
- Psychology 1, General Psychology (3)
- Sociology 1, Introduction to Sociology (3)

Select one course from the following:
- Chemistry 10, Introduction General Chemistry (5)
- Physics 6, General Physics (4)
- Physics 8, General Physics with Calculus (4)
- Physics 14, Introductory Physics with Lab (4)

Select additional courses to total 28 units from the following:
- Dance 20, Ethnic Dance (1,1)
- Dance 22, Mexican Dance (2,2)
- Dance 27, Brazilian Dance (2,2)
- Dance 31, Ballet (1,1)
- Health 10, Fundamental of Healthful Living (3)
- Kinesiology PE 3, Introduction to Exercise Physiology 1 (3)
- PRO CR 3, Coaching of Racket Sports (3)
- PRO CR 4, Coaching of Track and Field (3)
- PRO CR 6A, Coaching of Football (3)
- PRO CR 6B, Coaching of Baseball (3)
- PRO CR 12, Emergency Care and Water Safety Instruction (3)
- PRO CR 15, Sports Management (3)
- PRO CR 29A, Officiating Fall Sports (3)
- PRO CR 29B, Officiating Spring Sports (3)

Additional graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

Liberal Arts

The Liberal Studies Associate degree is available to students who enrolled at SMC in Spring 2010 or earlier and who have maintained continuous enrollment. (See page 51 for definition of continuous enrollment.) For Liberal Arts Associate degree requirements, please see the 2008-09 SMC catalog.

Liberal Arts – Arts & Humanities

The Liberal Arts – Arts & Humanities program focuses on combined studies in art and humanities, as distinguished from the social and behavioral sciences, with an emphasis on languages, literature, art, music, philosophy, and religion. This major provides a broad education that can be used in a variety of careers, including teaching.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

For additional information on Teacher Preparation, please see the Teacher Preparation guide, available online at www.smc.edu/articulation and in the Transfer/Counseling Center.

ASSOCIATE IN ARTS DEGREE

The Associate degree in Liberal Arts – Arts & Humanities involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 18 semester units in the Arts & Humanities area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements. For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Liberal Arts (18 units)

Program Learning Outcomes: Students completing a degree in Liberal Arts – Arts & Humanities will demonstrate through oral and written academic work knowledge of the arts and humanities and be prepared to pursue further study in a related major at the baccalaureate level. Students will be proficient in the research, analytical, and communication skills necessary to present a critical analysis.

Select from the following two groups: (Some of these courses will also satisfy GE areas IIA, IIB, and/or III. These courses are marked in bold.)

GROUP A: ARTS
Select at least two courses from different disciplines: (minimum 6 units required)
- Architecture (50) (same as Art 6), (51) (same as Art 7);
- Art (1), (2), (3), (4), (5), (6) (same as Architecture 50),
- (7) Art (1), (2), (3), (4), (5), (6) (same as Architecture 50),
- (7) (same as Architecture 51), (8), (9), (9A),
- 10A*, 10B*, 13, 20A*, 20B*, 40A*, 40B, 43A, 43B,
- (71), (72), (73) (same as Photography 52), (79) (satisfies Global Citizenship requirement if completed Fall 2008 or later);
- Art History 1, 2, 3, 11 (satisfies Global Citizenship requirement if completed Fall 2008 or later),
- 15, 17, 18, 21, 22, 52 (same as Photography 52), 71, 72; Cinema (1), (2), (4), (5), (6), (2), (8), (9), (10);
- Dance 2, 5; Entertainment Technology 61 (same as Graphic Design 74); Film Studies 1, 2, 5, 6, 8, 9, 10;
- Graphic Design 74 (same as Entertainment Technology 61);
- Interior Architectural Design 30, 34, 41, 42, 60, 66;
- Interior Design (30), (34), (41), (42), (60), (66);
- Music 1, 30, 31, 32, 33 (satisfies Global Citizenship requirement if completed Fall 2005 or later),
- 34, 35, 36 (satisfies Global Citizenship if completed Fall 2009 or later), 37, 39, 60A*, 60B*, 66; Photography 52 (same as AHIS 52 and Art 73); Theatre Arts 2, 5, 7, 41

( ) Courses in parentheses are no longer offered.
*May be 1.5 or 2 unit course; additional course may be required to meet minimum 6 unit Arts requirement.

PLEASE NOTE: Courses that fulfill the Global Citizenship requirement are designated by bold underlined text.

GROUP B: HUMANITIES
Select at least two courses from different disciplines: (minimum 6 units required)
- American Sign Language 1, 2; Arabic 1; Chinese 1, 2, 3, 4, 8, 9; English 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 (same as Film Studies 11), (12*), 14, 15, 17, 18, (25*), 26 (same as Humanities 26), (27A-Z*), 30A, 30B, (30C), (30D),
- 31, 32 (same as History 30), 34, 38, 39, 40, 41, 45, 50, 51 (same as Religious Studies 51), 52 (same as Religious Studies 52), 53, 54, 55, 56, 57, 58, 59; Film Studies 11 (same as English 11); Environmental Studies 20 (same as Philosophy 20); French 1, 2, 3, 4, 8, (12);
- German 1, 2, 3, 4, 8; Hebrew 1, 2, 3, 4, 8; History 30 (same as English 32), 48 (same as Philosophy 48), 53, 55; Humanities 26 (same as English 26); Italian 1, 2, 3, (4), 8; Japanese 1, 2, 3, 4, 8; Korean 1, 2, 3, 4, Persian 1, 2; Philosophy 1, 2, 3, 4, 5, 6, 10, 11, 20 (same as Environmental Studies 20), 22 (same as Religious Studies 22), 23 (same as Religious Studies 23), 24, 41, 48 (same as History 48), 51 (same as Political Science 51), 52 (same as Political Science 52); Political Science 51 (same as Philosophy 51), 52 (same as Philosophy 52); Religious Studies (22) (same as Philosophy 22), (23) (same as Philosophy 23), 51 (same as English 51), 52 (same as English 52); Russian 1, 2, (3), (4), 8; Spanish 1, 2, 3, 4, 8, 9, 11, 12, 20; Speech 2, 4; Turkish 1

( ) Courses in parentheses are no longer offered.
*May be 1.5 or 2 unit course; additional course may be required to meet minimum 6 unit Arts requirement.

PLEASE NOTE: Courses that fulfill the Global Citizenship requirement are designated by bold underlined text.

Library Arts – Social & Behavioral Science

The Liberal Arts – Social & Behavioral Science program focuses on the combined study of the social and behavioral sciences, as distinguished from the arts and humanities, with an emphasis on economics, history, political science, psychology, sociology, and anthropology. This major provides a broad education that can be used in a variety of careers, including teaching.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

For additional information on Teacher Preparation, please see the Teacher Preparation guide, available online at www.smc.edu/articulation and in the Transfer/Counseling Center.

ASSOCIATE DEGREE

The Associate degree in Liberal Arts – Social & Behavioral Science involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 18 semester units in the Social & Behavioral Science area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Liberal Arts (18 units)

Program Learning Outcomes: Students completing a degree in Liberal Arts – Social & Behavioral Science will demonstrate through oral and written academic work knowledge of the social and behavioral sciences and be prepared to pursue further study in a related major at the baccalaureate level.

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Students will be proficient in the research, analytical, and communication skills necessary to present a critical analysis.

Select from the following two groups: (Some of these courses will also satisfy GE areas IIA, IIB, and/or III. These courses are marked in bold.)

GROUP A: SOCIAL SCIENCE
Select at least two courses from different disciplines: (minimum 6 units required)

Economics 1, 2, 3 (satisfies Global Citizenship requirement if completed Spring 2008 or later) (same as Global Studies 5 and Political Science 5), 6, 15 (same as History 15); Environmental Studies 7 (satisfies Global Citizenship requirement if completed Fall 2001 or later) (same as Geography 7); Geography 2, 7 (same as Environmental Studies 7), 8 (same as Urban Studies 8), 11 (same as Global Studies 11). 14: Global Studies 5 (satisfies Global Citizenship requirement if completed Spring 2008 or later) (same as Economics 5 and Political Science 5), 10, 11 (same as Geography 11); History 1, 2, 3, 4, 5, 6, 10, 11, 12, 13, 15 (same as Economics 15), 16, 19, 20, 21, 22, 23, 24, 25, 26, (28), 29, 30, 33, 34, (35), (36), (37). 38, 39, 41, 42, 43, 45, 46, 47, 48 (same as Philosophy 48), 52, 55, 62; Philosophy 48 (same as History 48), 51 (same as Political Science 51), 52 (same as Political Science 52); Political Science 1, 2, 5 (satisfies Global Citizenship if completed Spring 2008 or later) (same as Economics 5 and Global Studies 5), 7, 8, 11, 14, 21, 22, 23, (28), 31, 47, 51 (same as Philosophy 51), 52 (same as Philosophy 52); Sociology 1, 18, 2, 5, 4, 12, (22). 30, 31, 32, 33, 34: Urban Studies 8 (same as Geography 8); Women’s Studies 10, 20, 30

( ) Courses in parentheses are no longer offered.
*May be 1.5 or 2 unit course; additional course may be required to meet minimum 6 unit Arts requirement.

GROUP B: BEHAVIORAL SCIENCE
Select at least two courses from different disciplines: (minimum 6 units required)

Anthropology 2 (satisfies Global Citizenship requirement if completed Fall 2008 or later), 3, 4, 7, 14 (satisfies Global Citizenship requirement if completed Fall 2008 or later), 20, 21, 22; Bilingual Studies 1; Communication 1, 10; Early Childhood Education 11 (satisfies Global Citizenship requirement if completed Fall 2009 or later), 18 (same as Psychology 18); Environmental Studies 40 (satisfies Global Citizenship requirement if completed Fall 2011 or later) (same as Psychology 40); Home Economics (6) (same as Psychology 6); Human Development (12); Nutrition 2; Psychology 1, 3, 5, 6 (same as Home Economics 6), 11 (same as Early Childhood Education 1), 12, 13, 14, 18 (same as Early Childhood Education 18), 19, 25, 40 (satisfies Global Citizenship requirement if completed Fall 2011 or later) (same as Environmental Studies 40): Speech 7

( ) Courses in parentheses are no longer offered.
*May be 1.5 or 2 unit course; additional course may be required to meet minimum 6 unit Arts requirement.

PLEASE NOTE: Courses that fulfill the Global Citizenship requirement are designated by bold underlined text.

Mathematics

Mathematicians use symbolic languages to set up and analyze relationships among quantities and qualities of things, events, and places. Pure mathematicians develop the theories to further the science of mathematics. Possible careers include actuary, computer engineer, cryptographer, satellite communications expert, robotics programmer, statistician and teacher.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

• University of California, Berkeley
  B.A. Mathematics/Applied Mathematics

• University of California, Davis
  A.B. Mathematics
  B.S. Mathematics
  A.B. Statistics
  B.S. Statistics (General Option)
  B.S. Statistics (Computer Science)

• University of California, Irvine
  B.S. Mathematics

• University of California, Los Angeles
  B.S. Mathematics
  Other majors offered:
  Mathematics of Computation
  Mathematics/Economics
  Mathematics/Scientific Computation

• University of California, San Diego
  B.A. Mathematics
  Other majors offered:
  B.A. Applied Mathematics/B.S. Scientific Computation
  B.A. Mathematics/Computer Science

• University of California, Santa Barbara
  B.S. Mathematics/B.S. Mathematical Sciences
  B.A. Mathematics

• University of California, Santa Cruz
  B.A. Mathematics

• California State University, Northridge
  B.A. Mathematics
  B.S. Mathematics
Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- **Loyola Marymount University**
  B.S. Mathematics

General education requirements for the University of California, California State University and other local universities are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

---

**Mathematics – Associate of Science for Transfer (AS-T)**

Upon successful completion of Santa Monica College’s Associate of Arts in Mathematics, the student will have demonstrated an understanding of Calculus of one and several variables, Linear Algebra, as well as other applied math courses and courses from other disciplines that utilize mathematics in their content. This coursework will satisfy most of the lower-division mathematics requirements at many institutions at both the University of California and the California State University systems. This degree is intended for students who are interested in the theory of mathematics and are planning on transferring to a four-year university and majoring in Mathematics, Physics, Engineering, or Computer Science.

*Completion of this degree will give you priority admission consideration at the CSU and majors listed below. In addition, you will be held to no more than 60 semester/90 quarter CSU units of coursework after transfer to complete your degree. If you are planning to consider transferring to a UC, private or out of state university, please consult a counselor before applying to transfer, as transfer requirements might be different than those required for the AS-T in Mathematics.*

**ASSOCIATE DEGREE IN MATHEMATICS FOR TRANSFER TO THE CSU**

The Associate in Science for Transfer (AS-T) is granted upon successful completion of a program of study with a minimum of 60 semester units with an overall average grade of C or higher. The following is required:

1. Minimum of 60 CSU-transferable semester units.
2. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.
3. Completion of major coursework detailed below. All courses in the major must be completed with a grade of C or better.
4. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework.

**ASSOCIATE DEGREE – 60 UNITS**

The Associate of Science degree in Mathematics for Transfer to CSU involves satisfactory completion of a minimum of 60 CSU transferable semester units with a C average or higher including at least 21 semester units in the Mathematics area of emphasis (articulated below).

Students must complete the IGETC or CSU GE pattern.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Mathematics for Transfer (21 units)**

Required Courses: (18 units)
- Math 7, Calculus 1 (5)
- Math 8, Calculus 2 (5)
- Math 11, Multivariable Calculus (5)
- Math 13, Linear Algebra (3)

Select at least one course from the following: (3 units)
- CS 10, Discrete Structures (3)
- Math 10, Discrete Structures (3) *(strongly recommended)*
- Math 15, Ordinary Differential Equations (3) *(strongly recommended)*
- Physics 8, General Physics with Calculus (4)
- Physics 21, Mechanics with Lab (5)

**TRANSFER**

Upon completion of the Santa Monica College Associate of Science in Mathematics for Transfer degree, the student will be eligible for priority admission consideration to the following majors:

- **California State University, Bakersfield**
  - B.S. Mathematics – Applied option
  - B.S. Mathematics – Statistics option
  - B.S. Mathematics – Teaching option
  - B.S. Mathematics – Theoretical option

- **California State University, Chico**
  - B.S. Mathematics

- **California State University, East Bay**
  - B.S. Mathematics
  - B.S. Mathematics – Applied Mathematics option
  - B.S. Mathematics Teaching option
  - B.S. Statistics

- **California State University, Fullerton**
  - B.A. Mathematics

- **California State University, Monterey Bay**
  - B.S. Mathematics – Pure Math Concentration
  - B.S. Mathematics – Secondary Teaching Concentration

- **California State University, Northridge**
  - B.S. Mathematics – Applied Mathematics option

- **California State University, San Bernardino**
  - B.A. Mathematics

- **California State University, Stanislaus**
  - B.A. Mathematics

---

*Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.*

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.

  B.A. Mathematics – Secondary Teaching Concentration
  B.A. Statistics
  B.S. Mathematics – Applied Mathematics Concentration
  B.S. Mathematics – Computer Science Concentration

Music

Musicians play, arrange, conduct, and compose musical compositions. Most musicians specialize in either popular or classical music, and are either solo artists or a member of a musical group. Composers create and write compositions expressing ideas of feelings in musical form. Performers are often also composers, or lyricists who write the words to songs and work closely with the composer. In addition to performing, many musicians teach instrumental music.

The music curriculum provides educational opportunities designed to meet the needs of students who wish to explore as well as increase their knowledge, performance skills and appreciation of music. This is fulfilled through a program inclusive of applied and group music instruction, history, vocal and instrumental ensembles and theory.

Music History is the study of the historical evolution of music as a social and intellectual phenomenon which includes the development of musical instruments and techniques and the analysis and criticism of musical literature. Students study music around the world during different eras including the roots of the music and the political events that inspired them. Careers include musicologists and music teachers.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Davis
  Music A.B.

- University of California, Irvine
  Music (B.A. or B.S. Music)
  Bachelor of Music (Special String Performance)

- University of California, Riverside
  Music B.A.
  Music and Culture B.A.

- University of California, San Diego
  Music/Humanities B.A.
  Music: Interdisciplinary Computing in the Arts, B.A.

- University of California, Santa Barbara
  B.A./B.M. Music

- California State University, Monterey Bay
  B.A. Music

- California State University, Northridge

  Music Education option
  Music Therapy option

- San Francisco State University
  B.A./B.M. Music

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Loyola Marymount University
  B.A. Music in the following concentrations:
  Choral Conducting
  Instrumental Conducting
  Instrumental Studies
  Music History/Literature
  Theory/Composition
  Vocal Studies
  World Music/Ethnomusicology

General education requirements for the California State Universities and Colleges and other local universities are listed elsewhere in this catalog, as well as online (go to www.smc.edu/articulation).

ASSOCIATE DEGREE – 60 UNITS

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in
effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**General Music (39 units)**

The Associate degree in Music involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 39 semester units in the General Music area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

**Required Courses: (18-21 units)**

Music 1, Fundamentals of Music (3) or Music 66, Fundamentals of Music and Beginning Piano (5)

Music 2, Musicianship (2)
Music 3, Musicianship (2)
Music 4, Musicianship (2)
Music 6, Diatonic Harmony (3)
Music 7, Chromatic Harmony (3)
Music 8, Modulation and Analysis (3)

All students must complete 8 units of performance ensemble selected from:

Music 40, Opera Workshop (2,2,2)
Music 42, Advanced Opera Production (5,5,5)
Music 45, Musical Theatre Workshop (3,3)
Music 52, Advanced Production – Musical Theatre (5,5,5)
Music 53, Jazz Vocal Ensemble (2,2,2,2)
Music 55, Concert Chorale (2,2,2,2)
Music 59, Chamber Choir (2,2,2,2)
Music 64, Piano Ensemble (2,2,2,2)
Music 74, Orchestra (2,2,2,2)

Music 76, Intermediate Brass, Woodwinds and Percussion (2,2,2,2)

Music 77, Wind Ensemble (2,2,2,2)
Music 78, Jazz Ensemble (2,2,2,2)

Music 81, Introduction to Mariachi Performance (2,2,2,2)

All students must complete a minimum of 4 units from the following:

Music 60A, Elementary Piano – First Level (2) or Music 66, Fundamentals of Music and Beginning Piano (5) [only 2 units apply to piano requirement; student will need to take 2 additional units of piano to fulfill this area]

Music 60B, Elementary Piano – Second Level (2)
Music 60C, Elementary Piano – Third Level (2)
Music 60D, Elementary Piano – Fourth Level (2)
Music 61A, Intermediate Piano – Fifth Level (2)
Music 61B, Intermediate Piano – Sixth Level (2)

Piano majors may be exempt by examination given by the piano faculty.

Students beyond the intermediate/early advanced level in piano may be exempted from this requirement by audition. Certification of the exemption by the Music Department must be filed with the petition for graduation. Students exempted from this requirement receive course credit but do not receive unit credit.

Select additional units to meet minimum of 39 units from:

Music 10, Popular Harmony and Arranging (3)
Music 12, Introduction to Music Technology (3)
Music 13, Tonal Counterpoint (3)
Music 15, Lettering (3)
Music 24, Conducting (2,2)
Music 30, Music History I (3)
Music 31, Music History II (3)
Music 32, Appreciation of Music (3)
Music 33, Jazz in American Culture (3)
Music 34, Survey of Piano Music (3)
Music 35, Women in Music (3)
Music 36, History of Rock Music (3)
Music 37, Music in American Culture (3)
Music 39, History Of Opera (3)
Music 40, Opera Workshop (2,2,2)
Music 42, Advanced Opera Production (5,5,5)
Music 45, Musical Theatre Workshop (3,3)
Music 50A, Elementary Voice (2,2)
Music 50B, Intermediate Voice (2,2,2,2)
Music 52, Advanced Production – Musical Theatre (5,5,5)
Music 53, Jazz Vocal Ensemble (2,2,2,2)
Music 57, Advanced Vocal Performance Techniques (2,2)
Music 59, Chamber Choir (2,2,2,2)

Music 60A, Elementary Piano – First Level (2) or Music 66, Fundamentals of Music and Beginning Piano (5) [only 2 units apply to piano requirement; student will need to take 2 additional units of piano to fulfill this area]

Music 60B, Elementary Piano – Second Level (2)
Music 60C, Elementary Piano – Third Level (2)
Music 60D, Elementary Piano – Fourth Level (2)
Music 61A, Intermediate Piano – Fifth Level (2)
Music 61B, Intermediate Piano – Sixth Level (2)
Music 63, Sight Reading at Keyboard (2,2,2,2)
Music 64, Piano Ensemble (2,2,2,2)
Music 65A, Keyboard Improvisation I (3)
Music 65B, Keyboard Improvisation II (3)
Music 70A, String Instrument Techniques (2,2)
Music 70B, Intermediate Strings Techniques (2,2)
Music 70C, Advanced String Techniques (2,2)
Music 71, Woodwind Instrument Techniques (2,2)
Music 72, Brass Instrument Techniques (2,2)
Music 73A, Percussion Instrument Techniques (2,2)
Music 73B, Intermediate Percussion ensemble Instrument Techniques (2,2)

Music 74, Orchestra (2,2,2,2)

Music 76, Intermediate Brass, Woodwinds and Percussion (2,2,2,2)

Music 77, Wind Ensemble (2,2,2,2)
Music 78, Jazz Ensemble (2,2,2,2)

Music 81, Introduction to Mariachi Performance (2,2,2)

Music 84A, Popular Guitar, First Level (2,2)
Music 84B, Popular Guitar, Second Level (2,2,2,2)
Music 87A, Classical and Flamenco Guitar, First Level (2,2)
Music 87B, Classical and Flamenco Guitar, Second Level (2,2,2,2)

Recommended Courses:
Music 30, Music History I (3)
Music 31, Music History II (3)

Applied Music (39 units)
The Associate degree in Applied Music involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 39 semester units in the Applied Music area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Required Courses: (15 units)
Music 2, Musicanship (2)
Music 3, Musicanship (2)
Music 4, Musicanship (2)
Music 6, Diatonic Harmony (3)
Music 7, Chromatic Harmony (3)
Music 8, Modulation and Analysis (3)

Select 4 units from:
Music 60A, Elementary Piano – First Level (2)
Music 60B, Elementary Piano – Second Level (2)
Music 60C, Elementary Piano – Third Level (2)
Music 60D, Elementary Piano – Fourth Level (2)
Music 61A, Intermediate Piano – Fifth Level (2)
Music 61B, Intermediate Piano – Sixth Level (2)

Piano majors may be exempt by examination given by the piano faculty.

Students beyond the intermediate/early advanced level in piano may be exempted from this requirement by audition. Certification of the exemption by the Music Department must be filed with the petition for graduation. Students exempted from this requirement receive course credit but do not receive unit credit.

All students must complete 4 semesters of performance ensemble selected from:
Music 40, Opera Workshop (2,2,2)
Music 42, Advanced Opera Production (5,5,5,5)
Music 45, Musical Theatre Workshop (3,3)
Music 52, Advanced Production-Musical Theatre (5,5,5)
Music 53, Jazz Vocal Ensemble (2,2,2,2)
Music 55, Concert Chorale (2,2,2,2)
Music 59, Chamber Choir (2,2,2,2)
Music 64, Piano Ensemble (2,2,2,2)
Music 74, Orchestra (2,2,2,2)
Music 76, Intermediate Brass, Woodwinds and Percussion (2,2,2,2)
Music 77, Wind Ensemble (2,2,2,2)
Music 78, Jazz Ensemble (2,2,2,2)
Music 81, Introduction to Mariachi Performance (2,2,2)

12 units required:
Music 92, Applied Music Instruction (2,2,2,2) – four semesters
Music 94, Concert Music Class (1,1,1,1) – four semesters

Nursing – RN

The objectives of this program are to prepare students to meet the minimum standards of the California Board of Registered Nursing and employment in the field. Students must complete all requirements for the Associate degree in order to graduate from the program (exception: LVN 30 unit option). The Associate Degree in Nursing (ADN) requires satisfactory completion of at least 71 semester units with a C average or higher in the Nursing area of emphasis (articulated below), the Global Citizenship requirement*, and fulfillment of Santa Monica College general education requirements, CSU GE, or IGETC. Nursing students who earned a Bachelor’s degree or higher in a regionally accredited institution are not required to complete GE requirements at the community college.

Upon completion, graduates are eligible to apply to take the National Council Licensing Examination (NCLEX) to become a Registered Nurse.

Students seeking admission to the Nursing Program MUST meet the following criteria:

- A cumulative grade point average of 2.5 for all college coursework;
- An overall grade point average of 2.5 for the Human Anatomy, Human Physiology, and Microbiology prerequisite courses, taken in the last 5 years, with no grade less than C for each course, and no more than one repetition/withdrawal in the group of courses;
- College-level English composition class (minimum 3 semester units) with a grade of no less than C;
- Be in good standing at Santa Monica College (not on academic or progress probation);
- Meet the minimum physical qualifications & essential functions (more information at www.smc.edu/nursing/ majorpreparation.html);
- Have negative criminal background check;
- Take and achieve the required score on an Admissions Assessment; and
- Have a valid Social Security number.

Application for admission to the nursing program is made through a nursing program counselor at SMC’s Bundy Campus. See www.smc.edu/nursing for more information.

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions.

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.
For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.

ASSOCIATE DEGREE – NURSING (ADN)

The Associate degree in Nursing involves satisfactory completion of 71 semester units with a C average or higher in the Nursing area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by successfully completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

ADN Curriculum – 71 units

Prerequisite Courses: (16 units)

- English 1, Reading and Composition 1 (3)
- Anatomy 1, General Human Anatomy (4)
- Physiology 3, Human Physiology (4)
- Microbiology 1, Fundamentals of Microbiology (5)

Once above prerequisites are completed you may then meet with the nursing counselors to apply to the program. There is a 1-3 semester wait period from the date of application. Nursing Theory courses have a corresponding Clinical (laboratory) component that must be taken concurrently.

Level 1/First Semester: 8 units

Admission to the nursing program:

Nursing 10, Nursing Skills (2)
Nursing 10L, Nursing Skills Laboratory (2)
Prerequisite Courses: Nursing 10, Nursing 10L, Nursing 36
Nursing 15, Nursing Fundamentals (2)
Nursing 15L, Nursing Fundamentals Laboratory (2)

Level 2/Second Semester: 8 units

Prerequisite Courses: Nursing 15, Nursing 15L
Nursing 20, Introduction to Medical/Surgical Nursing (2)
Nursing 20L, Introduction to Medical/Surgical Nursing Laboratory (2)
Prerequisite Courses: Nursing 20, Nursing 20L, Nursing 19*
Nursing 25, Psychiatric Mental Health Nursing (1.5)
Nursing 25L, Psychiatric Mental Health Nursing Laboratory (1.5)
Nursing 28, Community-Based Nursing Practice (1)*
Nursing 28, Nursing 16 and Nursing 25L must be taken concurrently with Nursing 25

Level 3/Third Semester: 10 units

Prerequisite Courses: Nursing 25, Nursing 25L, Nursing 16, 17, 28
Nursing 30, Intermediate Medical/Surgical Nursing (2.5)
Nursing 30L, Intermediate Medical/Surgical Nursing Laboratory (2.5)
Nursing 35, Advanced Medical/Surgical Nursing (2.5)

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Nursing 35L, Advanced Medical/Surgical Nursing Laboratory (2.5)

Level 4/Fourth Semester: 9 units
Prerequisite Courses: Nursing 35, Nursing 35L, Psychology 19
Nursing 40, Nursing of Children/Pediatrics (1.5)
Nursing 40L, Nursing of Children/Pediatrics Laboratory (1.5)
Nursing 45, Women’s Health Care (1.5)
Nursing 45L, Women’s Health Care Laboratory (1.5)
Prerequisite Courses: All courses that are part of the Nursing curriculum plan.
Nursing 50, Professional Role Transition (1)
Nursing 50L, Professional Role Transition Laboratory (2)

Additional ADN Graduation Requirements*: (19 units)
Each course must be completed with a grade of C or higher, except for Social Science Group A, Global Citizenship/Humanities, and Math, which must be completed with a grade of D or higher.

Speech 5*, Interpersonal Communication (3)
Psychology 19*, Lifespan Human Development (3)
Sociology 1, Introduction (3)

Global Citizenship/Humanities (select one course from the following): Art (72, 79) (satisfies Global Citizenship requirement if completed Fall 2008 or later), Art History 11 (satisfies Global Citizenship requirement if completed Fall 2008 or later), 72, Cinema (7) (see Film Studies), Dance 2, English 9, 10, Film Studies 7, Music 33 (satisfies Global Citizenship requirement if completed Fall 2005 or later), 36 (satisfies Global Citizenship requirement if completed Fall 2009 or later), 37
Speech 4 (3)
Nursing 17*, Pharmacology (3)
Nursing 36*, Calculations in Drugs and Solutions (1)
Social Science – Group A (3)/History 11, 12, 15 (same as Economics 15), 45, 46, Political Science 1

OPTION 1:
Math: Select one option from the following three:
1. Computer Science 10 (same as Math 10); Math 2, 7, 8, 10, 11, 13, 15, 18, 20, 21, (22), (23), (24), 26, 28, 29, 32 (satisfies area if completed Fall 2006 or later), 41, 52, 54
() Courses in parentheses are no longer offered.

OPTION 2:
2. Students who enrolled at Santa Monica College in Fall 2007 and have maintained continuous enrollment* must: Pass Math Proficiency Test** and one of the courses listed at the end of this option or complete the Santa Monica College math assessment and place into Math 18, 20, 32, or higher and take one of the following courses: Accounting 1, 2; Computer Science; Philosophy 7, 9; Sociology 4; Speech 11

OPTION 3:
3. Students who enrolled at Santa Monica College prior to Fall 2007 and have maintained continuous enrollment* must: Pass Math Proficiency Test** and one of the courses listed at the end of this option or complete the Santa Monica College math assessment and place into Math 18, 20, 32, or higher and take one of the following courses: Accounting 1, 2, 21; Business 32; Computer Information Systems/Computer Science; English 2, 23, 48; ESL 23; Journalism 1; Philosophy 7, 9; Psychology 5; Sociology 4; Speech 1, 2, 5, 11
*Continuous enrollment is defined as enrollment in each Fall and Spring semester until graduation.
**Students may complete this exam any time within one year of their anticipated graduation date. Note that students may retake only once after an 8 week wait.

LVN to ADN, Career Ladder Curriculum Option
(for LVNs Only)

Pre-Preparation:
English Assessment Test
Math Assessment Test
High School Chemistry or Chemistry 10

Prerequisite Courses: (18 units)
Each course must be completed with a grade of C or higher.

English 1, Reading and Composition (3)
Anatomy 1, Human Anatomy (4)
Physiology 3, Human Physiology (4)
Microbiology 1, Introduction (5)
Nursing 19, Orientation for Advanced Placement in ADN program (2)

Additional ADN Graduation Requirements*: (18 units)
Each course must be completed with a grade of C or higher, except for Social Science Group A, Global Citizenship/Humanities, and Math, which must be completed with a grade of D or higher.

Speech 5, Interpersonal Communication (3)
Psychology 19, Lifespan Human Development (3)
Sociology 1, Introduction (3)

Global Citizenship/Humanities (select one course from the following): Art (72, 79) (satisfies Global Citizenship requirement if completed Fall 2008 or later), Art History 11 (satisfies Global Citizenship requirement if completed Fall 2008 or later), 72, Cinema (7) (see Film Studies), Dance 2, English 9, 10, Film Studies 7, Music 33 (satisfies Global Citizenship requirement if completed Fall 2005 or later), 36 (satisfies Global Citizenship requirement if completed Fall 2009 or later), 37
Speech 4 (3)
Nursing 17, Pharmacology (3)

OPTION 1:
Math: Select one option from the following three:
1. Computer Science 10 (same as Math 10); Math 2, 7, 8, 10, 11, 13, 15, 18, 20, 21, (22), (23), (24), 26, 28, 29, 32 (satisfies area if completed Fall 2006 or later), 41, 52, 54
() Courses in parentheses are no longer offered.

OPTION 2:
2. Students who enrolled at Santa Monica College in Fall 2007 and have not maintained continuous enrollment* must: Pass Math Proficiency Test** and one of the courses listed at the end of this option or complete the Santa Monica College math assessment and place into Math 18, 20, 32, or higher and take one of the following courses: Accounting 1, 2; Computer Science; Philosophy 7, 9; Sociology 4; Speech 11

OPTION 3:
Each course must be completed with a grade of C or higher.

Nursing 16, Physical Assessment (1) /
Nursing 25, Psychiatric Mental Health Nursing (1.5)
Nursing 25L, Psychiatric Mental Health Nursing Laboratory (1.5) /
Nursing 28, Community Based Nursing (1) /
Nursing 35, Advanced Medical/Surgical Nursing (2.5)
Nursing 35L, Advanced Medical/Surgical Nursing (2.5)
Nursing 28, Nursing 16 and Nursing 25L must be taken concurrently with Nursing 25

Level 4: Required Nursing Courses – 9 units

Each course must be completed with a grade of C or higher.

Nursing 40, Nursing of Children/Pediatrics (1.5)
Nursing 40L, Nursing of Children/Pediatrics Laboratory (1.5)
Nursing 45, Women’s Health Care (1.5)
Nursing 45L, Women’s Health Care Laboratory (1.5)
Nursing 50, Professional Role Transition (1)
Nursing 50L, Professional Role Transition Laboratory (2)

TOTAL UNITS: 55 UNITS

NOTE: Students who have not taken math to meet the Santa Monica College Associate degree general education requirements must take the Math Proficiency Assessment prior to receiving the degree. Students may complete this assessment any time within one year of their anticipated graduation date.

CURRICULUM 30-UNIT OPTION – NO ASSOCIATE DEGREE; OPTION OPEN TO LVNS ONLY

It is possible for an LVN to become eligible to take the RN license exam without having earned the Associate degree.

Requirements are:

Meeting admission requirements for the Nursing program; minimum physical qualifications; completion of all required courses listed below; and licensure in California as a vocational nurse in good standing with the Board of Vocational Nursing and Psychiatric Technical and at least one year of direct nursing experience within the past two years, preferably in an acute care setting. Persons interested in this curriculum option are advised that: (1) there are out of California licensure limitations; (2) there may be employment limitations; and (3) no degree is granted.

Pre-Preparation:
High School Chemistry or Chemistry 10

Prerequisites (with a grade of C or higher): 11 units
Physiology 3, Human Physiology (4)
Microbiology 1, Introduction (5)
Nursing 19, Orientation for Advanced Placement in ADN Program (2)

Nursing Theory courses have a corresponding Clinical (laboratory) component that must be taken concurrently.

Level 3: Required Nursing Courses – 10 units

Each course must be completed with a grade of C or higher.

Nursing 16, Physical Assessment (1) /
Nursing 25, Psychiatric Mental Health Nursing (1.5)

Nursing 25L, Psychiatric Mental Health Nursing Laboratory (1.5) /
Nursing 28, Community Based Nursing (1) /
Nursing 35, Advanced Medical/Surgical Nursing (2.5)
Nursing 35L, Advanced Medical/Surgical Nursing (2.5)
Nursing 28, Nursing 16 and Nursing 25L must be taken concurrently with Nursing 25

Level 4: Required Nursing Courses – 9 units

Each course must be completed with a grade of C or higher.

Nursing 40, Nursing of Children/Pediatrics (1.5)
Nursing 40L, Nursing of Children/Pediatrics Laboratory (1.5)
Nursing 45, Women’s Health Care (1.5)
Nursing 45L, Women’s Health Care Laboratory (1.5)
Nursing 50, Professional Role Transition (1)
Nursing 50L, Professional Role Transition Laboratory (2)

GLOBAL CITIZENSHIP REQUIREMENT

Students who entered Santa Monica College prior to Fall 1998 are exempt from this requirement only if continuous enrollment has been maintained. (Continuous enrollment is defined as enrolling in each Fall and Spring Semester until graduation).

ASSOCIATE DEGREE FOR RN WITH NO COLLEGE CREDIT

A registered nurse, who has trained in a hospital where no college credit is granted for such training and who holds a current California Registered Nurse license, may receive 30 units of credit in nursing toward an Associate degree at Santa Monica College. A petition for graduation can be made when at least 30 units, including all graduation requirements, have been completed or are in the process of being completed.

CAREER LADDER OPPORTUNITIES

Individuals with equivalent nursing education and licensed vocational nurses may be given transfer credit, advanced placement and/or be permitted to challenge nursing courses. A special application is required in addition to the regular college application. Contact the Health Sciences department for more information.

A licensed vocational nurse may become a graduate of the registered nursing program by completing the following requirements for the Associate degree: meeting admission requirements for the LVN to ADN curriculum, minimum physical qualifications, proof of valid California unrestricted LVN license and at least one year of direct nursing experience within the past two years, preferably in an acute care setting.

CONTINUING EDUCATION

Registered nurses seeking re-licensure must submit satisfactory proof that during the previous 24-month period the licensee has completed 30 hours of continuing education. Selected nursing courses qualify for continuing education credit. Other courses may be used if they relate to a specific area of job performance or pursuit of a higher degree in nursing.

The appropriate California board (Board of Registered Nursing or Board of Vocational Nurses and Psychiatric Technicians) should be contacted about the suitability of a
specific course for meeting the continuing education requirement for re-licensure. Upon completion of the course, the nurse should write "Provider Number 01050" on either the official grade sheet or transcript and maintain it as a record of satisfying the requirement.

NUTRITION AND DIETETICS

A program that prepares individuals to integrate and apply the principles of the food and nutrition sciences, human behavior, and the biomedical sciences to design and manage effective nutrition programs, and utilize food for human growth in a variety of settings including health care organizations, food service operations, business and industry (product development, marketing, consulting), education and research, health promotion, and private practice counseling. Careers include: Nutritionist, Nutrition Educator, Weight Loss Counselor, Diet Technician, Food Services Manager, Patient Services Manager, Dietician, Pediatric Dietician, Nutrition Researcher, Sports and Cardiac Rehabilitation Dietician, Nutrition Consultant, Diabetes Educator, and many others.

The Associate degree track may be completed in two years and consists of a core of liberal arts, nutrition and science courses. The support courses in the curriculum pattern allow the student to explore special interests that are related to their personal/professional goals/interests.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  B.S. Nutritional Science (The Department of Nutritional Science and Toxicology is located in the College of Natural Resources)
  Students select between two specializations:
  Physiology & Metabolism
  Dietetics

- University of California, Davis
  B.S. Clinical Nutrition
  B.S. Nutritional Science

- California State Polytechnic University, Pomona
  Foods and Nutrition: Dietetics
  Foods and Nutrition: Nutrition Science

- California State University, Northridge
  B.S. Family and Consumer Sciences
  Option in Nutrition, Dietetics and Food Dietetics

- California State University, Long Beach
  B.S. Dietetics & Food Administration

- California State University, Los Angeles
  B.S. Nutritional Science

- California State University, San Bernardino
  B.S. Nutrition and Food Sciences

- San Diego State University
  Food and Nutrition

- San Francisco State University
  B.S. Dietetics

General education requirements for the University of California and California State University and other local universities are available online at www.smc.edu/articulation and listed in the Academics section of this catalog.

OFFICE TECHNOLOGY

Formerly Office Information Systems

Office workers are responsible for a variety of administrative and clerical duties necessary to run and maintain organizations efficiently. They use a variety of software, produce correspondence, maintain databases, manage projects, as well as organize meetings, manage records, and schedule appointments. Office workers find employment in a variety of settings, such as corporations, government agencies, schools, and hospitals. Some related job titles include office assistant, administrative assistant, executive assistant, and data entry/clerical.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

ASSOCIATE DEGREE – 60 UNITS

The suggested program assumes no previous instruction in Office Technology courses. Beginning courses may be waived if students have sufficient skills to be eligible for the advanced courses.

The Associate degree in Office Technology involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 30-32 semester units in the General Office, 30 semester units in the Legal Administrative Assistant, or 33 semester units in the Medical Administrative Assistant, or 33-34 semester units in the Medical Coding and Billing Specialist area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of...
all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**General Office (30-32 units)**

The General Office program provides training in common skills used in the business office: keyboarding, computer applications, English, accounting, and business communications. General office workers obtain employment in many environments: corporate settings, government facilities, schools, and hospitals. Related job titles include administrative assistant, executive assistant, executive secretary, office assistant, and secretary. After gaining some work experience or specialized skills, many workers transfer to jobs with higher pay or greater advancement potential.

Students may qualify for an Associate degree in this major. The suggested program assumes no previous instruction in Office Technology courses. Beginning courses may be waived if students have sufficient skills to make them eligible for the advanced courses.

**Required Courses: (27-29 units)**

- Accounting 1, Accounting (5) or Accounting 21, Business Bookkeeping (3)
- Business 32, Business Communication (3)
- CIS 1, Computer Concepts with Applications (3)
- CIS 4, Introduction to Computers, Business Applications (3)
- OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar (1) and OFTECH 5B, Vocabulary (1) and OFTECH 5C, Proofreading (1)
- CIS 30, Microsoft Excel (3)
- CIS 37A, Microsoft Word I (3)
- CIS 37B, Microsoft Word II (3)
- CIS 39, MS Outlook – Comprehensive Course (3)

**Select 3 units from the following keyboarding courses:**

- OFTECH 1, Keyboarding 1 (3)
- OFTECH 1A, Keyboarding 1A (1)
- OFTECH 1B, Keyboarding 1B (1)
- OFTECH 1C, Keyboarding 1C (1)
- OFTECH 9, Keyboarding Improvement (1,1,1)
- OFTECH 10, Skill Building on the Keyboard (3)

Additional general education requirements are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

**Legal Administrative Assistant (30 units)**

Legal administrative assistants perform the administrative tasks in a law office, such as answering the telephone, managing files, preparing law office correspondence and legal documents, and maintaining the calendar. Legal administrative assistants are in great demand. Qualified legal administrative assistants who have strong skills can find lucrative opportunities with law firms and corporate legal departments, government agencies, and a variety of business and industries—such as banks, insurance companies, investment firms, and real estate companies. This program prepares students to pursue employment as a legal administrative assistant. Training is provided in legal terminology, law office procedures, legal research, computer technology, machine transcription and document preparation, keyboarding, and written and verbal communication.

**Required Courses: (27-29 units)**

- Business 5, Business Law (3)
- CIS 4, Introduction to Computers, Business Applications (3)
- CIS 30, Microsoft Excel (3)
- CIS 37A, Microsoft Word 1 (3)
- CIS 37B, Microsoft Word 11 (3)
- CIS 39, MS Outlook – Comprehensive Course (3)
- OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar and Punctuation (1) and OFTECH 5B, Vocabulary and Spelling (1) and OFTECH 5C, Proofreading (1)
- OFTECH 30, Legal Office Procedures (3)
- OFTECH 31, Legal Terms & Transcription (3)

**Select 3 units from the following keyboarding courses:**

- OFTECH 1, Keyboarding 1 (3)
- OFTECH 1A, Keyboarding 1A (1)
- OFTECH 1B, Keyboarding 1B (1)
- OFTECH 1C, Keyboarding 1C (1)
- OFTECH 9, Keyboarding Improvement (1,1,1)
- OFTECH 10, Skills Building on the Keyboard (3)

**Medical Administrative Assistant (33 units)**

The Medical Administrative Assistant certificate program prepares students for employment in a medical environment. Students develop skills and knowledge to perform a variety of duties to aid in the efficient workflow and operations of a medical related facility. Coursework indicates medical terminology, computer technology, medical law and ethics, and "front office" tasks such as patient scheduling, reception, coding and billing, transcription, and records management.

**Required Courses: (30 units)**

- CIS 4, Introduction to Computers, Business Applications (3)
- CIS 37A, Microsoft Word 1 (3)
- CIS 37B, Microsoft Word 11 (3)
- CIS 39, MS Outlook – Comprehensive Course (3)
- OFTECH 5, English Skills for the Office (3)
- OFTECH 20, Medical Vocabulary (3)
- OFTECH 21, Medical Terms & Transcription 1 (3)
- OFTECH 23, Medical Billing (MedSoft) (3)
- OFTECH 24, Medical Coding/Billing 1 (3)
- OFTECH 27, Medical Office Procedures (3)

**Select 3 units from the following keyboarding courses to complete the 33 required units:**

- OFTECH 1, Keyboarding 1 (3) or OFTECH 1A, Keyboarding 1A (1) and OFTECH 1B, Keyboarding 1B (1) and OFTECH 1C, Keyboarding 1C (1)
- OFTECH 9, Keyboarding Improvement (1,1,1)
- OFTECH 10, Skills Building on the Keyboard (3)

Major requirements for transfer change frequently. Please access ASSIST at www_assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
Medical Coding and Billing Specialist (33-34 units)

Medical Coding and Billing Specialists are primarily responsible for submitting documentation of patient medical care to insurance companies. Duties include billing insurance companies and patients; collecting payment for services; and documenting tests, treatments, and procedures, using correct medical terminology—referred to as “coding.” This program provides the training that is required to perform these duties. Employment outlook for medical coding/workers is expected to grow much faster than the average for all occupations through 2018, due to rapid growth in the number of medical tests, treatments, and procedures that will be increasingly scrutinized by third-party payers, regulators, courts, and consumers.

Program Learning Outcomes: Applying knowledge of diagnostic and procedural codes, the student will review patients’ medical records and assign appropriate codes for reimbursement and billing purposes. Using a computerized patient billing system, the student will enter patient and case information, process transactions and claims, create statements, and produce reports.

Required Courses: (30-31 units)
Anatomy 1, General Human Anatomy (4) or Biology 2, Human Biology (3)
CIS 4, Introduction to Computers, Business Applications (3)
CIS 30, Microsoft Excel (3)
CIS 30, Microsoft Excel (3)
OFTECH 5, English Skills for the Office (3)
OFTECH 20, Medical Vocabulary (3)
OFTECH 23, Medical Billing (MediSoft) (3)
OFTECH 24, Medical Coding/Billing (3)
OFTECH 25, Medical Coding/Billing 2 (3)
OFTECH 26, Medical Coding/Billing 3 (3)
OFTECH 27, Medical Office Procedures (3)

Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skill Building on the Keyboard (3)

Additional general education and graduation requirements for the Associate degree from Santa Monica College are listed on a separate sheet in the Transfer/Counseling Center, as well as online (go to www.smc.edu/articulation).

CERTIFICATES OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Certificate of Achievement in Medical Coding and Billing Specialist (33-34 units)

A Certificate of Achievement in Medical Coding and Billing Specialist will be granted upon completion of the major requirements listed above.

Certificate of Achievement in Legal Administrative Assistant (30 units)

A Certificate of Achievement in Legal Administrative Assistant will be granted upon completion of the major requirements listed above.

Certificate of Achievement in Medical Administrative Assistant (33 units)

A Certificate of Achievement in Medical Administrative Assistant will be granted upon completion of the major requirements listed above.

Certificate of Achievement in Medical Coding and Billing Specialist (33-34 units)

A Certificate of Achievement in Medical Coding and Billing Specialist will be granted upon completion of the major requirements listed above.

DEPARTMENT CERTIFICATES

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Department Certificate.

Clerical/Data Entry (12 units)

Organizations need to process a rapidly growing amount of information. Data entry workers help ensure the efficient handling of information processing. Duties include inputting data into computers and performing editing, proofreading, and clerical tasks. This certificate program provides training in the essential skills to carry out these tasks. Job opportunities exist in part-time, full-time, and work-at-home positions. Data entry workers are known by various job titles, such as data entry clerk, data entry operator, data entry specialist, and clerk. Data entry jobs frequently serve as stepping stones to higher paying positions with increased responsibilities.

Program Learning Outcomes: Using source materials, the student will use Microsoft Word, Excel, Access, and PowerPoint software to input data. Applying knowledge of grammar, punctuation, vocabulary, and spelling principles, the student will proofread and correct data input.

Required Courses: (9 units)
CIS 4, Introduction to Computers, Business Applications (3)
CIS 37A, Microsoft Word I (3)
CIS 37B, Microsoft Word II (3)
OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar and OFTECH 5B, Vocabulary (1) and OFTECH 5C, Proofreading (1)

Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skills Building on the Keyboard (3)

Medical Billing/Coding (15 units)

Medical Billing/Coding workers are primarily responsible for submitting documentation of patient medical care to insurance companies. Duties include billing insurance companies and patients; collecting payment for services; and documenting tests, treatments and procedures, using correct medical terminology – referred to as “coding”. The Medical Billing/Coding Certificate program provides the training that is required to perform these duties. Employment outlook for medical billing/coding workers is expected to grow much faster than the average for all occupations through 2012, due to rapid growth in the number of medical tests, treatments, and procedures that will be increasing scrutinized by third-party payers, regulators, courts, and consumers.

Program Learning Outcomes: Applying knowledge of diagnostic and procedural codes, the student will review patients’ medical records and assign appropriate codes for reimbursement and billing purposes. Using a computerized patient billing system, the student will enter patient and case information, process transactions and claims, create statements, and produce reports.

Required Courses: (12 units)
CIS 30, Microsoft Excel (3)
OFTECH 20, Medical Vocabulary (3)
OFTECH 23, MediSoft (3)
OFTECH 24, Medical Coding/Billing (3)

Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skill Building on the Keyboard (3)

Medical Records Clerk/Receptionist (15 units)

Employment of medical records technicians is expected to increase by 18 percent through 2016—faster than the average for all occupations, according to the U.S. Department of Labor. The Medical Records Clerk/Receptionist certificate is ideal for students who want to learn the basic skills needed to become employed in a healthcare setting. This certificate prepares students for entry-level records management/receptionists’ positions in hospitals, nursing homes, physician offices, and service agencies. Coursework includes training in storing, retrieving, and maintaining medical records; front desk procedures; medical vocabulary; computer technology; keyboarding; and written and verbal communications. With experience and additional education, medical records clerk/receptionists may advance to senior clerks, registered health information technicians (RHITs) registered health information administrators (RHIAs), consultants, and educators.

Program Learning Outcomes: Using knowledge of record keeping systems, students will organize and retrieve patient records using alphabetic, numeric, and color-coded systems. Applying knowledge of front desk procedures, students will demonstrate knowledge of appropriate telephone skills and face-to-face communications.

Required Courses: (11 units)
CIS 4, Introduction to Computers, Business Applications (3)
OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar and Punctuation (1) and OFTECH 5B, Spelling and Vocabulary (1) and OFTECH 5C, Proofreading (1)
OFTECH 20, Medical Vocabulary (3)
OFTECH 27, Medical Office Procedures (3)

Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skill Building on the Keyboard (3)

Medical Transcription (15 units)

The Medical Transcription certificate program prepares students to listen to dictated recordings made by physicians and other healthcare professionals and transcribe them into medical reports, correspondences, and other administrative material. Medical transcription is a particularly flexible career that easily lends itself to many different work styles. Medical transcriptionists work in hospitals, physicians' offices, transcription service offices, clinics, laboratories, and at home. According to the U.S. Department of Labor, employment of medical transcriptionists is projected to grow 21-35 per cent through 2012. With experience, medical transcriptionists can advance to supervisory positions, home-based work, editing, or consulting.

Program Learning Outcomes: Using transcription equipment and word processing software, the student will prepare medical documents that represent correct format, spelling, capitalization, number usage, punctuation, abbreviations, symbols, and metric measurement rules. In the preparation of medical documents, the student will use a variety of reference resources.

Required Courses: (12 units)
OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar and Punctuation (1) and OFTECH 5B, Spelling and Vocabulary (1) and OFTECH 5C, Proofreading (1)
OFTECH 20, Medical Vocabulary (3)
OFTECH 21, Medical Terms & Transcription I (3)
OFTECH 22, Medical Terms & Transcription II (3)

Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboarding Improvement (1,1,1)
OFTECH 10, Skill Building on the Keyboard (3)

Word Processing (15 units)

This certificate prepares students for both entry-level and advanced word processing positions in a variety of office settings. It also serves as a foundation for specialization in fields such as legal transcription and desktop publishing. The Word Processing Certificate includes courses in rapid and accurate keyboarding, document editing and formatting, advanced word processing techniques, English skills for the office, and an overview of the Microsoft Office Suite.
Required Courses: (12 units)
CIS 4, Introduction to Computers, Business Applications (3)
OFTECH 5, English Skills for the Office (3) or OFTECH 5A, Grammar and Punctuation (1) and OFTECH 5B, Spelling and Vocabulary (1) and OFTECH 5C, Proofreading (1)
CIS 37A, Microsoft Word I (3)
CIS 37B, Microsoft Word II (3)
Select 3 units from the following keyboarding courses:
OFTECH 1, Keyboarding 1 (3)
OFTECH 1A, Keyboarding 1A (1)
OFTECH 1B, Keyboarding 1B (1)
OFTECH 1C, Keyboarding 1C (1)
OFTECH 9, Keyboard Improvement (1, 1, 1)
OFTECH 10, Skill Building on the Keyboard (3)

**Philosophy**

Programs in philosophy are designed to develop the reasoning skills needed to understand and evaluate beliefs about man, society, reality, knowledge, truth, values, etc. Skills in thinking and problem solving, research, writing, criticism, and analysis are emphasized. Philosophy programs provide a background for fields such as law, theology, journalism, business, or public service. Some students earn graduate degrees to become college philosophy teachers.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at [www.smc.edu/articulation](http://www.smc.edu/articulation). Articulation agreements with private institutions can be found online at [www.assist.org](http://www.assist.org).

- **University of California, Davis**
  B.A. Philosophy
- **University of California, Irvine**
  B.A. Philosophy
- **University of California, Los Angeles**
  B.A. Philosophy
- **University of California, Santa Barbara**
  B.A. Philosophy
  Concentration I (Core Philosophy)
  Concentration II (Ethics and Public Policy)
- **California State University, Northridge**
  B.A. Philosophy

Santa Monica College has articulation agreements for this major (see [www.smc.edu/articulation](http://www.smc.edu/articulation) for exact requirements) with the following private and out-of-state institutions:

- **Loyola Marymount University**
  B.A. Philosophy

General education requirements for the University of California and California State University and other local universities are available online at [www.smc.edu/articulation](http://www.smc.edu/articulation) and listed in the Academics section of this catalog.

**Photography**

Photographers record visual images on film or videotape to graphically illustrate or explain an idea, record an event or capture a mood. They generally specialize in a particular type of subject matter, such as portraits, landscape, nature or news pictures and in types of equipment such as 35 millimeter cameras, video, or movie cameras. Some related job titles include portrait photographers, commercial and industrial photographers, photojournalists, visual artists, and photo editors.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**Program Learning Outcomes:** Students completing the program in Photography will analyze and assess photographic situations and solve technical problems and creative challenges as they arise in a photographic production. Students will design and construct photographic images that can communicate ideas or narratives effectively for commercial, editorial, or fine art purposes. And graduates will have the knowledge and skills pertinent to the successful operation of a freelance photography business and sound business practices in the trade.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions. Exact major requirements for these and other UC and CSU campuses can be found online at [www.smc.edu/articulation](http://www.smc.edu/articulation). Articulation agreements with private institutions can be found online at [www.smc.edu/articulation](http://www.smc.edu/articulation).

- **Academy of Art University, San Francisco**
  B.F.A. Fine Arts and Art Studies
- **Art Institute of Colorado**
  B.A. Photography
- **Brooks Institute**
  Please note that Brooks is NOT a regionally accredited institution. Students wishing to pursue graduate work may have difficulty in applying units earned.
  For requirements, see transfer agreement, available in the Transfer/Counseling Center or online at [www.smc.edu/articulation](http://www.smc.edu/articulation).
Students must have an overall 3.0 GPA and present a portfolio at time of application.

General education requirements for the University of California and California State University and other local universities are available online at www.smc.edu/articulation and listed in the Academics section of this catalog.

**ASSOCIATE DEGREE – 60 UNITS**

The Associate degree in Photography involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 42 semester units in the Photography area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSUGE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Photography (36 units)**

*Required Courses: (32 units)*

Art 10A, Design I (3)
Photography 3, Commercial Photography Techniques (6) or Photography 3A, Commercial Photography Techniques I (3) and Photography 3B, Commercial Photography Techniques II (3)
Photography 4, Portrait Photography (3)
Photography 6, Advanced Commercial Photography (8)
Photography 39, Beginning Photoshop (3)
Photography 43, Beginning Portfolio Development (3)

*Additional courses to total 36 units and recommended electives may be selected from:*

Photography 1, Introduction to Photography (3)
Photography 2, Basic Photography Lab Techniques (2)
Photography 5, Fundamentals of Photo Digital Printing (3)
Photography 7, Advanced Portfolio Development (3)
Photography 9, Advanced Photography of People (3)
Photography 11, Color Transparency Photography (2)
Photography 13, News Photography (3)
Photography 14, Photography for Publication (3)
Photography 21, Alternative Photographic Process (3)
Photography 24, Photo – Graphics (2)
Photography 29, Production for Still Photographers (3)
Photography 37, Advanced Black and White Printing (3)
Photography 40, Digital Capture (3)
Photography 42, Advanced Photoshop (3)
Photography 44, Building Web Sites for Photographers (2)
Photography 50, Basic Color Printing
Photography 51, Printing from Positive Materials (3)
Photography 52, History of Photography (3)

Photography 60, Business Practices in Photography (3)
Photography 90A,B,C, Internship (1, 2, 3)

Additional graduation requirements for the Associate degree from Santa Monica College are listed in the Academics section of this catalog, as well as online (go to www.smc.edu/articulation).

**CERTIFICATES OF ACHIEVEMENT**

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

**Photography (42 units)**

A Certificate of Achievement in Photography is granted upon completion of 42 units.

*Required Courses: (32 units)*

Art 10A, Design I (3)
Photography 3, Commercial Photography (6)
Photography 4, Portrait Photography (3)
Photography 6, Advanced Commercial Photography (8)
Photography 39, Beginning Photoshop (3)
Photography 40, Digital Capture (3)
Photography 42, Advanced Photoshop (3)
Photography 43, Portfolio Development (3)

*Additional courses to total 42 units and recommended electives may be selected from:*

Photography 1, Introduction to Photography (3)
Photography 2, Basic Photography Lab Techniques (2)
Photography 5, Fundamentals of Photo Digital Printing (3)
Photography 7, Advanced Portfolio Development (3)
Photography 9, Advanced Photography of People (3)
Photography 11, Color Transparency Photography (2)
Photography 13, News Photography (3)
Photography 14, Photography for Publication (3)
Photography 21, Alternative Photographic Process (3)
Photography 24, Photo – Graphics (2)
Photography 29, Production for Still Photographers (3)
Photography 37, Advanced Black and White Printing (3)
Photography 40, Digital Capture (3)
Photography 44, Building Web Sites for Photographers (2)
Photography 50, Basic Color Printing
Photography 51, Printing from Positive Materials (3)
Photography 52, History of Photography (3)
Photography 60, Business Practices in Photography (3)
Photography 90A,B,C, Internship (1, 2, 3)
**Physics**

Physicists study matter, energy, and the relationships between them and devise methods to apply laws and theories of physics to industry, medicine, and other fields. Some career titles include acoustic physicist, astrophysicist, engineer, satellite data analyst, and medical or nuclear physicist.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions.

Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  - B.A. Physics
- University of California, Davis
  - A.B. Physics
  - B.S. Physics
  - Astrophysics emphasis
- University of California, Irvine
  - B.S. Math
- University of California, Los Angeles
  - B.A. Physics
  - B.S. Physics
- University of California, Riverside
  - B.A. Physics
  - B.S. Physics
  - Biophysics option
- University of California, San Diego
  - B.A./B.S. Physics
- University of California, Santa Barbara
  - B.S. Physics
- California State University, Northridge
  - B.A. Physics
  - B.S. Physics

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Loyola Marymount University
  - B.S. Physics

General education requirements for the University of California and California State University and other local universities are available online at www.smc.edu/articulation and listed in the Academics section of this catalog.

**Political Science**

Political scientists study the origin, development, and operation of political systems and public policy. Some study the actions of foreign governments, political parties, or revolutionary movements. Others analyze topics such as public opinion, decision making, or the uses of ideology and public policy. They may conduct surveys, analyze election results, review Supreme Court decisions, or actions of legislative bodies, or analyze the content of media articles. Some do academic research, write, or teach. Others work on applied problems for federal agencies, legislative committees, or individual office holders seekers. Some career titles include lawyer, politician or director of polling and survey projects.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

**TRANSFER**

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, private, and international institutions.

Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  - B.A. Political Science
- University of California, Davis
  - A.B. Political Science
  - A.B. Political Science (Public Service)
- University of California, Irvine
  - B.A. Political Science
- University of California, Los Angeles
  - B.A. Political Science
- University of California, San Diego
  - B.A. Political Science
- University of California, Santa Barbara
  - B.A. Political Science
- University of California, Santa Cruz
  - B.A. Politics
- California State University, Northridge
  - B.A. Political Science

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- John Cabot University, Rome, ITALY
  - Political Science
  - International Affairs (validated by University of Wales)

This university is US regionally accredited. See www.smc.edu/articulation for general education admission requirements.
• Mills College
  B.A. Political, Legal & Economic Analysis

Psychology

Psychologists study the behavior of individuals and groups and try to help people achieve satisfactory personal adjustment. They work with individuals, couples, families or groups. Some engage in teaching or research, while others work with people doing testing, counseling, or treatment in clinics, schools, and industries. Some additional career titles include developmental psychologist, industrial/organizational psychologist, mental health coordinator, and community services worker.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

• University of California, Berkeley
  B.A. Psychology

• University of California, Davis
  Psychology A.B.
  Psychology B.S. (Biology)
  Psychology B.S. (Mathematics)

• University of California, Irvine
  B.A. Psychology
  B.A. Psychology and Social Behavior
  B.A. Social Ecology

• University of California, Los Angeles
  Psychology B.A.
  Psychobiology B.S.
  Cognitive Science B.S.

• University of California, Riverside
  B.A. Psychology

• University of California, Santa Barbara
  B.A. Psychology

• University of California, Santa Cruz
  B.A. Psychology

• University of California, San Diego
  B.A. Psychology

• California Polytechnic State University, San Luis Obispo

• California State University, Dominguez Hills
  B.A. Psychology

• California State University, Long Beach
  B.A. Psychology

• California State University, Los Angeles
  B.A. Psychology

• California State University, Northridge
  B.A. Psychology

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

• Alliant International University
  B.A. Psychology

• Kaplan University
  B.A. Psychology/Applied Behavioral Analysis

• Loyola Marymount University
  B.A. Psychology

General education requirements for the University of California and California State University and other local universities are available online at www.smc.edu/articulation and listed in the Academics section of this catalog.

Recycling and Resource Management

The Recycling and Resource Management Certificate Program is designed to provide formal training for individuals interested in working in the green jobs sector. As more cities and businesses develop sustainability and zero-waste policies, there is an increased need for trained staff that can properly manage organizational resources and initiate programs.

This training program will provide students with the resources they need to compete in the green jobs marketplace. Courses will emphasize recycling and resource management from a variety of perspectives. Students will learn about resource management and how it impacts cultural, community, and business practices. Courses will cover governmental and organizational policies, practices, and procedures, and identify best management practices.

DEPARTMENT CERTIFICATE

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the
general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Department Certificate must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete the Department Certificate.

**Recycling and Zero Waste** (12 units)
A Department Certificate is granted in Recycling and Zero Waste upon completion of the 12 required units listed below.

*Required Courses: (12 units)*
- RRM 1, Introduction to Recycling & Resource Management (3)
- RRM 2, Culture & Zero Waste (3)
- RRM 3, Resource Management & Zero Waste for Communities (3)
- RRM 4, Resource Management & Zero Waste for Business (3)

**Respiratory Therapy**

The program is a partnership between Santa Monica College and East Los Angeles College (ELAC). Graduates earn a joint “certificate of completion” awarded by both colleges, as well as an Associate degree in Respiratory Therapy. The possession of the Associate degree and certificate of completion from the program allows the graduate to sit for the California licensure exam to become a licensed Respiratory Care Practitioner (RCP). Graduates are also eligible for the Advanced Practitioner exams offered by the National Board for Respiratory Care (NBRC), which leads to the awarding of the nationally recognized Registered Respiratory Therapist (RRT) credential.

All of the first-year courses are offered on the SMC campus (except Respiratory Therapy 2).

Clinical training occurs in some of the most respected medical facilities in the United States (e.g., UCLA Medical Center and USC University Medical Center). Physiology 3 and Microbiology 1 must be completed within 7 years of start of RES TH 1. **Applicants must have a negative criminal background check and pass a drug screening procedure to participate in any clinical courses.** A typical sequence of courses is demonstrated below.

**ASSOCIATE DEGREE – 69-71 UNITS**

The Associate degree in Respiratory Therapy involves satisfactory completion of a minimum of 60-71 semester units with a C average or higher, including at least 55 semester units in the Respiratory Therapy area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

**Respiratory Therapy (55 units)**

**Program Learning Outcomes:** Students who complete the Respiratory Therapy program will accurately initiate, conduct, and modify prescribed therapeutic procedures using clinical data. Graduates will participate in developing and evaluating respiratory care plans, and monitor and record patient response to the care, both in clinical settings and emergency situations.

Prerequisites for application to the program are: Anatomy 1, Physiology 3, Chemistry 10, Speech 1 or 5 or 7, and Math 18 or 20.

**First Year (33-35 units)**

**SUMMER SESSION (6 UNITS)**
- Two General Education Courses* (6)
- Summer Session Unit Subtotal: 6

**FIRST SEMESTER (13-15 UNITS)**
- MCRBIO 1, Fundamentals of Microbiology (5) or [ELAC] MICRO 20, General Microbiology (4)
- RESP TH 1, Introduction to Respiratory Therapy (2) or [ELAC] RESP TH 1, Introduction to Respiratory Therapy (1)
- RESP TH 29, Neonatal/Pediatric RT (4) or [ELAC] RESP 29, Neonatal and Pediatric Respiratory Therapy (4)
- RESP TH 60, Respiratory Physiology (4) or [ELAC] RESP TH 6, Respiratory Physiology (4)
- First Semester Unit Subtotal: 13-15

**SECOND SEMESTER (14 UNITS)**
- [ELAC] RESP TH 2, Fundamentals of Respiratory Therapy (4)
- RESP TH 70, Pathophysiology (4) or [ELAC] RESP TH 7, Applied Medicine and Pathology (3) and [ELAC] RESP TH 23, Advanced Respiratory Pathophysiology (1)
- RESP TH 30, Adult Critical Care Monitoring (3) or [ELAC] RESP TH 30, Adult critical Care Monitory and Diagnostics (3)
- PHYSCS 12, Introductory Physics (3) or [ELAC] RESP TH 21, Physics of Respiratory Care (3)
- Second Semester Unit Subtotal: 14

* General education requirements may vary according to math and English placement results. General education courses may be completed before, during, or after the Respiratory Therapy Program. Students should consult the appropriate college’s catalog or college counselor for specific general education program planning.

**RESP TH 2 offered only at ELAC (East Los Angeles College) campus**

**Second Year (36 units)**

All second year courses are East Los Angeles College courses and are offered only on the ELAC campus.

**SUMMER SESSION (4 UNITS)**
- RESP TH 15, Introduction to Clinical Experience (4)
- Summer Session Unit Subtotal: 4

Major requirements for transfer change frequently. Please access ASSIST at www.assist.org for the most up-to-date requirements.

For the most up-to-date AA and Certificate of Achievement requirements, visit www.smc.edu/articulation.
THIRD SEMESTER (17 UNITS)
RESP TH 3, Application of Respiratory Therapy and Clinical Experience I (5)
RESP TH 4, Application of Respiratory Therapy and Clinical Experience II (5)
RESP TH 27, Physician Clinical Rounds, Critical Thinking Lab 1 (1)
Two General Education Courses* (6)
Third Semester Unit Subtotal: 17

WINTER SESSION (1 UNIT)
RESP TH 31, Neonatal Resuscitation (1)
Winter Session Unit Subtotal: 1

FOURTH SEMESTER (14 UNITS)
RESP TH 5, Application of Respiratory Therapy and Clinical Experience III (5)
RESP TH 11, Application of Respiratory Therapy and Clinical Experience IV (5)
RESP TH 28, Physician Clinical Rounds, Critical Thinking Lab 2 (1)
General Education Course* (3)

TOTAL UNITS – SECOND YEAR: 35

Students should make an appointment with the RT Faculty Advisor in the SMC Health Science Department once they select RT as their major. Applications for the Respiratory Therapy Program can be obtained from the Health Science Department at SMC’s Bundy Campus. Additional program information and/or an appointment may be made with the RT faculty by calling (310) 434-3463.

Sociology

Sociologists study the behavior of humans in groups—families, communities, industrial organizations, and institutions such as schools, hospitals, and social service agencies. They are concerned with social phenomena, such as social stratification, deviant behavior, effects of mass media, urban organization, educational systems, and mental health. They may specialize in a number of areas, such as organizational behavior, social change, social work, criminology, demography, statistics, research methodology, small groups, the family, race relations, gerontology, urban sociology, medical sociology, sex roles and society, rural sociology, or social theory.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- University of California, Berkeley
  A.B. Sociology
- University of California, Davis
  A.B. Social Welfare
- University of California, Irvine
  B.A. Sociology
- University of California, Los Angeles
  B.A. Sociology
- University of California, San Diego
  B.A. Sociology
- University of California, Santa Barbara
  B.A. Sociology
- University of California, Santa Cruz
  B.A. Sociology
- California State University, Dominguez Hills
  B.A. Sociology
- California State University, Long Beach
  Sociology
  Social Work
- California State University, Los Angeles
  B.A. Sociology
- California State University, Northridge
  B.A. Sociology
- California Polytechnic State University, San Luis Obispo
  B.A. Social Sciences

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Loyola Marymount University
  B.A. Sociology
- Mills College
  B.A. Anthropology and Sociology

Solar Photovoltaic Installation
(Solar Energy Installation)

Solar energy systems are being installed in growing numbers at businesses and private residences. This growing demand is expected to increase the need for many new jobs for Photovoltaic System Installers and Solar Thermal System Installers. The Photovoltaic Installation Associate degree/Certificate in Solar Energy Technologies will provide students...
with both the hands-on skills and the broader contextual knowledge necessary to gain successful employment in the burgeoning solar industry. Students who complete the Associate degree or Certificate of Achievement will be qualified to secure jobs in a variety of different capacities, including installation repairs, entry-level solar installer, mid-upper level solar design positions, sales, and potentially even start their own solar installation company. With additional education or experience, students could pursue employment with one of the many public institutions working on alternative energy policy.

The AA/Certificate of Achievement in Solar Photovoltaic Installation prepares the student to take the NABCEP (North American Board of Certified Energy Practitioners) Entry Level Exam.

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Solar Photovoltaic Installation involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 19 semester units in the Solar Photovoltaic Installation area of emphasis (articulated below), fulfillment of the Global Citizenship requirement, and fulfillment of all Santa Monica College general education requirements, CSU GE, or IGETC.

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the area of emphasis (major) units must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Solar Photovoltaic Installation (19 units)

Required courses:
Energy 1, Energy Efficiency (3)
Environmental Studies 7, Introduction to Environmental Studies (3) (same as Geography 7)
INTARC 35, Computer Aided Design/Drafting (3) or GIS 20, Introduction to Geographic Information Systems (3) (same as GIS 20 and Geography 20)
Photovoltaic 1, Introduction to Solar Energy Systems (3)
Photovoltaic 2, Intermediate Solar Photovoltaic Systems Installation (3)
Photovoltaic 3, Advanced Solar Photovoltaic Installation (4)

Recommended course:
BUS 63, Principles of Entrepreneurship (3)

CERTIFICATE OF ACHIEVEMENT

Catalog rights dictate that a student may satisfy the requirements for a degree or certificate by satisfactorily completing the general education and major/area of emphasis requirements in effect at any time during the student’s continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until program completion.

At least 50% of the required units for a Certificate of Achievement must be completed at Santa Monica College.

Students must receive a grade of C or higher in each course to successfully complete a Certificate of Achievement.

Solar Photovoltaic Installation (19 units)

A Certificate of Achievement in Solar Photovoltaic Installation is granted upon completion of 19 required units listed on the Solar Photovoltaic Installation Associate degree.

Speech

Speech and Communication Studies majors pursue a variety of careers depending on their interests. Public relations and advertising firms, health care organizations, government and educational institutions, entertainment companies, social service groups, and media-based firms are just some examples of organizations having a need for people with highly developed interpersonal and technical communication skills. Some of the current career titles include public relations specialist, news producer, speech/language pathologist, speechwriter, advertising account executive, media manager, human resources manager, mediator, special events coordinator and development officer/fund raiser.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

TRANSFER

Students planning to transfer to a four-year college should complete the lower-division major requirements and the general education pattern for the appropriate transfer institution. Santa Monica College has articulation agreements for this major with the following UC, CSU, and private institutions. Exact major requirements for these and other UC and CSU campuses can be found online at www.assist.org. Articulation agreements with private institutions can be found online at www.smc.edu/articulation.

- California State University, Long Beach
  B.A. Speech
- California State University, Los Angeles
  B.A. Communication
- California State University, Northridge
  B.A. Communication Studies

Santa Monica College has articulation agreements for this major (see www.smc.edu/articulation for exact requirements) with the following private and out-of-state institutions:

- Loyola Marymount University
  B.A. Communication Studies

ASSOCIATE DEGREE – 60 UNITS

The Associate degree in Speech involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including at least 20 semester units in the Speech area of emphasis (articulated below), fulfillment of the Global
Theatre Arts

The Theatre major can help prepare people for many career opportunities including work in the specific areas of theater production or performance as well as the related areas of advertising, television, film, recreation, education, and management. Theater managers manage theaters for stage productions or motion pictures. Related career titles include actor, director, costumer, script coach, stunt person, playwright, drama coach, set designer, business manager and instructor.

This major may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.

Program Learning Outcomes: Students who complete the Theatre Arts program will hone their skills in performance, design, and technical skills; evaluate and appreciate a theatrical performance by recognizing the inherent components that go into creating theatre, including research, collaboration, and rehearsal; and successfully compete for work in the professional theatre. Students who complete this degree will also be well prepared for further study in theatre at the baccalaureate level.

---

**Women’s Studies**

The Women’s Studies area of emphasis studies the history, sociology and politics of women in society. The area of emphasis examines the oppression of women throughout history, and also the ways in which women have taken power over their lives. Students will better understand the impact of women and gender on various cultures at various times and evaluate changing social patterns and the effects of institutions and cultural assumptions. The Women’s Studies area of emphasis can lead to a variety of careers including a community organizer, political lobbyist and political strategist. This degree may also prepare the student for further study at the baccalaureate level.

This area of emphasis may also lead to many other careers. For additional possibilities, visit the Career Services Center on campus to utilize computerized career information systems and other valuable career resources.
Program Learning Outcomes: After completing the program in Women's Studies, students will demonstrate through oral and written work a familiarity with the basic principles from the field of women's studies and feminist theories and be prepared to pursue further study at the baccalaureate level. In addition students will be proficient in the research, analytical, and communication skills necessary to present an analysis of the challenges facing women in the world today and the proposed solutions to these challenges.
